Foreword

"Blue and Blue" made its initial appearance thirty-nine years ago, in the thirty-sixth year of the High School's existence. This present issue thus marks the completion of the 75th year of the life of the oldest existing Catholic High School in Sydney. The occasion was fittingly celebrated by the record attendance of Old Boys at the Communion and breakfast held at the school, by the successful Jubilee Ball, at the Trocadero, the Dinner at Cahill's, and the Smoke Social at the Austral Salon. It was also fitting that the school enrolment increased greatly this year, the gross roll standing at over two hundred and seventy.

We deeply regret having to record in this issue the deaths of Rev. Brother Columba, Director of the High School for six of its most vigorous years, and of Rev. Brother Urban who was a member of the High School staff in 1916.

We were honoured during the year by a visit from His Lordship, Bishop Lyons, who was accompanied by the Very Rev. Monsignor T. O. Wallace, P.P., P.C. "Blue and Blue" congratulates Monsignor Wallace on the honour conferred upon him early in the year by Our Holy Father, the Pope.

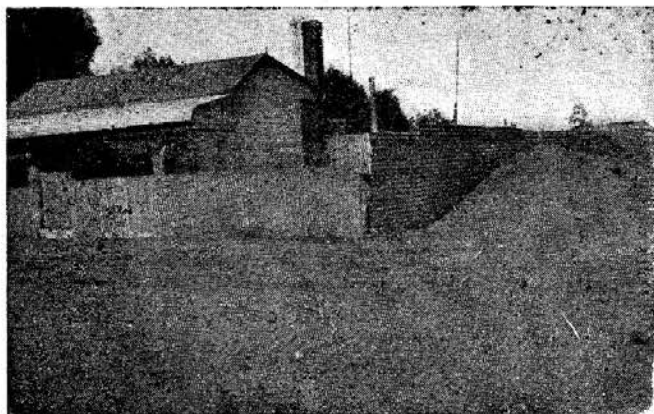

With the Universal Church we rejoice in the definition of the dogma of the Assumption, and we pray that the glory given to our Divine Mother will bring an abundance of graces for the world.

Early Monastery of the Marist Brothers in Sydney.

Looking back over the last seventy-five years, it is with a sense of justifiable pride and satisfaction that one views the achievements of what may be called the first Catholic Day High School to be founded in Sydney—the Marist Brothers' High School. The current year marks the completion of 75 years of fruitful work on the part of this pioneer school, which has developed a tradition and a history of which we may well be proud.

The history of the School coincides, we may say, with the story of the development of the Marist Brothers in Australia, who first set foot on our shores in 1872, at the request of the Australian hierarchy, who desired to promote a system of Catholic education entirely divorced from the secular system of State school teaching which had been lately introduced by Sir Henry Parkes. Founded in France in 1817, the Marist Order purposed, as its primary object to teach the children of the poor villages of France, but in accordance with the progressive needs of the times, it was clearly foreseen by the superiors that the cause of secondary Catholic education would, of necessity, eventually form part of the programme of such an extensive teaching order. Hence it was that after the first few years of foundation work at the Primary School of St. Patrick's, the Brothers, at the request of

clergy and parents, decided to open a High School at the same site, in order to give Catholic boys the secondary education which, at that time, could be obtained (in the metropolitan area) only under the State system of education and in a State school. Accordingly the year 1875 saw the beginning of the first actual Catholic Day High School in Sydney. The revered Brother Augustine, so affectionately remembered by numerous Old Boys, was given charge of the new venture and, enlightened by the experience of the previous arduous years of pioneering work, he brought to the position entrusted to him, all the zeal and industry which characterised those early, devoted teachers. Such a modest beginning—a doubtful step in those uncertain times—was of deep significance in the history of Australian Catholic education. That fine indomitable spirit of Catholic zeal, which had the courage to answer the politics of the day with a determined resistance, was just beginning to rejoice in the success which attended its first steps. Encouraged by this initial success, nothing was thought beyond the ability of our religious teachers and the fortitude and co-operation of our Catholic people, and it was the policy of our militant campaign to be inferior to none in our Catholic education; "just as good" even, would not be "good enough," and Henry Parkes, in debarring Catholic youth from the State school system, actually gave us a system of our own which more than recompenses us for our apparent loss.

Present High School, Darlinghurst.

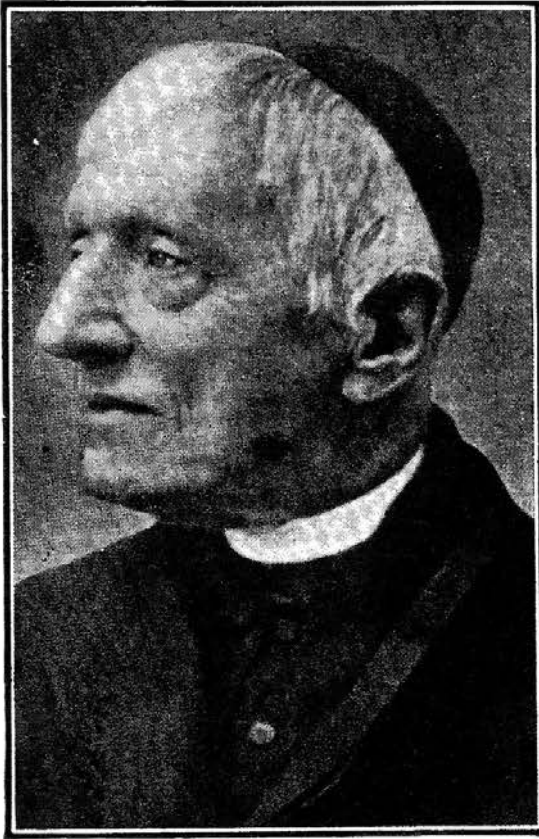

Those early days at St. Patrick's—the cradle of Catholicity in Australia—were days of hard toil and slow progress. In his diary, Brother Augustine has left us graphic details of the hardships of the time and we may thank God for the courage and confidence in His Goodness which inspired those indomitable pioneers who laid the foundation of a most fruitful and progressive work. On the first day, the enrolment for the High School section reached 22, among those presented being E. J. Dwyer, later to be Sydney's leading Catholic bookseller. Within a short space of time the number reached 90 and already the need of further accommodation was being felt. In August, 1875, after seven months at the High School, Brother Augustine took charge of the school at St. Benedict's, to be replaced at St. Patrick's by Brother Joseph. Seven months' actual connection with the High School may seem but a weak claim to remembrance, but the significance of Brother Augustine's work deserves more than a casual reference. Originally one of the four Brothers who left France to plant the Marist ensign in Australia, his labours at St. Patrick's Primary School give him a claim to the gratitude of all who have benefited by the work of the Brothers. The high esteem in which he was held by all who knew him and the genuine affection manifested by his pupils towards him, bore testimony to the devoted zeal which characterised his work. After spending the declining years of his fruitful life at St. Joseph's College, he passed to his reward in 1926, the last survivor of our pioneer community.

Brother Joseph, who succeeded Brother Augustine as director of the High School, remained in office till 1879. During his directorship the destiny of the school was moulded to success and the reputation of the Marists as secondary educators began to attract the notice of the public. Critics of the new enterprise were silenced by the results already obtained and to those who promoted the work every encouragement was given by the achievements which compared favourably with anything done by schools of older standing. Brother Joseph left for Napier, New Zealand, in 1878, and in 1879 Brother Emilian, later on the first director of St. Joseph's College, took charge. He had as his first assistant the famous

Brother Basil. At the urgent request of parents, Brother Emilian, who was always thoroughly up-to-date, took in boarders, but it soon became evident that the house and grounds were too restricted for a boarding-school, and hence a more eligible site, that at Hunter's Hill, was selected. The boarders were removed to Hunter's Hill in 1881, Brother Emilian becoming a director of the college, subsequently erected there, and Brother Basil Head Teacher. Brother Wilbred filled the vacancy thus created at Harrington Street, becoming Head Teacher of the High School under the successive directorships of Brother Letus and Felix.

The continued expansion of St. Patrick's at length necessitated a corresponding enlargement of premises and to meet requirements the Brothers were asked to transfer the High School to the grounds of St. Mary's Cathedral—thus leaving the top floor of St. Patrick's to be used as part of the Primary School. The transfer took place on August 15th, 1887, with Brother Paul Director and Brother Wilbred, Head Teacher. The advantages of the new position, as well as the fresh energy and zeal shown by both teachers and pupils in this second start were responsible for the great impetus given to the progress of the school. The change ushered in an era of remarkable results in public examination work and Catholic Sydney might well have been proud of its High School—a standing monument to the self-sacrifice and courage of the Catholic community—and a magnificent answer to the State's own attempt to secularise our education. In other spheres of activity, besides studies, the school came prominently before the public, and the Press of the time was eloquent in its praise of the dramatic work done at St. Mary's and applauded the musical education afforded by its recently formed Brass Band.

Throughout these years the dominating personality connected with the High School was the late Brother Wilbred, who dated his first association with the school away back in the seventies. Combining cultured scholarship with deep religious sincerity, his whole teaching career was a continual inspiration to all who had the happiness to come under his guidance. A versatile character in many respects, he was attracted to both science and literature, achieving equal success in

both branches of learning. To his care was committed the early guidance of three of our most distinguished Australian writers—Quinn, Brady and Daly—and in his discerning appreciation and fine literary taste can be traced the influence which inspired the beauty of their work.

Brother Paul's term of directorship coincided with the years 1887 to 1893, and, as we have seen, was a period of formation and achievement which laid the foundations for years of success to follow. In 1893 he was called to Europe and taught for some time in the colleges of France—later on returning to our shores as Provincial of Australia and New Zealand. The vacancy left by him at the High School in 1893 was filled by Brother Henry, who had previously been a member of the High School staff. Under his capable direction the school continued its excellent work and it was a great loss to the Australian Province when he was transferred to South Africa, where he spent the last thirty years of his life. Brother Victor succeeded Brother Henry as principal.

Brother Victor is gratefully recognised as one of the founders of the Marist Order in Australia, being later on Provincial and then Master of Novices from 1912 to April, 1935. During twenty-three years as Novice Master, he had charge of the training of all members of the Institute recruited from Australia and New Zealand, and this responsible work he discharged with a zeal and devotedness which endeared him to the hearts of all his trainees. Following Brother Victor as director, Brother Ephrem next took charge, to be succeeded soon after by the ever-memorable Brother Osmond, who was the first Marist Brother to take out his degree at an Australian University.

For two periods in the history of the school his scholarly attainments were directed towards the maintenance of the proud reputation of its public successes. While Director of St. Mary's, Brother Osmond saw the last stage of the school's work at its second location and was the anxious guardian of its destiny during the troubled period of transition from St. Mary's to the present site at Darlinghurst.

