Standing next to the King  
In the vesture of gold.*

**EDITORIAL**

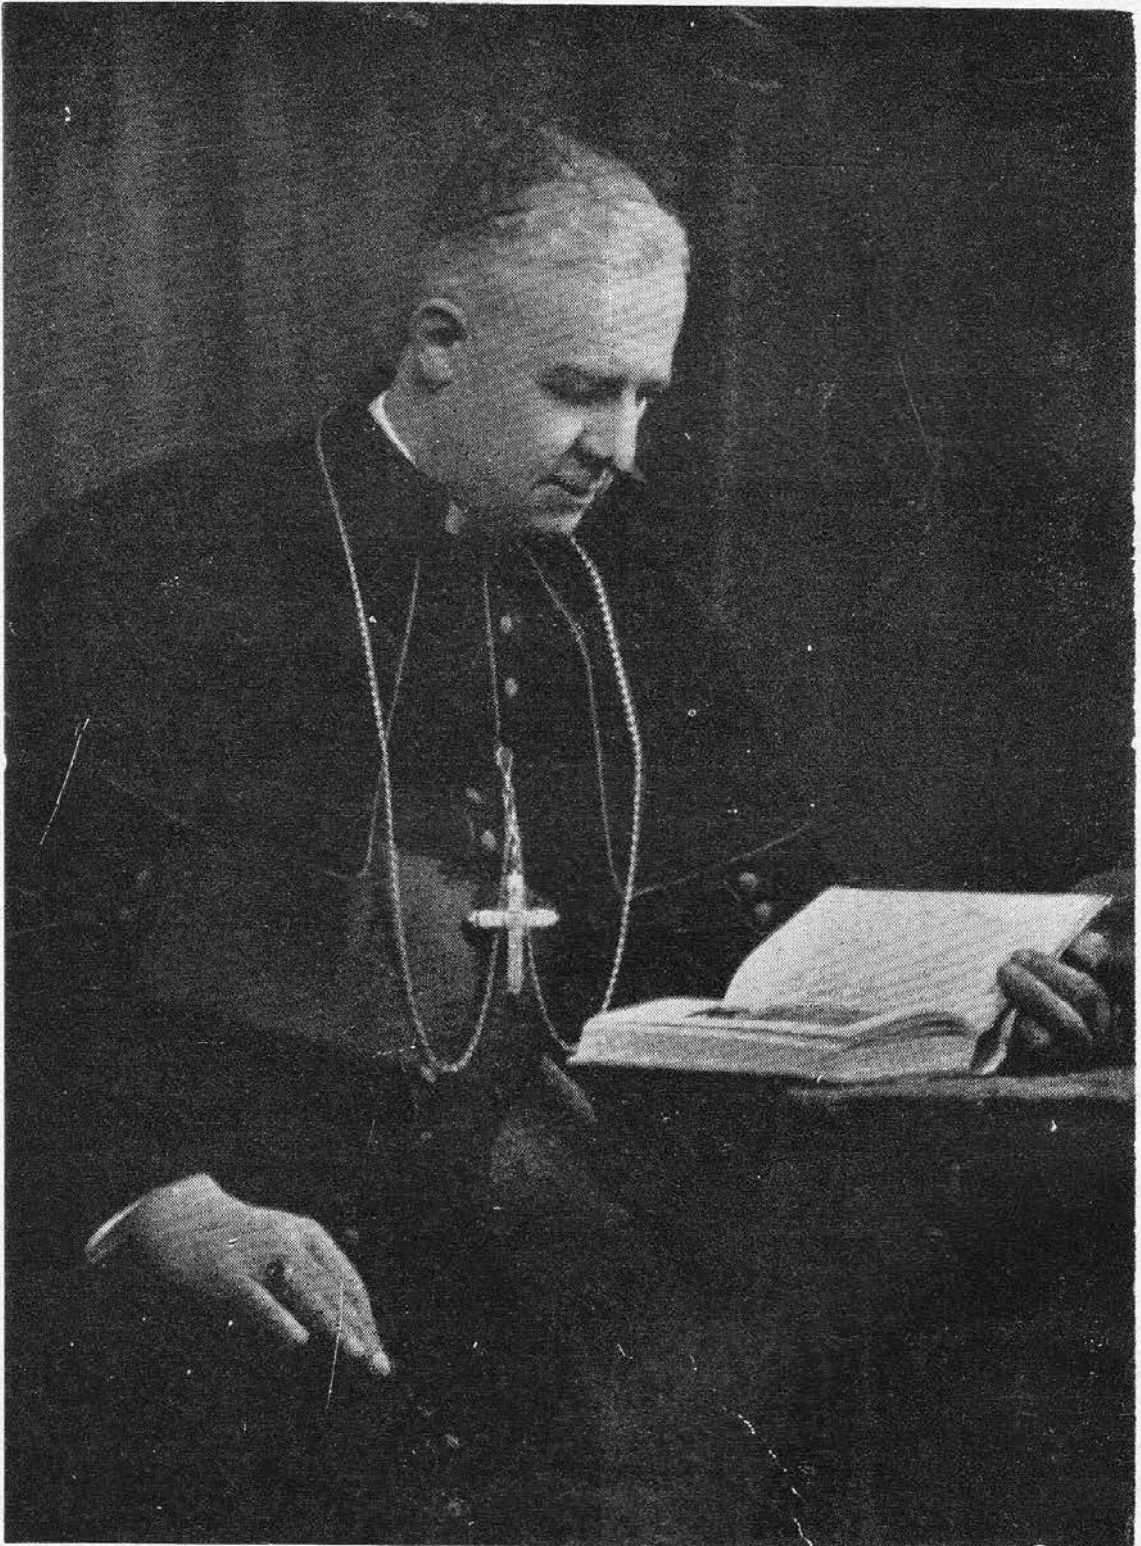

*Nineteen hundred and fifty-one has been the Jubilee Year of the Australian Commonwealth. In surveying with pride our national development during the fifty years since the inauguration of the Commonwealth in 1901, we think, too, of the indispensable work for the nation which has been done in that period by our Catholic schools. As part of the Catholic Education system, the Marist Brothers' High School, Darlinghurst, has, year by year since 1875, sent forth young men to play their part—a glorious part—as Catholic gentlemen in the building of our nation. May we claim to have done our part in fulfilling the hopes of 1901?*

*Speaking at the distribution of prizes for our school on December 16, 1901, His Eminence Cardinal Moran said:*

*“A great foundation has been laid in the century just closed for religious education, not only in New South Wales, but throughout the Commonwealth. The Australian people have shown a heroism of devotion in that cause which I think cannot be surpassed by any Church in Christendom. Their devotion to religious education is to be seen in the schools spread over the length and breadth of the land, in the various religious communities whose whole life is given up to forming to piety the hearts and minds of the children committed to their care. But we must not look only to the past; we are to look more eagerly to the future. ‘Progress’ is our watchword. We must make every success of the past a stepping stone to future development. The new century will see a marvellous development in Catholic schools. I hope that those opposed to Catholic education will at length recognise that our schools are destined to impart that enlightenment which Christian education alone can give, and without which civilisation would be an empty name.”*

*After fifty years, His Eminence's words are even more applicable. The great work goes on, and this magazine records the results of another year in the School's history.*