For many reasons, it proved desirable that the Brothers should find a new site for their school; for this purpose a house was bought in Darley Street, Darlinghurst, with land adjoining, and immediate steps were taken towards building a new school worthy of the traditions of St. Mary's. The Brothers, together with their pupils, left St. Mary's in September, 1910, and pending the completion of the new building, teaching was continued in the very restricted quarters at the Brothers' residence and in a little Presbyterian Hall in Palmer Street, Darlinghurst, which had been hired for the emergency. Those pupils who could not be accommodated at either of these two centres or at the other Marist establishments then existing, drifted off to various public schools, most of them returning when the new building was ready. Not until Easter, of 1911, with Brother Borgia as Director, was the new school thrown open to pupils. The blessing and the official opening ceremonies were performed later on 9th July, by His Grace, Archbishop Kelly. Speaking on that occasion the Archbishop congratulated the Brothers on the excellence of the work they had done at their High

School and prophesied years of fruitful labour for the cause of Catholic Education. He was delighted to see the work about to continue in such ideal surroundings and with a new school so well equipped in every detail for the requirements of modern secondary teaching. He emphasised what he termed the "political aspect" of the school, pointing out that the High School, founded as it was as a protest against the secularised education sponsored by the State, had not failed in this all-important trust, but had proved most worthy of the magnificent cause which it represented.

The advantages of the recent change were reflected in the public results at the time and Brother Borgia's term of office stands out as a period of unusual success. After many years of fruitful work in New South Wales and New Zealand, Brother Borgia was in 1930 appointed Provincial of South Africa, where his marked organising and educa-

tional ability have been placed at the service of the Marist Brothers' schools in that province.

The year 1913 saw Brother Osmond again reinstated at the High School as Director, his term of office having been interrupted by a much deserved trip on the continent, during which time Brother Joseph replaced him as Acting Director. These two teachers, ripe scholars themselves, and particularly interested in science, did much to place the sciences taught at the school on a very high plane. It is mainly to them that we owe the well-equipped and up-to-date laboratory, which in those days of apparent prejudice against sciences, seemed a blind alley for useless expenditure. Brother Osmond left Australia at the beginning of this year to join with Brother Borgia in giving to the South African province the benefit of his wide experience in our own country.

In 1918 the position of Principal fell to the lot of the ever-popular and highly-esteemed Brother Gerard, who to-day is regarded as one of the foremost leaders in educational activities in New South Wales. It is impossible to estimate the immense debt owed by the school to his devoted zeal and wide learning. As a man of genial character and inspiring personality and a religious of genuine fervour, he exercised a deep influence over the boys who passed

under his care during the recent decades of the school's history. His memory among the boys will be ever revered and loved. His first term as headmaster extended from 1918 to 1923, another period of outstanding success in studies and sport and characterised by a fine manly, moral tone among the pupils—a tribute to Brother Gerard's inspiring leadership.

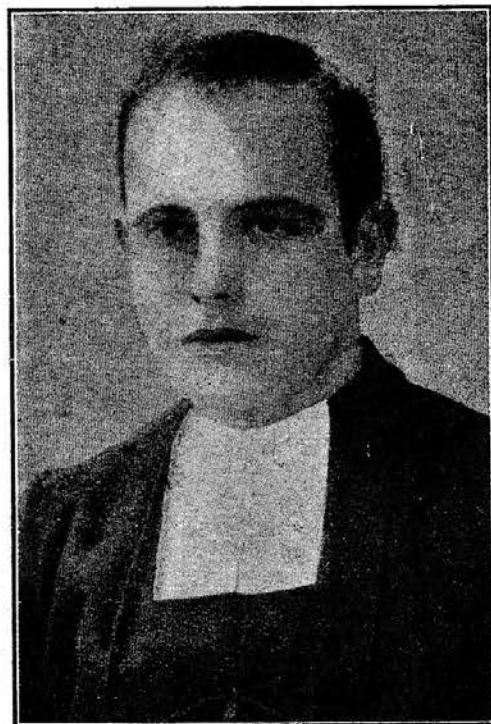

Leaving Darlinghurst in December, 1923, Brother Gerard was transferred to St. Joseph's College as Master of Studies. The High School then came under the direction of Brother George, that noted Marist teacher and prominent educationist. It was to be Brother George's last work and the vacancy left by his deeply regretted and untimely death in 1926, seems never to have been filled. At the Requiem Mass celebrated at St. Patrick's, the late Very Rev. Dr. M. J. O'Reilly, C.M., a personal friend of the deceased, paid eloquent tribute to the noble character of Brother George:—

“He was a strong, virile and thorough man, transparently sincere. There was no double dealing in him, for he was incapable of it. He saw things with a quick intuition and unflinching judgment. When he dealt with men, he dealt with them as fellow-men, and there was in his dealing a friendliness, a kindness and a spirit of broadminded humanity. Brother George went through life without an enemy, and it is no impeachment for him. It was not weakness or desertion of principle, it was not compromise but it was his special outstanding merit that no man could hate him for his heart was so big, and so pronounced were his sincerity and honesty that no one could have anything but the highest regard for Brother George.”

When the early stages of his last illness began to appear early in 1926, Brother George was sent to New Zealand, where he died the same year. Brother Ambrose who, in the meantime, had been Acting-Director of the High School, went to Europe at the end of 1926, and Brother Denis became Principal. Brother Denis had previously been Provincial of the newly-created province of New Zealand and had distinguished himself in many ways in the works of the Marist Order.

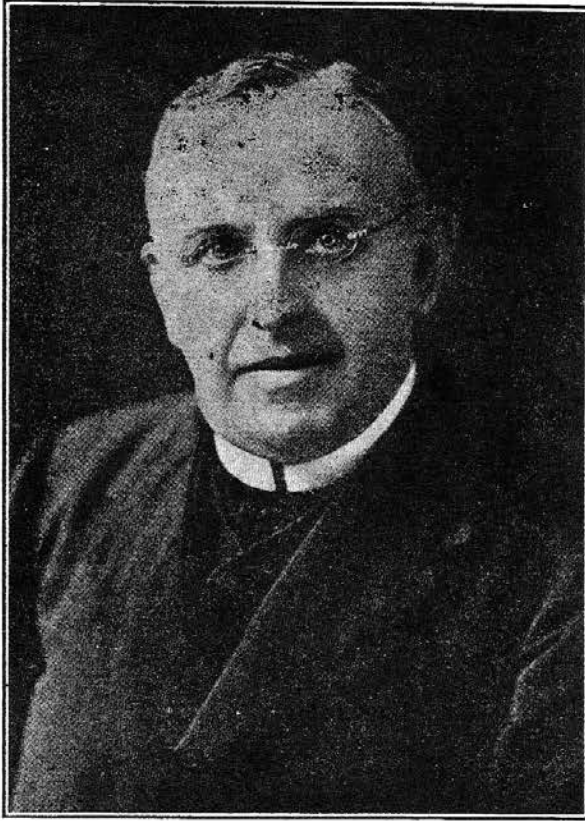

Always courteous and affable, he endeared himself to parents and students alike. No exertion was too great for him to make in the interests of his pupils. His wide scholastic and practical knowledge of school affairs made him an admirable Headmaster, and it was with deep regret that the students saw him removed from their midst in August, 1928, to take charge of St. Joseph's College, Hunter's Hill.

For the last few months of 1928, Brother Walstan, Director of St. Patrick's assumed control till the return of Brother Gerard from Europe, when the latter commenced his second term of office as headmaster of Darlinghurst. Reference has already been made to Brother Gerard's amiable character and devoted work, and on returning once more to his old field of labour, he manifested the same inspiring enthusiasm which had always been a feature of his work among

boys. Looking back over the last six years, 1929-1934, we again remark the distinguishing characteristics of his capable guidance—a high standard of scholastic achievements, together with a spirit of cordial co-operation between teachers and boys. At present, Brother Gerard is stationed at St. Joseph's, but still takes a keen interest in

the High School activities. Our best wishes follow him to his new sphere of work.

From 1935 to 1940, the High School was ably directed by Brother Columba, who had been on the teaching staff almost continuously since 1921. His thoroughness and devotion to duty were rewarded by the continued success of the High School. This was a period of extraordinary achievement in M.C.C. sporting activities. Brother Columba is at present in charge of the Marist Brothers' High School in Newcastle.

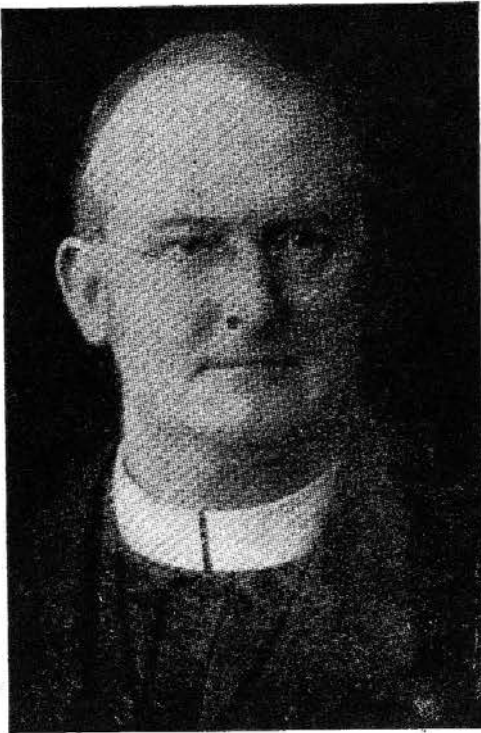

In 1941 and 1942 Brother Frederic was Director. Words fail to indicate his unique personality. Old Boys of those years still speak with enthusiasm and delight of his exhilarating teaching, his remarkably quick wit, and the profound and lasting impression he made on them. His untimely death in 1943, deprived the Marist Order of one of its most valued members.

Of more recent years, the good work has been carried on. Brother Victor Bernard,

1943-45 (at present at the Marist Brothers' College, Cairns); Brother Gregory, 1945-47 (at present Director of the Marist Brothers' High School, Mosman); and the present Director, Brother Edmundus.

Conclusion

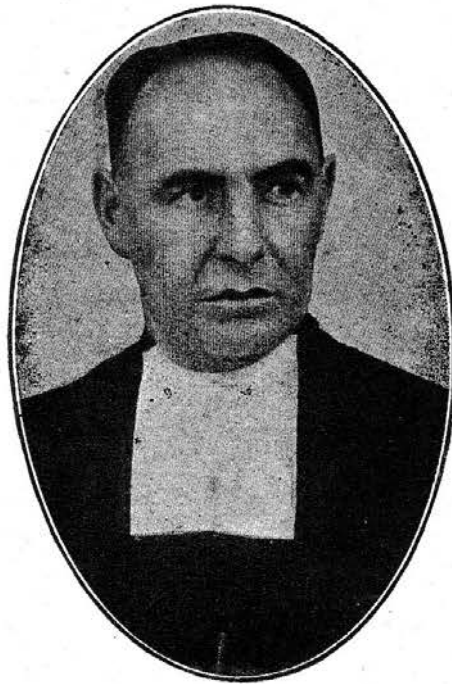

We are told that "great headmasters make great men;" it is equally true that they make great schools. Hence no apology is needed if this account of the school's history has developed into a eulogy of its headmasters. In the ranks of the teachers associated with the High School throughout its long history are to be found men of high repute in educational circles, men of wide knowledge and culture and Marists of true religious ideals. It is with a feeling of pride that we review their achievements and gratefully acknowledge the debt we owe them. To those who still remain we wish an abundant reward for their zealous work in the interest of the High School. May they be granted many years of health and happiness here and a glorious crown hereafter.

appreciation is due to the sterling band of young men and old who claim loyal connection with their Alma Mater. The Darlington Old Boys are to be found in every profession—holding important positions in all walks of life. Many vocations to the priesthood and religious life have been fostered by the instruction and training received from the Brothers, while the Old Boys who represent Darlington in the ranks of the laity are men of religious principle and leaders in every phase of Catholic activity. The school is justly proud of her loyal sons and sees in them the proof that her work during the past seventy-five years has been a success. With this encouragement and reassured by her many achievements,

Throughout this brief survey, little mention has been made of the Old Boys. To enumerate all who deserve mention would result in a lengthy catalogue—but a word of

Requiescat Brother Columba

The sad news of the death by accident of Rev. Brother Columba, former Director of M.B.H.S., profoundly shocked hundreds of Old Boys and others associated with Darlinghurst. Brother Columba met his death at Newcastle, on Saturday, 18th November, while engaged in the work of recruiting vocations for the Marist Brothers' Congregation.

Fifteen years of Brother Columba's religious life were given to Darlinghurst, six of them as Director (1935-1940). He was a man of extraordinary zeal and energy, and he gave himself to the task of guiding the destinies of the High School at a rather difficult period in its history. He will be remembered by his confreres as an exemplary religious and true Marist, and will rank high among the many outstanding headmasters that Darlinghurst has been privileged to have. Indeed it may well be said

that none has done more for our High School than he.

Known in secular life as James Ryan, Brother Columba was born of parents outstanding for their Catholicity even among the staunch Catholic pioneers of the Kilmore (Vic.) district. As a boy he attended Assumption College, Kilmore, and there, in surroundings which have nurtured a phenomenal number of priestly and religious vocations, he decided to embrace the life of a Marist Brother.

His religious life was spent in the schools of Lismore, Newcastle, Forbes, and Darlinghurst, and at St. Joseph's College, Hunter's Hill. His graduate work was done at Sydney University.

"Blue and Blue" expresses to Brother Columba's family the deepest sympathy of the Brothers, pupils, and Old Boys of Darlinghurst.

SODALITY OF OUR LADY

By CHARLES PEOPLES, *President.*

The Sodality again carried on the good work in the school this year. The principal aim of the Sodality is to promote spiritual enthusiasm and virtue in its members, but it also tends to exercise a powerful influence on the general tone of an educational establishment.

The Sodality of Our Lady, affiliated to the Prima Primaria in Rome, is placed under the guidance of the Jesuit Fathers. Consequently, the officers and group leaders decided to request a Jesuit Father to conduct the annual retreat.

The first meeting of the Sodality was held mainly for the election of officers. The election resulted as follows:

President: C. Peoples.
V. President: B. Cameron.
Secretary: W. Halcro.
Treasurer: P. Searle.
Councillor: J. Bolster.

The Officers at their first meeting under the guidance of our director, Rev. Brother Edmundus, selected the group leaders, and owing to the considerable increase in numbers the sodalists were allotted into five sections instead of the usual four groups as in past years.

It was pleasing to notice the groups rallying round their leader and achieving their aims, which they had aimed at early in the year.

The groups were as follows:

1. The Rosary Crusade Group, led by James Collins, supplied the school with rosaries, scapulars and medals. Notable success was their reward.

2. The Catholic Literature Group, managed by Michael Finn, was responsible for the sale of C.T.S. pamphlets and the Sodality Monthly, "Madonna." The C.T.S. pamphlets were sold before school and at recess times, giving the boys ample time to procure the best pamphlets. This group also supplied the Sodality with items of Catholic news, and occasionally took over the weekly meeting, to read to the Sodality the interesting cuttings from newspapers.

3. The Blessed Sacrament Crusade section, led by John Howard, promoted devotion to the Blessed Sacrament. Fair success was achieved in this section.

4. The Fatima League Group, ably led by Des. Donovan, was a new group introduced into the Sodality at the beginning of this year. It aimed at spreading devotion to Our Lady of Fatima and endeavouring to make known, especially to boys in the school, Our Lady's message at Fatima. The group also brought many members of the Sodality and the school into the newly formed Fatima League which has been functioning for about eighteen months in the school, under the patronage of His Eminence the Cardinal.

5. Last, but not least, we have the Religious Orders Group led by Warren Castray. This group collected interesting news on many of the Religious Orders and occasionally gave the general meeting talks on some of the Orders in the Church. Notable success was achieved also by this group.

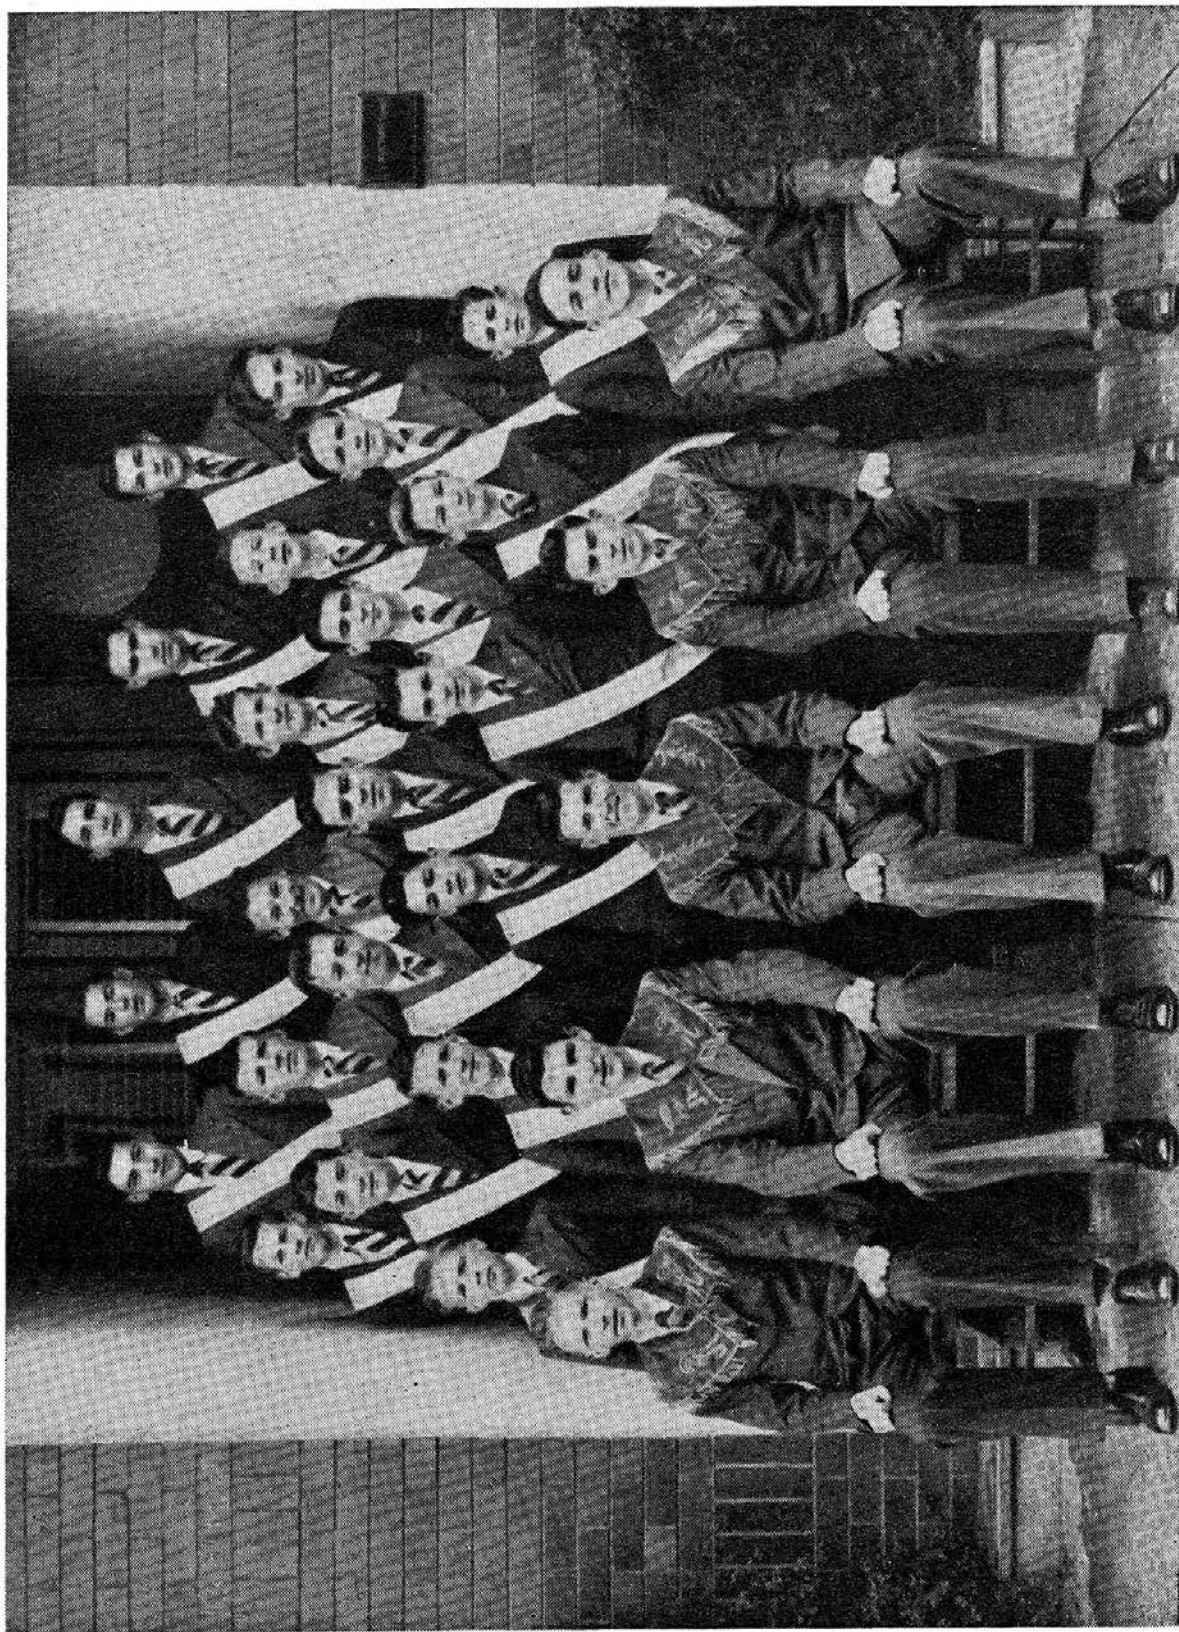

The group leaders are to be highly commended for their hard work and their personal sacrifices during the year which no doubt pleased Our Lady and gave her great honour.