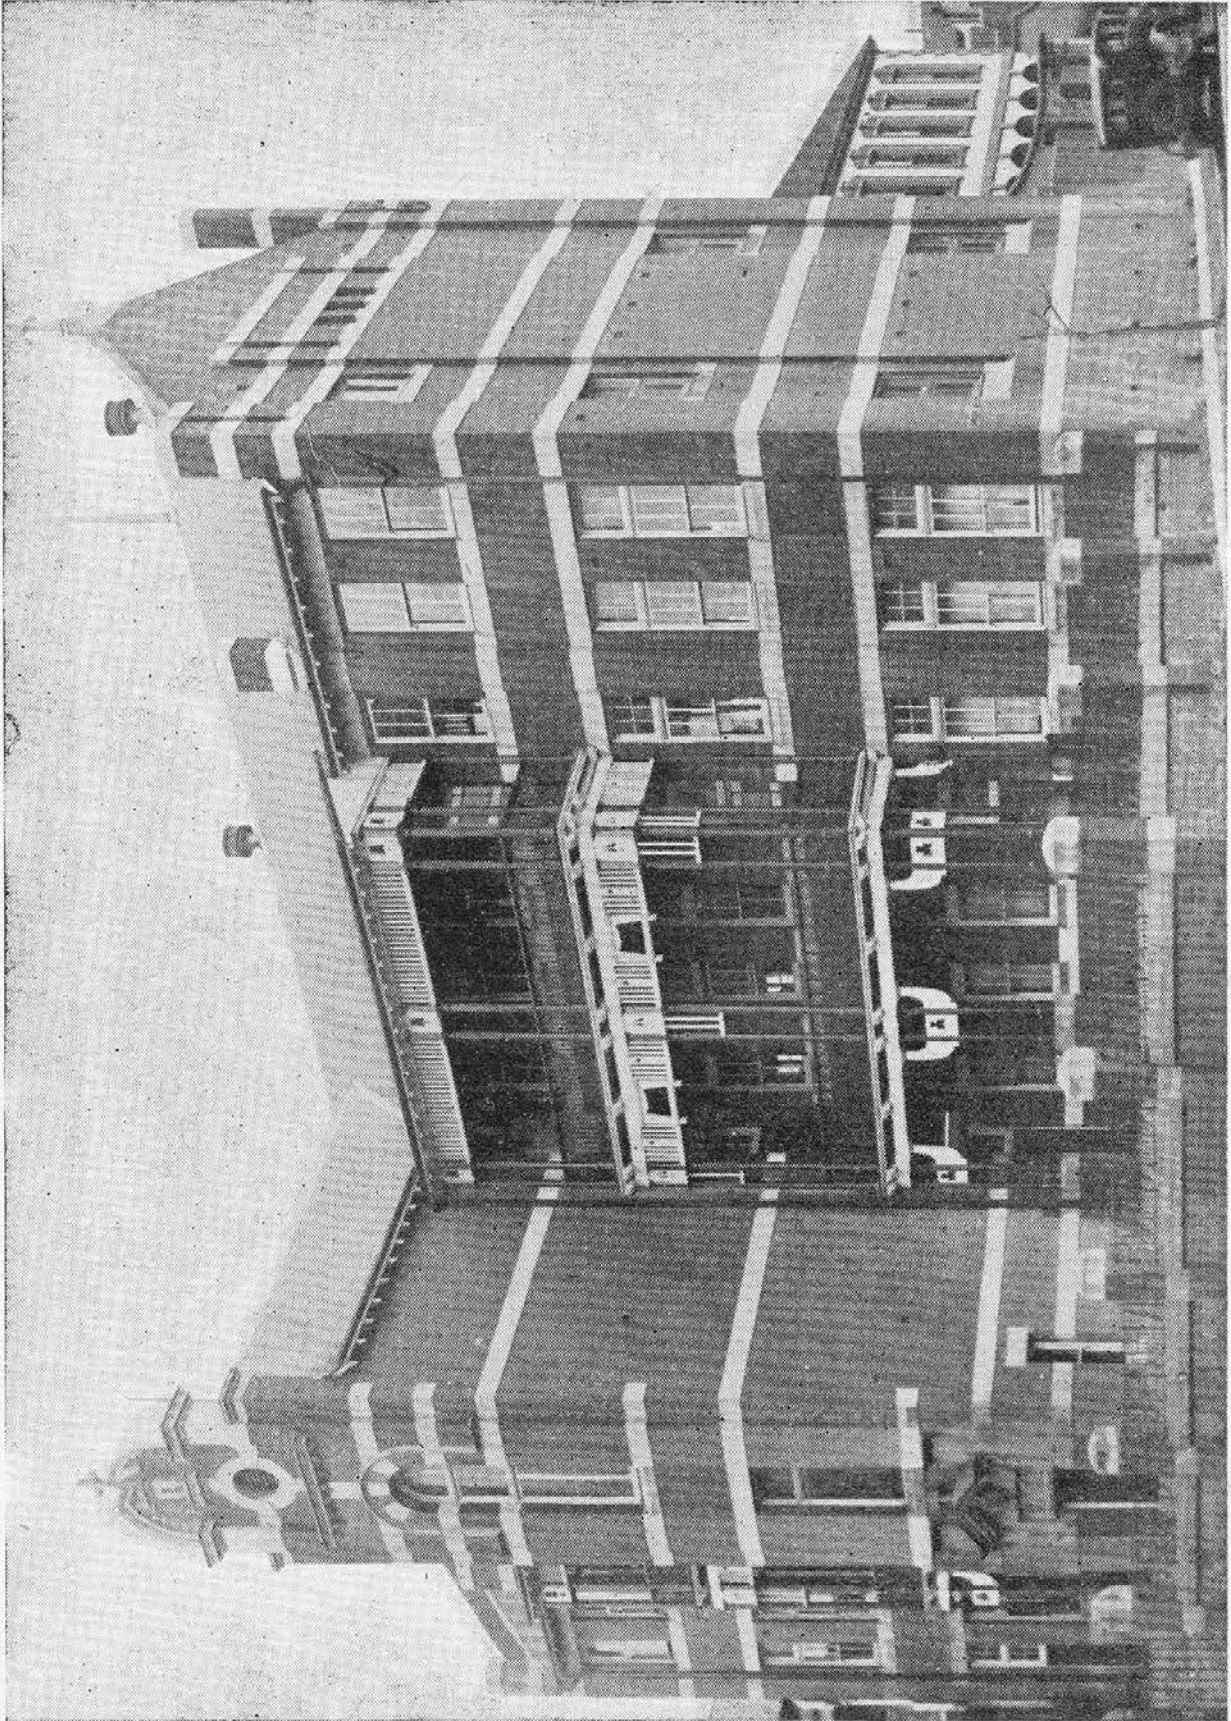

HIS GRACE ARCHBISHOP ERIS O'BRIEN, D.D., Ph.D., M.A.

To His Grace the Most Reverend  
Eris Michael O'Brien, D.D., Ph.D., M.A.,  
Titular Archbishop of Cirro, and Auxiliary to  
His Eminence Cardinal Gilroy,  
the Editors of "Blue and Blue" offer respectful  
felicitations upon his promotion to the Rank of  
Archbishop during 1951.

THE HIGH SCHOOL—1951.

## THE REVEREND BROTHER LEONIDA

### SEVENTH SUPERIOR GENERAL OF THE INSTITUTE

The Brothers and boys of the Marist Brothers' High School, Darlinghurst, unite with the whole Institute of the Marist Brothers in congratulating our beloved Superior-General who, on March 25th of this year, celebrated his Golden Jubilee as a Marist Brother. We look forward with enthusiasm to the day when he may visit his Brothers in Australia. We assure him of our fullest co-operation and earnest prayers, and hope that he will be spared for many years to continue his work as Superior-General of the Institute.

We congratulate also Reverend Brother Mary Justinian, former Provincial of South Africa, on his appointment as Brother Assistant General. We eagerly await his first visit to Australia. Our prayers are offered for the success of his important work for the glory of God and the honour of Our Lady.