Some excellent lectures were given during the year by the Sodalists and also by our Director. These talks by the Director were highly educational, giving the Sodality a clear idea on the problems facing youth in the world to-day.

The Sodality extends its sincere thanks to Rev. Fr. Hogan, S.J., for his advice and help throughout the Retreat.

Fr. Hogan also received aspirants into the Sodality on the third day of the Retreat.

We extend our thanks also to our Director, Rev. Bro. Edmundus, who never ceased to be an inspiration to the Sodality and an untiring co-operant in each and every one of our undertakings in spite of his heavy responsibility as Principal of the school.

ANNUAL RETREAT

The annual Retreat was held at the end of the first term late in April, for a period of three days.

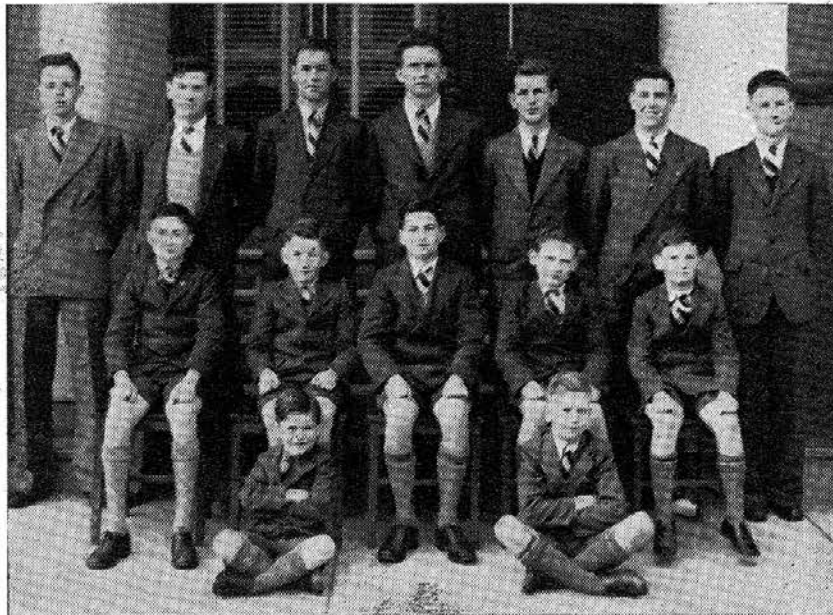

The Retreat was conducted by Rev. Father M. Hogan, S.J., and as on previous occasions we had the privilege of assisting at Mass and Benediction in the school hall. Benediction was held every afternoon and was attended by all the school.

On the day after the Retreat a Solemn Requiem Mass was celebrated for deceased ex-students and relatives of present students. The Brothers com-

prised the choir for the Solemn Requiem Mass.

During the Retreat thirty-five aspirants were consecrated to the Sodality by Father Hogan.

The school, and especially the Retreatants, express their gratitude to Kevin Bertram, a young ex-student, who kindly accepted the task of preparing the hall for the Retreat. Great credit also goes to our Sacristan, Peter Searle, and also to our two altar servers, Michael Finn and Bernard O'Reilly. The boys, as a whole, are to be commended for the thoroughness of their entry into the spirit of the Retreat.

Senior Cadet Detachment

This year, our jubilee year, saw a substantial increase in the strength of the unit, and it was gratifying to see that a high standard of efficiency was maintained throughout the year.

A new innovation was introduced this year, in that the parades were held at Moore Park, transport being done through Road Transport buses. All will agree that the experiment bore fruits, for with greater space at our disposal, the training of the cadets could be carried out much more efficiently and with more freedom, and then, too, we were very convenient to the Miniature Range, which got constant use. Once every three weeks, each cadet fired on the miniature range. The result being that by the end of the year, some very fine shots were produced.

All who attended courses at the beginning of the year, or during the year, were successful, and our congratulations are extended to them. They are as follows:

OFFICERS' COURSE:

Sgt. M. Tracey, promoted to Cadet Lt.
Cpl. B. Cameron, promoted to Cadet Lt.
L/Cpl. K. Hamilton, promoted to Cadet Lt.
L/Cpl. P. Searle, promoted to Sergeant.

N.C.O.'S COURSE:

L/Cpl. Fetterplace, promoted to Cpl. and 2I.C. of No. 4 Ptn.
L/Cpl. J. Noel, promoted to Sgt. and I.C. of No. 4 Ptn.
L/Cpl. J. Slavin, promoted to Cpl. and 2I.C. of No. 3 Ptn.
L/Cpl. B. Kelly, promoted to Cpl. and to 3" Mortar Section.

3" MORTAR COURSE:

L/Cpl. M. Daly, promoted to Cpl., Instructor of Mortar Group.
L/Cpl. R. Byrnes, promoted to Cpl., Assistant Instructor of Mortar.

SIGNALS COURSE:

Cdt. K. Maittlen, promoted to L/Cpl. 2I.C. of the Sigs.

Annual camp was held in May this year, at F. Block, Ingleburn. This year we ran our own canteen with great success; the proceeds of which were used in defraying expenses of transport of the unit to the training area at Moore Park, and for the return of training gear from training by truck each afternoon.

The work of the camp was outstanding in two ways—apart from the many incidents which youthful enthusiasts indulge in at various odd times of the night much to the discomfort of hard-working N.C.O.'s. The first was the excellent work done by the band, and by the end of the course it was able to take its place amongst the best in the camp. The second was the greater amount of pyrotechnics available, and hence more interesting field work could be indulged in.

The unit was billeted according to platoons, huts being commanded by N.C.O.'s, and it is a tribute to them on the very orderly fashion in which troops conducted themselves at all times, and in the keen rivalry in the inter-hut competition.

Our instructor was Cpl. Taylor, and the Block commander was Capt. W. Mahony.

On the last night of camp, which coincided with the birthday of one of our illustrious members of the Band, the traditional Court of Grievances was held, all members of the N.C.O.'s being found guilty, as usual, promotions were made, and No. 1 Hut then fell to and indulged in a Birthday supper in honour of our friend in the Band. By the way, who provided the supper? Anyhow, many did not need rocking to sleep that night!

During the year, the Unit carried out the traditional Church ceremonies held on Anzac Day, by providing the Guard of Honour and Catafalque Party. Members of the band played the Last Post and Reveille. Similar ceremonies were conducted in November at the annual Requiem Mass for souls of the Old Boys deceased in two world wars. The Unit likewise took part in the Annual St. Patrick's Day activities, which were held this year on the Cricket Ground. The Feast of Christ the King saw the Unit in its position, lining the route for the Blessed Sacrament during the procession at Manly College last October.

SPORT

ATHLETICS

In spite of an unfavourable weather forecast, we held a successful Jubilee Sports Meeting on September 25th at Rushcutters Bay Oval.

We extend most sincere thanks to the Ladies' Committee, which catered for all in so efficient a manner. Thanks are specially due to the Brothers, Old Boys and friends who so willingly and so capably performed the official duties.

Philip Traina, although handicapped with a spiked foot, wrested the Senior Shield from William Halcro in the last event of the day—the 440 yards.

William Halcro created a new record for the Senior Broad Jump, 22ft. 1in.

Brian Abbott established a record Broad Jump for the under 15.

Barry Jerrett did a broad jump of 16ft. in the under 13's.

Roy Thomas equalled the 75-yds. race under 11 record with a time of 10.1 secs.

Bellamine House convincingly won the House Competition, Aquinas was second, Xavier third, and Loyola fourth.

The spectators applauded the Musical Chair and Chariot Race events most vigorously.

GOLF

There are some very enthusiastic young golfers at the school and their number is increasing. Eager support was at hand when a letter to the Editor of the Fourth Year class paper again proposed the formation of a school Golf Club and the holding of an annual tournament. The first School Championships were arranged for the second term holidays, and were decided at the Moore Park Links on September 4th. It happened that temporary greens were in use at some of the holes, and this prevented the competitors from showing their best form.

The tournament was decided in two sections, the Junior (under 14) and the Senior. The Senior was won by John Vickery (4th Year) with a score of 88. Apart from costly lapses at the 2nd and

9th holes, he played well, particularly over the last nine holes. Second place went to John Nesbitt (3rd Year) and third place to Robert Byrne (3rd Year). With the last hole to play, he was level with the winner, John Vickery, but he crashed badly and dropped to third place. Good scores were also returned by John Bolster (5th Year) and Warren Castray (4th Year).

The Junior Division was won by Bernard Cannon (2nd Year), with Michael Thornton (2nd Year) runner-up. Unfortunately, Barry Power (2nd Year) was unable to play owing to a wrist injury. Since he has won a title in the State Schoolboy Championships, he was expected to win this division if he had been able to play.

SCHOOL GOLF CHAMPIONSHIPS

1. J. Bolster, P. Lawlor, D. Donovan, B. Kelly.
2. W. Castray, J. Vickery, M. Thornton, B. Ogg.
3. Senior Champion, John Vickery, sinks a putt.
4. B. Kelly, D. Donovan and J. Bolster.
5. Brian Kelly drives from the first tee.

CRICKET

(By "Onlooker")

"A" GRADE

This year's First Eleven were co-premiers with Marist Brothers' Randwick. The team was a well-balanced one, which was unfortunate in not being sole premiers.

Sincere thanks from all team members is extended to our coach, Brother Honorius, and to our scorer, Robert ("Foo") Rimoldi.

THE TEAM

John Bolster (Capt.): Very consistent bat and bowler, winning both batting and bowling averages. Won toss in every match.

Jim Moran: Most reliable left-hand opening bat. Very good fieldsman, and also proved worth as spin bowler with 6-36 versus Lewis-ham.

Bob Byrnes: Opened both batting and bowling. A right-hand bowler, who swings new ball sharply. Good slips fieldsman.

Bryan Dawson: Solid left-hand bat, who saved the day against S.P.C. with a grand 60. Very good deep fieldsman.

Don McCallum: Splendid fieldsman, and a good right-hand bat.

Frank Connolly: Youngster of the team, who should do well with the bat next season.

Pat Sheehan: Team's wicketkeeper, and a left-hand batsman, who assisted "Darlo" against S.P.C. with 21 not out.

Charlie Peoples: Good slips fieldsman, who had limited opportunities with the bat.

John Hurley: Right-hand spin bowler, and a hard-hitting right-hand bat when in action.

Bill Halcro: Right-hand batsman. Was awake long enough to take a few catches.

Pat Lawlor: Right-hand opening bowler and a happy-go-lucky batsman.

M.B.H.S. v. STRATHFIELD

Won First Innings

This was the first match of the season, and also the first against Strathfield for two seasons. S.P.C. batted first and totalled 197. All bowlers were out of touch, the most successful being Bob Byrnes with 3-41. School then batted, and soon rattled up 113 for the loss of three wickets. However, a sudden collapse then ensued, and the score was soon 149 for 8. Wicket-keeper Sheehan then became associated with Bryan Dawson, and this pair were still together when the first innings lead was obtained. Pat and Bryan added 41 in 44 minutes for the eighth wicket. Dawson top scored with 60.

Scores: M.B.H.S. 206 (Dawson 60, Bolster 43) beat S.P.C. 197 (Byrnes, 3-41).

M.B.H.S. v. RYDE

Won outright.

In this match, the School recorded their first outright win in A Grade for three seasons. Ryde batted first, but were soon dismissed for 62, due to some good bowling by Pat Lawlor, who captured 5-14. School then batted and closed their innings at 2-83. Top scorer was John Bolster with 36 n.o. Ryde were again dismissed for 62 in their second innings. The other opening bowler, Bob Byrnes, was most successful with 7-18 off 12 overs. Although School needed only 42 to win, this total was not reached until six wickets had been lost, three of which were run out.

Scores: M.B.H.S. 2-83 (Bolster 36 n.o.) and 6-50 (Dawson 25) beat Ryde 62 (P. Lawlor 5-14, J. Bolster 2-5) and 62 (Byrnes 7-18, Moran 2-6).

M.B.H.S. v. MARRICKVILLE

Won First Innings

Marrickville batted first and totalled 90 before being dismissed. Best bowler was John Bolster with 4-14. School then batted and passed Marrickville's total with the loss of only three wickets. The innings was closed at 5-145, of which Bryan Dawson scored 49. Marrickville batted again and they had lost 4-40 when stumps were drawn.

Scores: M.B.H.S. 5-145 (Dawson 49, Bolster 37) beat Marrickville 90 (Bolster 4-14) and 4-40 (Hurley 2-13).

M.B.H.S. v. ASHFIELD

Won First Innings

Ashfield were sent in the wickets first, and scored 62. Best bowler was John Bolster with 5-11. A feature of the School's fielding was four excellent one-handed catches in slips by Bob Byrnes. At the end of the first day, M.B.H.S. had scored 79 for 2 wickets. All batsmen contributed equally, scores being: Moran 26, Dawson 25, Bolster 24 n.o. Due to a misunderstanding, there was no play on the second day.

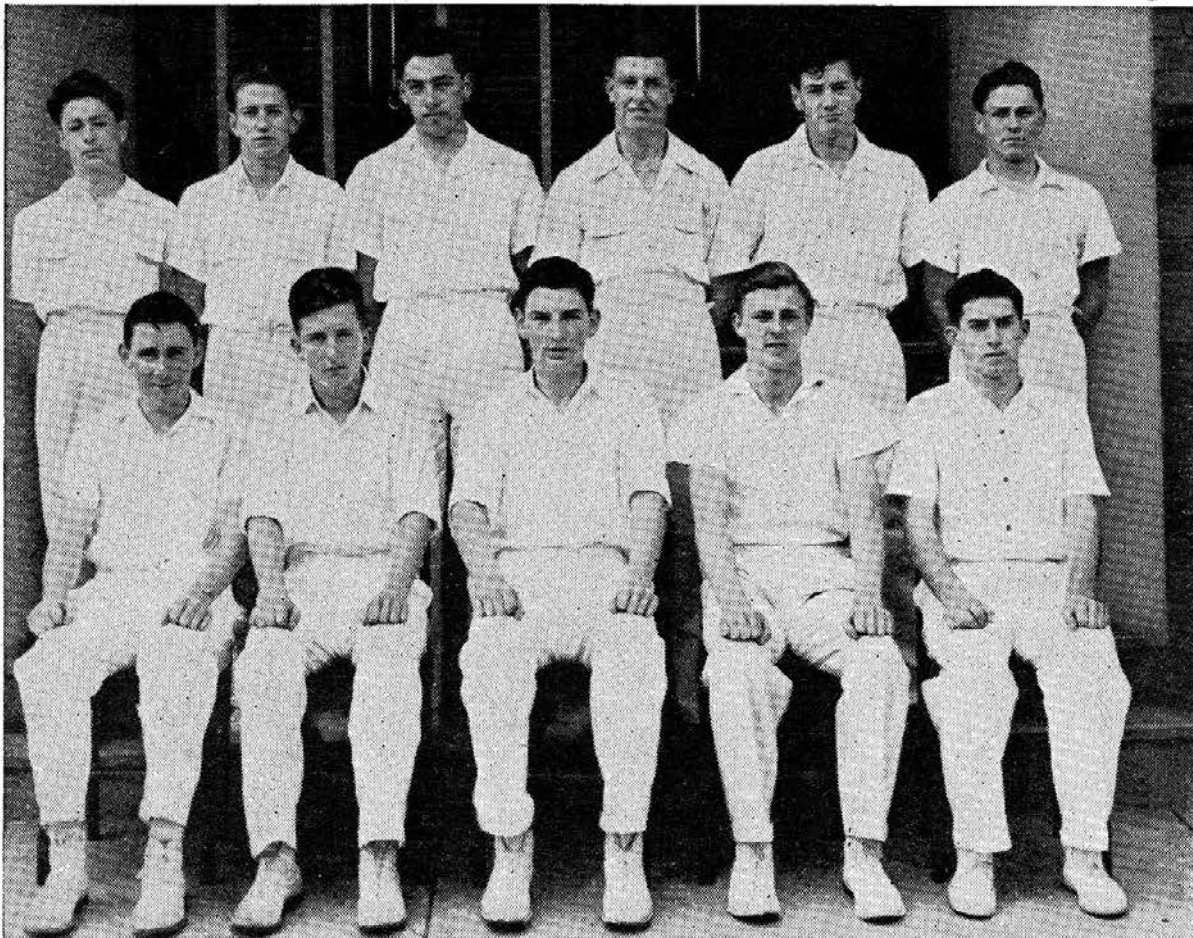

Scores: M.B.H.S. 2-79 (Moran 26) beat Ashfield 62 (Bolster 5-11).

M.B.H.S. v. KOGARAH

Drawn Game

All team members were looking forward to the clash with last year's premiers, but due to rain on the first day, the game had to be completed in three hours. Kogarah batted first and closed their innings at 3-88, leaving the School forty minutes to score a win. This was insufficient time and at stumps School had scored 3-52. Top scorer was J. Moran with 18.

Scores: M.B.H.S. 3-52 (Moran 18) drew with Kogarah 3-88 (Byrnes 2-17).

A GRADE CRICKET TEAM

JOINT PREMIERS M.C.C. COMPETITION.

BACK ROW: F. Connolly, B. Dawson, R. Brayan, C. Peoples, J. Hurley, J. Moran.
FRONT ROW: P. Lawlor, D. McCallum, J. Bolster (C.), R. Byrne, W. Halcro.

M.B.H.S. v. LEWISHAM

Won First Innings

School won the toss for the sixth time in six matches, and Lewisham batting first were soon dismissed for 67. Most successful bowler was John Bolster with 5-16. After scoring 92 for 7 wickets School's innings was closed. Lewisham batted again and this time they totalled 115. Jim ("Killer") Moran was the most successful bowler, taking 6-36 with his slow leg breaks. This success was due to a "bending of the back leg."

Scores: M.B.H.S. 7-92 (Byrnes 28, Bolster 20) beat Lewisham 67 (Bolster 5-16) and 115 (Moran 6-36).

M.B.H.S. v. RANDWICK

Draw

This match had developed into the final, as both teams were on equal points. However, Jupiter Pluvius intervened on the first day, and the most important game developed to a three-hours' combat. Randwick batted first, scoring 5-125 before closing. School were left fifty-five minutes in which to score a win. At stumps the score was 1-34.

Scores: M.B.H.S. 1-34 (Byrnes 18, Moran 14 n.o.) drew with Randwick 5-125 (Byrnes 3-43, Lawlor 2-39).

B GRADE

Our B Grade team had a fair share of success during this season. We had an early setback in the first game of the competition when we were narrowly defeated by 2 runs on the first innings, but after that match our efforts were rewarded with a run of victories.

The team was ably captained by Gordon Fetterplace, with Keith Maittlen as vice-captain.

Our bowlers were more successful than our batsmen. Maurice Daly and Frank Gormley opened the bowling and usually captured some wickets in their first overs. Maurice's left-arm fast bowling should make him a useful member of next year's A grade team. He took the most wickets for the season, 21, at an average of 8.2. Brian Fitzpatrick had the best bowling average—13 wickets at

an average of 6.8. He spins the ball well. In a trial game in the First Term he had the satisfaction of getting the hat trick. Keith Maittlen also bowled accurately and with considerable success.

Jim Gaffey headed the batting average, and his 60 against Lewisham was the highest score for the season by a member of the team. Gordon Fetterplace, Keith Maittlen and Rodney Clement were the most successful of the other batsmen.

DETAILS OF THE GAMES

M.B.H.S. v. S.P.C., STRATHFIELD

Darlinghurst 43 and 43 (R. Clement 14) lost to Strathfield 45 and 6 for 18 (K. Maittlen 3 for 5 and 2 for 9).

M.B.H.S. v. D.L.S.C., MARRICKVILLE

Darlinghurst 65 (J. Gaffey 19) and 3 for 45, defeated Marrickville 29 (F. Gormley 6 for 14, M. Daly 3 for 6) and 8 for 103 (B. Fitzpatrick 3 for 4).

M.B.H.S. v. D.L.S.C., ASHFIELD

Darlinghurst 81 (G. Fetterplace 21) and 3 for 76 (K. Maittlen 30 not out, F. Gormley 27) defeated Ashfield 61 (M. Daly 6 for 28) and 6 for 65.