To Reverend Brother Clement, who retired this year after more than 20 years as Assistant General and returned to his native Australia, we extend a warm welcome home, and pray that he may, through the goodness of God, spend the evening of his life in the enjoyment of the peace and tranquility which his arduous labours for the Institute have so richly deserved.

Reverend Brother Andrew was re-elected at the beginning of this year to another three years' term as Provincial for the Northern Communities in Australia. Our sincere pleasure in having Brother Andrew at the helm again is equalled by our amazement at his indefatigable devotion and apparently inexhaustible energy in the work of the Institute. Our prayers are continually offered for his intentions.

**REV. BROTHER EDMUNDUS, B.A. (Syd.);  
Dip. Ed. (Melb.).**

Brother Edmundus was Director of the High School for the three years 1948-49-50. At the beginning of this year he was transferred to the Marist Brothers' College, Randwick, where he has the onerous task of directing one of the biggest Catholic High Schools in the State. Those who knew his work at Darlinghurst have no doubt that he will prove more than capable for the task, and we may prophesy a very prosperous period for Randwick during Brother's term as Director. The best wishes of Darlinghurst—from staff, pupils and parents—follow him to Randwick.

On April 14, the Parents and Friends' Association entertained Brother Edmundus at a function in the School Hall and made a presentation to him as a mark of their gratitude and esteem.

The High School owes a great debt of gratitude to Brother Edmundus. One of the most obvious signs of his effective work here was the increase in numbers—there were almost twice as many boys here at the end of his term as there were at the beginning of it. A splendid tone amongst the boys was maintained during his term of office. Brother's ability and success as Headmaster were evident to all observers; but few outside the Community perhaps realised how intensely Brother worked.

Praise of Brother's qualities as a religious, as a scholar, as a teacher, and as a headmaster, would inevitably prove both inadequate to the reader and distasteful to Brother himself.