M.B.H.S. v. M.B.H.S., KOGARAH

Rain limited this game to one afternoon. Darlinghurst 2 for 57 (M. Finn 26 not out) drew with Kogarah 78 (B. Fitzpatrick 5 for 51, M. Daly 4 for 17).

M.B.H.S. v. C.B.H.S., LEWISHAM

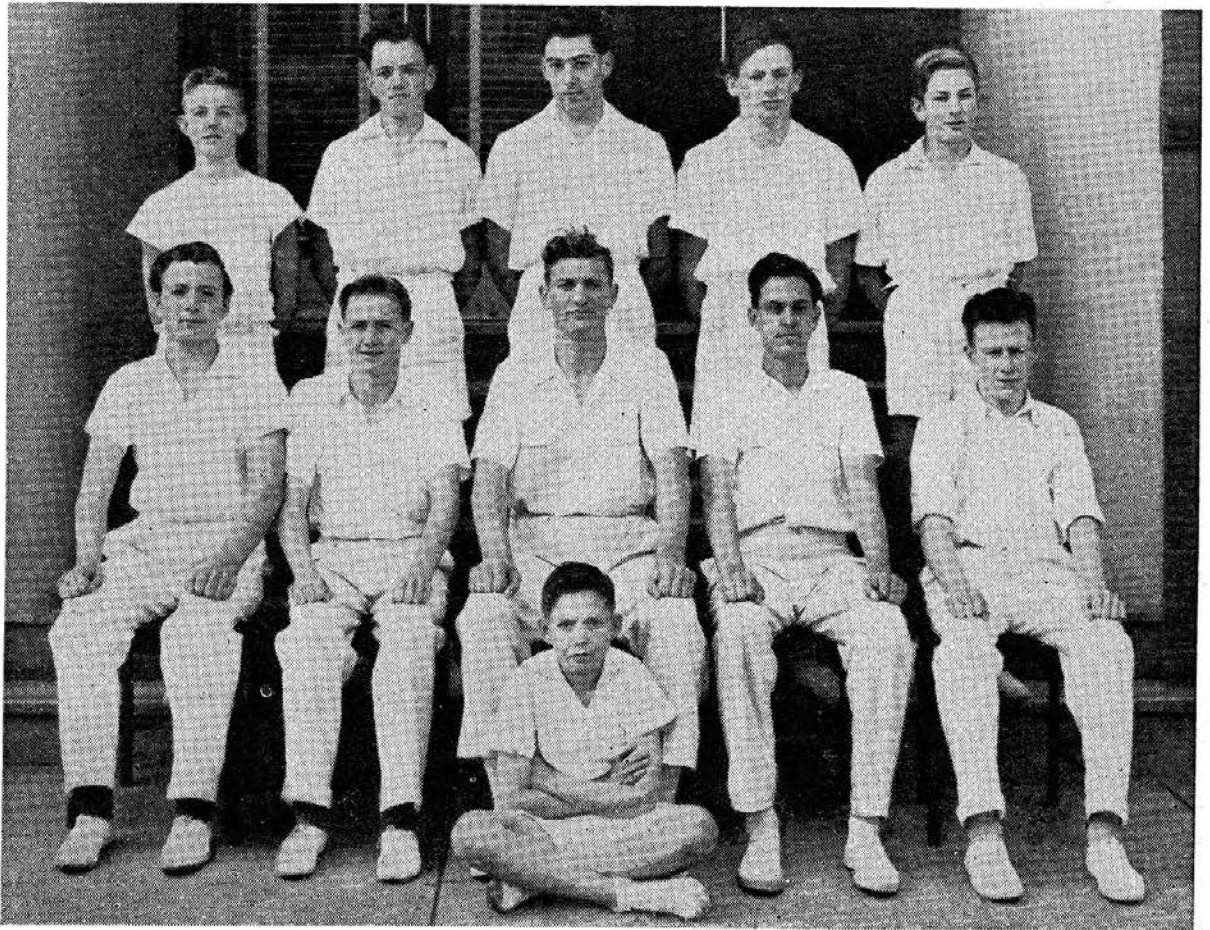

Darlinghurst 154 (J. Gaffey 60, M. Daly 22) defeated Lewisham 126 (K. Maittlen 3 for 26).

This game was one of the most exciting of the season. In reply to Lewisham's 126, we were 8 for 82 when a ninth wicket partnership of 71 by Jim Gaffey and Maurice Daly saved the side.

M.B.H.S. v. M.B.C., RANDWICK

Darlinghurst 63 (B. Fitzpatrick 16) lost to Randwick 3 for 153.

Congratulations to Randwick on winning the competition.

FOOTBALL

(By W.H.)

"A" GRADE

Playing only six out its seven matches, Darlinghurst came fourth in its competition for the season.

The players themselves were not in really good form until half-way through the season, and by then we knew how we stood in the competition. The game missed was the one against Marrickville.

The players themselves stood out in the true Darlinghurst spirit, and no doubt credit should be given to Gordon Fetterplace, who won the blazer for the "best and fairest" forward in the Rest team against Strathfield.

The "half position" was always an uncertain position in our team, but the difficulty was overcome when Pat Sheehan took over, and his performance in the match against Kogarah really took the honours.

The team was also helped by a few stalwarts from last year's team. Among them were the captain, Bill Halcro, Bruno D'Adam, Ken Hamilton, Johnny Lee, and Pat McHugh, the latter just missing selection in the Rest team.

Bill Halcro was also captain of the Rest team. The most improved player from last year's "B" Grade and who played "A" Grade this year was John Slavin. He was tireless in the rucks.

DARLINGHURST v. LEWISHAM

Draw: 6 All.

The game was played on a hard ground, and proved to be the toughest match of the season. Both teams were trying to win and at half time Darlo led 4-0. However, the second half proved the toughest and Darlinghurst was to draw, 6 all. Lewisham scored two tries in the second half. Fetterplace and Hogan both suffered injuries in the game, but kept on playing. Undoubtedly the best player for Darlo was Bruno D'Adam. Lee and Hamilton also played well.

Scorer: Halcro, 3 goals.

RANDWICK v. M.B.H.S.

Lost 7-6.

Darlinghurst were up against a hard team, and knew we had to win to gain a place for premiers. However, we were quickly disillusioned. The superior strength of Randwick's forwards had Darlinghurst on the defensive most of the time. D'Adam and Fetterplace both played particularly well and both scored a try. D'Adam's try was a very convincing one.

Scorers: D'Adam, Fetterplace, tries.

RYDE v. M.B.H.S.

Won 25-0.

This was an easy match, and everybody, before the game, thought so, except one, our coach. We quickly realised how wrong we were, for at half time scores were only 5-0. The second half was played much more earnestly than the first, due to our "pep" talk by our "coach."

Slavin and Fetterplace played well in the forwards; Sheehan, Halcro and Hamilton doing well in the backs.

Scorers: Sheehan, Fetterplace, 2 tries; Slavin, Hamilton and Lee, tries; Halcro, Bolster, goals.

STRATHFIELD v. M.B.H.S.

Lost 12-2.

Strathfield was by far the fastest team of the two, but by no means superior altogether. Darlinghurst had to take defeat, but did not take it lying down. The defence was sound enough but could not keep out the Strathfield speedsters. Through the loss of two players, McCauley and Hogan, Darlinghurst held on and played on soundly through the game.

Our best players were Peoples, McCallum, Sheehan and Hamilton. Halcro kicked a goal.

ASHFIELD v. M.B.H.S.

Lost 5-2.

Playing in mud inches deep, Darlo went down to the strong Ashfield side, 5-2. Conditions were very unfavourable for both teams, and from the start seemed anybody's game. Halcro kicked a goal in the second half, which put Darlo in front, 2-0. McHugh, our flying winger, was pulled down only inches from Ashfield's line. Darlinghurst at this stage was playing far the better football. But the worst came. Near our line the ball was fumbled and Ashfield was quick enough to pounce on it to score under the posts. They converted and made the scores 5-2, in Ashfield's favour.

Best players were Sheehan, Hamilton, McHugh, D'Adam and Slavin.

Peter Skelly, playing his second game in "A" Grade this year, proved a most helpful player.

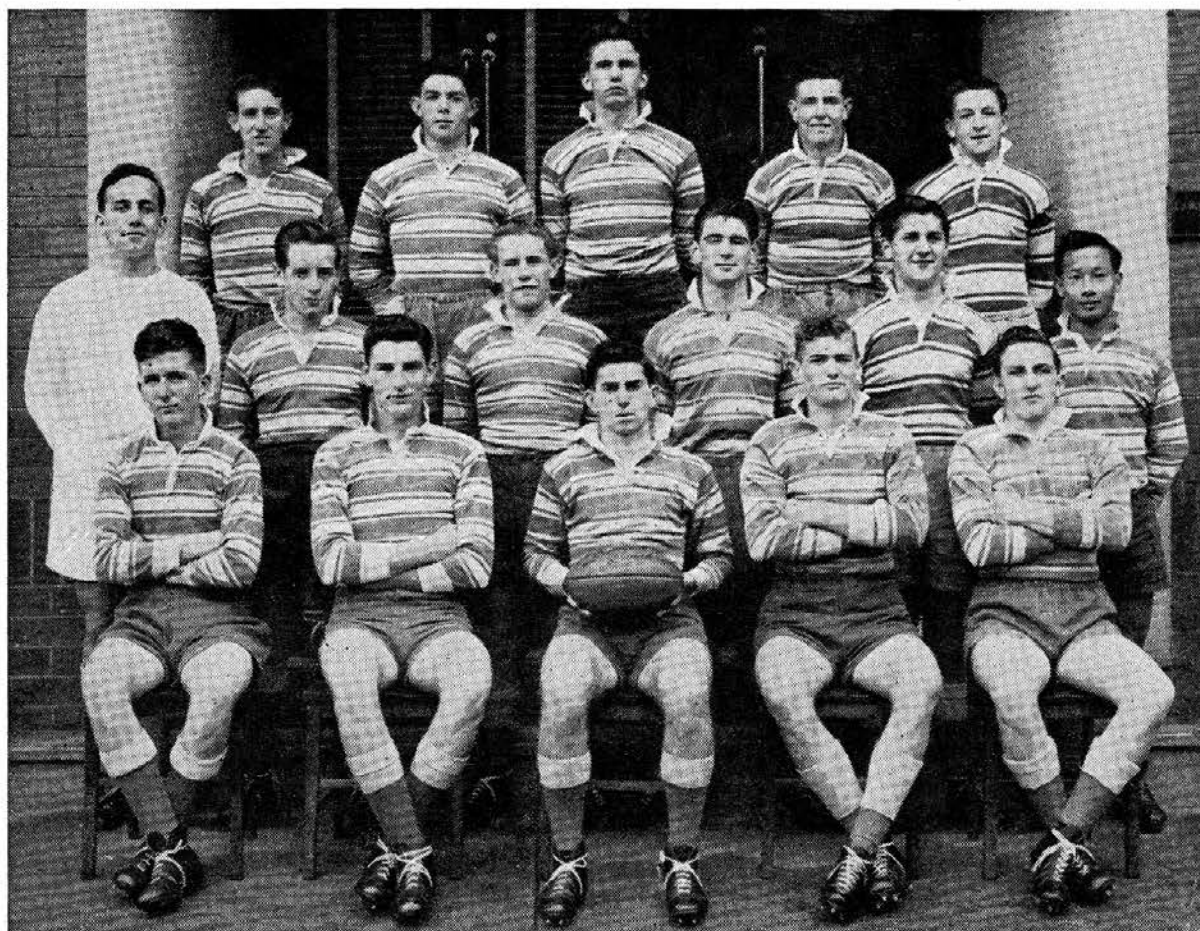

KOGARAH v. M.B.H.S.

Won 10-0.

Like a team inspired, Darlinghurst gave the best display of football seen up to date. Forwards and backs, with no exceptions, played particularly well. The forwards played like demons, and the backs were always quick off the mark.

Sheehan, as half, was the best player on our side. He and Halcro had a really smooth combination. Bolster played excellent as full-back and his tackling and accurate kicking were features of the game. Not much was seen of John throughout the season, but when occasions arrived he was always there to do his share.

Scorers in this game were: Lee, Sheehan, tries; Halcro, goal.

MARRICKVILLE v. DARLINGHURST

Abandoned owing to a forfeit by Marrickville.

PREMIERS v. REST

In this game Halcro and Fetterplace represented the school, Fetterplace being picked as the best forward on the day.

Knockout Competition was abandoned owing to wet weather. Thus football for 1950 came to an end for the Darlinghurst boys.

We thank Mark Trainor and Peter Dignam, who helped the team throughout the season by their good advice and coaching.

EIGHT-STONERS

Brian Fitzpatrick was credited with being the best player in this division. Referees praised Kevin Huggett's excellent tackling, Peter McMaugh's splendid full-back display, Warren Castray's fine work as lock, and outstanding exhibitions by John Kearns, Lionel O'Halloran, John Phillips, Ronald Towson, Carl Moroney, and John Howard.

Charles Townsend, Sidney Hamilton,

Reg. Scott, Tom Downes, John Pass, and Stan Browne made pleasing progress.

M.B.H.S. v. LEWISHAM. Lost 0-8.

Perhaps if we had used to better advantage the numerous penalties awarded us in this thrilling match we would have been victors.

M.B.H.S. v. RYDE. Won 10-3.

All rejoiced when John Howard scored his first try. Ryde proved themselves to be stout opponents, holding the lead until half-time.

Scorers: B. Fitzpatrick, try; J. Howard, try; P. McMaugh, 2 goals.

M.B.H.S. v. RANDWICK. Lost 0-22.

Randwick played wonderful football, having speed and perfect combination. We could not do anything right this day.

M.B.H.S. v. STRATHFIELD. Won 7-2.

This was our hardest and most exciting game. All thoroughly enjoyed this match.

Scorers: B. Fitzpatrick, try; K. Huggett, goal; P. McMaugh, goal.

M.B.H.S. v. ASHFIELD. Lost 5-8.

In spite of unfavourable weather conditions we enjoyed a splendid game with Ashfield.

Scorers: K. Huggett, try and goal.

M.B.H.S. v. KOGARAH. Lost 5-21.

Playing hard and fast football Kogarah defeated us without much opposition. Congratulations, Kogarah! Winners of Eight-Stone Division.

Scorers: J. Howard, try; P. McMaugh, goal.

M.B.H.S. v. MARRICKVILLE. Lost 2-8.

After a very even tussle Marrickville finished victorious.

Scorer: K. Huggett, goal.

We had delightful days at St. Gregory's College, Campbelltown, at Marist Brothers, Auburn, and at Westmead Boys' Home.

We most heartily thank all who enabled us to enjoy such a delightful season of football. All deeply appreciate the generous sacrifice of his time, Mr. Joe Howard made, in order to coach us.

SEVEN-STONE TEAM

This team, which averaged six stone at times, produced some excellent dis-

plays of Rugby. Brian Thornton very ably captained the team.

M.B.H.S. v. LEWISHAM. Lost 3-14.

Scorer: B. Thornton, try.

M.B.H.S. v. RANDWICK. Lost 2-5.

Scorer: B. Thornton, goal.

M.B.H.S. v. RYDE. Lost 0-6.

M.B.H.S. v. STRATHFIELD. Lost 2-14.

Scorer: B. Thornton, goal.

M.B.H.S. v. ASHFIELD. Lost 2-13.

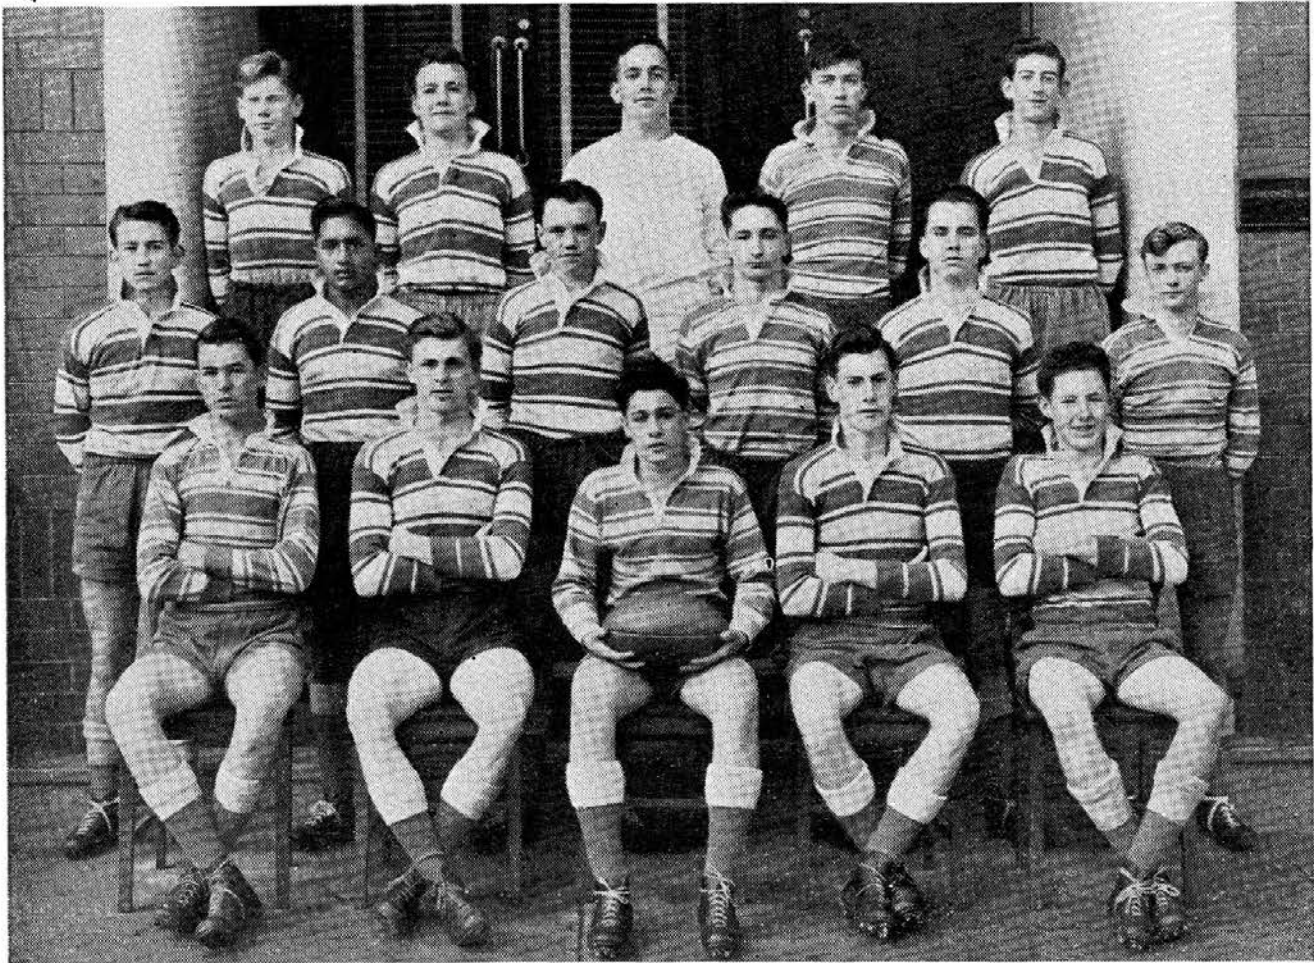

Scorer: B. Thornton, goal.

M.B.H.S. v. KOGARAH: Lost 0-6.

We congratulate the Premiers, M.B.H.S. Randwick.