# VOCATIONS . . .

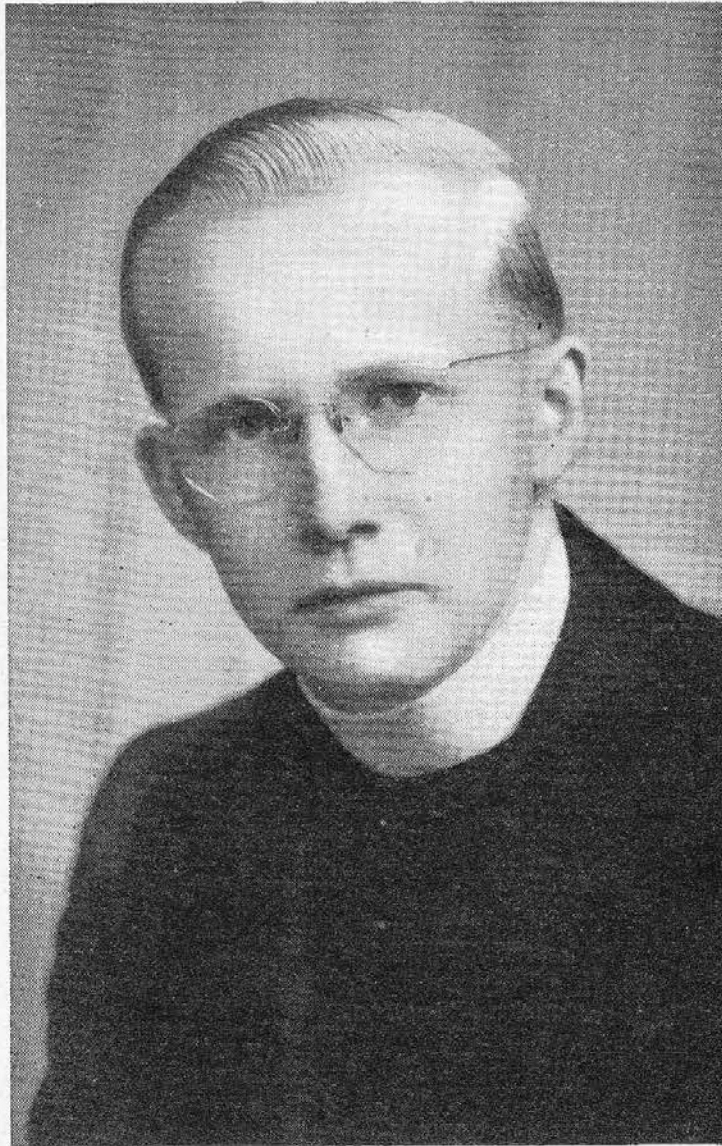

**REV. FATHER PAUL CAHILL.**

## NEWLY ORDAINED PRIESTS

Three former pupils of the Marist Brothers' High School, Darlinghurst, were ordained to the Priesthood during 1951, and three also received the Habit of the Marist Brothers at the Novitiate at Mittagong.

On Thursday, January 4, Rev. Denis Sheridan, S.J., was ordained to the priesthood at St. Mary's Church, North Sydney, by His Eminence Cardinal Gilroy.

Father Sheridan is the son of the late Mr. D. Sheridan and Mrs. F. Sheridan of Lane Cove. He was educated at the Loreto Convent, Kirribilli, at St. Joseph's College, Hunter's Hill, and at the Marist Brothers' High School, Darlinghurst. After leaving school he attended the University of Sydney, graduating in Economics. He was an active member of the Campion and Newman Societies.

**REV. FATHER RONALD HARDEN.**

As a scholastic he taught for a short time at the Xavier Preparatory School, Burke Hall, for one year at St. Patrick's College, East Melbourne, and for two years at St. Louis' School, Perth.

Father Sheridan returned to his former school for the Old Boys' Reunion and Communion Breakfast on Sunday, March 4. Father was the Celebrant of the Mass on that occasion, and preached an excellent sermon to the Old Boys during the Mass. At the subsequent Communion Breakfast, the congratulations of the Brothers and the School were extended to Father Sheridan by the Brother Director, Brother Michael, who also expressed the wish for a long and fruitful apostolate for the young priest, and assured him of the support of their prayers. The President of the Old Boys'

Union, Mr. Syd. Cusack, spoke in a similar strain on behalf of the Old Boys' Union.

Father Sheridan again obliged us on June 1, the Feast of the Sacred Heart, when he visited the school and gave a special instruction at the meeting of the Sodality of the Blessed Virgin Mary.

On Saturday, July 21, two more names were added to the long list of Darlinghurst Old Boy Priests, when His Eminence ordained to the Priesthood at St. Mary's Cathedral Rev. Paul Cahill and Rev. Ronald Harden. Many former classmates of the two young priests, and several Brothers who had taught them at Darlinghurst, were present in the Cathedral, and received their blessings.

Wednesday, July 25, was a memorable day for the boys at the High School,

when Father Cahill and Father Harden returned to their Alma Mater. High Mass "to invoke God's blessing on the Marist Brothers' High School, Darlinghurst," was celebrated in the Sacred Heart Church, Darlinghurst, at 9 a.m. The full school and many Old Boys and parents were present.

Father Cahill was Celebrant and Father Harden Deacon. The Sub-deacon and Master of Ceremonies were Father Basil Rosen and Father Vincent Marley, two recently ordained Old Boys of the School. The Parish Priest, Very Rev. Mgr. T. O. Wallace, who was so very helpful in arranging the High Mass, presided in the sanctuary. Rev. Fr. J. Weaver and Rev. Fr. E. Barrett were also present. The choir included Marist Brothers from Darlinghurst and neighbouring communities. A classmate of the young priests, Rev. Brother James Cox, S.M., from Toongabbie, also assisted in the choir.