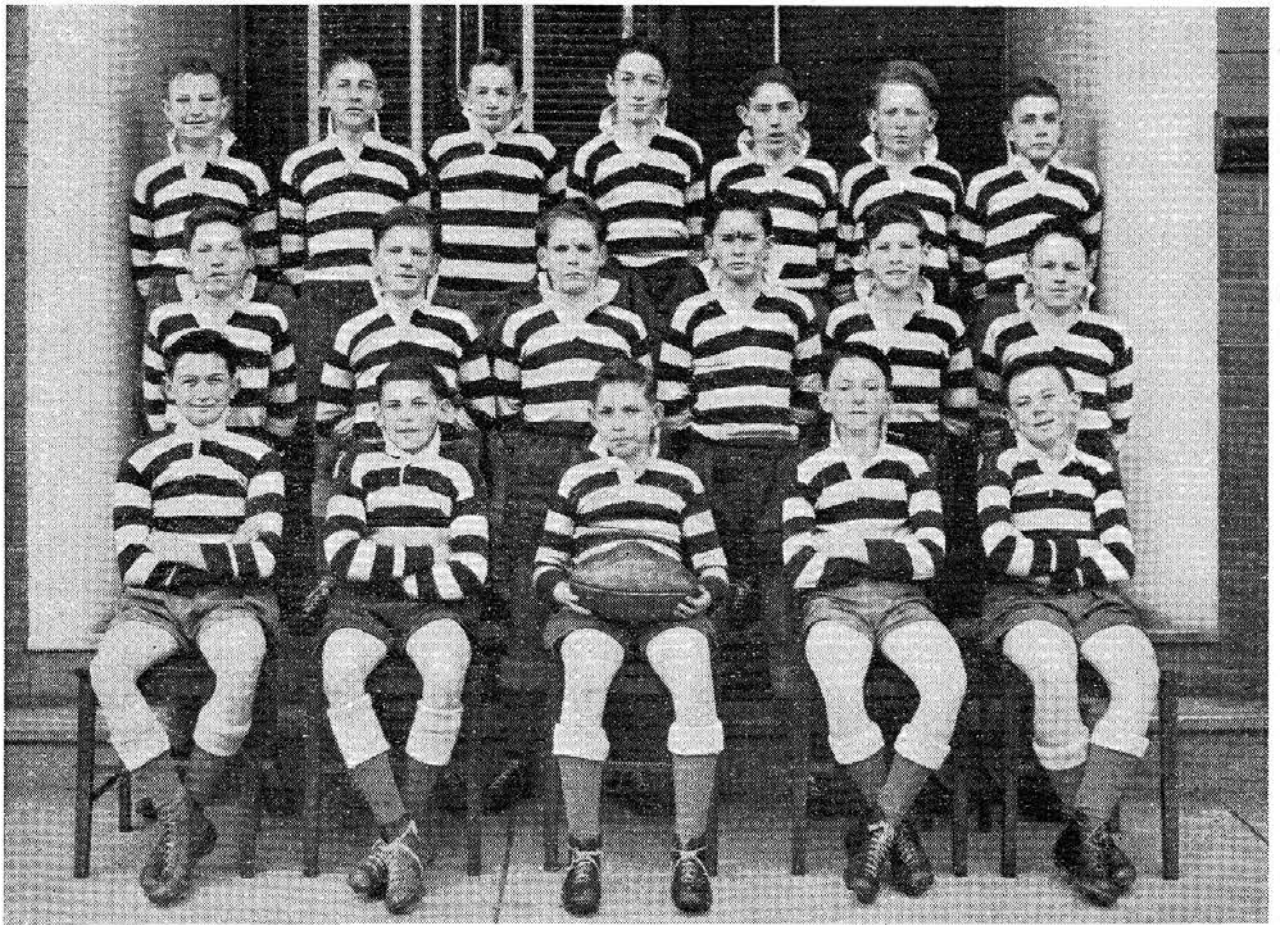

Westmead Boys' Home, St. Patrick's, Church Hill, Marist Brothers' Auburn, and St. Gregory's College, Campbelltown, provided us with enjoyable games.

Thanks to all.

The Parents and Friends' Association

At a meeting held in the School Hall in February, a Parents and Friends' Association was formed "for the purpose of greater contact between the parents and the school, with the object of raising funds to be employed for the benefit of the school." Membership is open to any parent, friend or well-wisher of the school.

Mr. T. O'Halloran was elected President, with Mrs. K. Dawson, Secretary, and Mr. P. Riolo, Treasurer. Mr.

O'Halloran, however, moved to Western Australia during the year, and the Association was deprived with great regret of his enthusiastic leadership. His departure made another election of the Executive necessary, and at the meeting of August 4th Mr. P. Riolo was elected President, Mr. L. Walford, Secretary, and Mr. M. Butler, Treasurer. Vice-Presidents were Mr. H. Dash and Mr. J. Allen, and the Committee members were Mrs. Howard, Mrs. Finn, Mrs.

Harris, Mrs. O'Reilly, Mrs. Butler and Mr. J. Casey. During the year Mrs. Slavin, Mr. E. McMaugh and Mr. J. Chippendale were also on the Executive.

Functions were arranged at least monthly by the Parents and Friends. A Social was held in the School Hall on the last Friday of each month. Through the generosity of one of the members, Mr. Claude Renaud, films were shown in the School Hall on three occasions.

The Association is particularly grateful to Mrs. Ethel Gabriel and her company of actors who very generously and without charge presented four first-class plays for us—"Dear Evelyn," "Trespass," "Blythe Spirit" and "This Happy Breed," the first two in the 2KY Auditorium and the last two in the School Hall. These plays were particularly well acted and produced, and were very well received by the audiences. We must again express our sincere thanks to Mrs. Gabriel and her players.

Financially, the most successful venture was a raffle which the Parents and Friends conducted in the second term. There was an attractive selection of prizes, including special prizes for the boys who sold the most tickets. Paul Butler (of 2nd Year) sold most, followed by Geoffrey Dash (of 3rd Class), John Slavin (5th Year) and Terence Walford (3rd Class).

The Brothers are very grateful to those parents who have been so active and interested in their support of the school; a pressing invitation is extended to all parents of boys at the school to join in with that small band of loyal supporters who were untiring in their efforts during the year to further the cause of the Parents and Friends. The Secretary, Mr. L. Walford, 34 Victoria St., Potts Point, FA 6492, will be pleased to hear from any intending new members.

THE LADIES' AUXILIARY

Excellent work for the School was again done by the Ladies' Auxiliary. The fete organised in October was successful in spite of the bad weather in which it was held.

The Committee comprised: **President**, Mrs. J. Fleming; **Treasurer**, Mrs. F. Dignam; **Secretary**, Mrs. Hartcher; and the following members: Mrs. Keogh, Mrs. S.

Butler, Mrs. Moroney, Mrs. Jamieson, Mrs. Taylor, Mrs. Downes, Mrs. Butler, Mrs. Finn, Mrs. Olive, Mrs. Ryan, Mrs. Heathwood, Mrs. Halcro, Mrs. Tracey, Mrs. O'Donohue, Mrs. Staunton, Mrs. Hoy, Mrs. Hallinan, Mrs. Gain, Mrs. Mather, Mrs. Crocker, Mrs. J. O'Connor, Mrs. Bentley, Mrs. Coates, Mrs. F. O'Connor.

Thanks

In addition to those mentioned elsewhere in these pages, "Blue and Blue" expresses the thanks of the School and the Brothers to the Very Rev. Monsignor Wallace and the priests of Darlinghurst for their zealous administrations on behalf of our boys; to the priests of St. Canice's for their friendly encouragement and help; to Rev. Dr. P. J. Ryan, M.S.C., Chaplain to the Community; to Rev. Fr. McAlpine, O. Carm., and to our many benefactors—Mrs. Slavin and the Canteen workers, the Parents and Friends' Association, the Ladies' Auxiliary, the Old Boys' Union, Miss K. Donovan, Miss L. Adams, Mr. and Mrs. George McCarthy, and all who have helped the School in any way.

THE OLD BOYS' UNION

President: Mr. Sid Cusack.

Secretary: Mr. Alan Goymour.

Treasurer: Mr. George McCarthy.

Permanent Vice-Presidents: His Honor Mr. Justice E. McTiernan, Dr. Richard Flynn, Mr. John Donnelly.

Vice-Presidents: Rev. Br. Edmundus (ex-officio), Senator John Armstrong, Messrs. T. Timmins, W. Wall, E. S. Ogg, J. Ryan, E. Anderson.

Committee: Messrs. P. Dignam, C. Matha, J. Clark, M. Trainor, R. Timmins, R. Yates.

Assistant Secretary: Mr. J. Dennis.

School's Representative: Peter Searle.

Unfortunately it is not possible to review fully in the space available all the activities of the Union during the Jubilee Year. Brief mention only is made of the following:

The Communion Breakfast was attended by one hundred and fifty-six Old Boys. His Lordship Bishop O'Brien presided at the breakfast. The Mass was celebrated by Rev. E. Kelly, M.S.C., who also delivered an inspiring address at the breakfast. The preacher at the Mass was Rev. L. Leahy, O.S.A. Also present were Rev. Frs. Austin Ryan, S.J., and J. Hatton, Rev. Br. Andrew (Provincial), Rev. Bros. Quentin, Alban, Salvius, Vianney and Swithin.

The Jubilee Ball at the Trocadero was attended by 400. Debutantes were presented to Ven. Archdeacon McAuliffe, P.P., and the Lord Mayor and Lady Mayoress, Alderman and Mrs. O'Dea. The High School was represented by Rev. Br. Edmundus (Director) and Rev. Br. Michael.

The Dinner at Cahill's was the first dinner held by the Union since the war. It was attended by representatives of every senior class since 1900, and the old anecdotes were repeated with relish.

The toast of the School was proposed by Mr. Bert Quoye, who attended the High School in the days when it was located near St. Mary's Cathedral. Mr. Quoye spoke eloquently of the School's achievements during the seventy-five years of its existence. He initiated the

historical approach, which was followed by subsequent speakers.

Mr. Quoye was seconded by Mr. Jim Ryan, who dwelt on the records of the School and ex-students in past and present.

Rev. Br. Michael, representing Rev. Br. Edmundus (Director), who was unable to be present, replied on behalf of the School. Br. Michael showed very clearly that the School's glory was by no means a matter of its past history only, but that at present it glowed brighter than ever.

Other speakers included Mr. T. Timmins, who proposed the toast of the Marist Brothers, Mr. George Charker, Mr. J. Hurley, Mr. Allan Goymour, and Mr. Wally Clarke.

Rev. Br. Norbert replied to the toast of the Marist Brothers, and his speech proved to be an extremely popular one with old and young.

The School song provided matter for several "renderings," accompanied by Mr. Wally Clarke at the piano.

Marist Brothers present included Brs. Swithin, Alban, Vianney, Salvius and Norbert.

Other Jubilee functions took place at too late a date to be included in "Blue and Blue." An account of them will be found in the annual report of the O.B.U.

A SPECIAL MESSAGE TO BOYS

From time immemorial many boys have taken the wrong pathway in Life . . . they have chosen a profession to which they have been totally unsuited. Boys have chosen their occupations, and have stuck to them, but have known unhappiness all their lives because they were not in love with their work. You can't make an engineer out of a boy who'd much prefer the transport industry, nor can you make an accountant from the boy who was born to become a salesman.

For 54 years the M.B.C. has been studying the Life and occupational fields, discussing with boys their aims, objectives and desires, and guiding those boys to success and happiness in congenial work.

Are YOU faced with the problem that confronts so many . . . "What is my destiny?" "What am I best fitted for?" Come and have a chat with an M.B.C. Advisory Officer . . . someone who will be interested in you, who will listen with understanding to your ideas, you being under no obligation whatever to take any M.B.C. course.

AT THE M.B.C. YOU CAN . . .

- MATRICULATE for any Profession.
- Study for a Final Degree in ACCOUNTANCY and COMPANY SECRETARIAL Work.
- Take a Personal-attendance Course in SALESMANSHIP and PUBLIC SPEAKING.
- Take a Full Business Course, including Shorthand, Typewriting, Bookkeeping, Office Routine, etc.
- Learn the Modern, Easy, Fast and Reliable Summerhayes SHORTER-hand—or Pitman Shorthand.

*You can safely entrust your future to the
keen, sympathetic, individual guidance of the*