The singing of the newly ordained priests and of the choir was warmly commended afterwards by many members of the congregation. Father Harden especially is in his element with ecclesiastical music; he has been the conductor of the Manly Seminary choir during the year for the Holy Week ceremonies and on other occasions.

After the High Mass, Father Cahill and Father Harden were given a welcome in the School Hall. Mr. and Mrs. Harden and Mrs. Cahill, and other relatives and friends of the young priests were present. Brother Michael expressed the pride felt by the School at the ordination of ex-students to the priesthood. All rejoiced that two more Old Boys had accepted the call to the sacred work of the priesthood; it was the fervent wish of all present that Father Cahill and Father Harden would spend long and fruitful lives in the fulfilment of their apostolate. John Vickery, the President of the Sodality in the school, in a fine speech, very adequately expressed the congratulations and good wishes of the

present boys. A presentation of copies of Fortescue's Roman Ritual was made to each priest. Souvenir ordination cards were distributed amongst the boys by the newly ordained, who also imparted their priestly blessing to each boy individually.

Rev. Fr. Paul Francis Cahill is the youngest son of Mrs. A. C. Cahill and the late J. H. Cahill, of Redfern. He is a brother of the late Brother Remigius, of the Marist Brothers. He received his early education from the Sisters of St. Joseph at Rockdale, whence he passed to M.B.H.S., Darlinghurst. In 1942, he entered the Minor Seminary at Springwood.

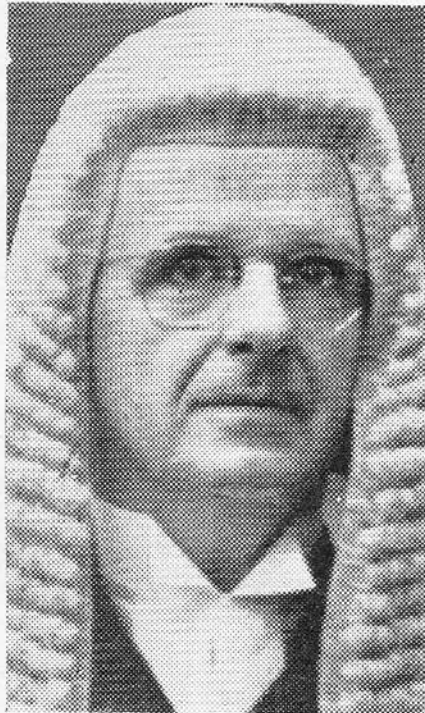

Rev. Fr. Ronald Harden is the only son of Mr. and Mrs. H. Harden, of Bexley. He received his primary education from the Sisters of St. Joseph at Rockdale, and his secondary education at M.B.H.S., Darlinghurst, where he passed the Leaving Certificate in 1944.

#### RECEPTION OF THE HABIT OF THE MARIST BROTHERS

On July 2, the annual ceremony of the Reception of the Habit of the Marist Brothers by the Postulants took place at Mittagong. His Lordship Bishop Lyons, Coadjutor to H.E. Cardinal Gilroy, presided. His Lordship Bishop Aubin, of the South Solomons, was also present. The three Darlinghurst ex-students to receive the Habit and their name in Religion were Hugh McNamara (Brother Oswald Patrick), Noel Dennis (Brother Arnold George), and Kevin Maguire (Brother Brendan Mary). They are now Novices in the Order, and are spending a year's Novitiate in preparation for the taking of their First Vows next July. They are assured of the prayers and good wishes of their former friends at Darlinghurst.

Karl Muller (Brother Remigius) has completed his training at Mittagong, and is now teaching at the Marist Brothers' High School, Eastwood.

# KNIGHTHOOD FOR EX-STUDENT

**THE HON. SIR EDWARD McTIERNAN, K.B.E.**  
Justice of the High Court of Australia.

Sir Edward Aloysius McTiernan, Justice of the High Court of Australia, whose knighthood was announced in the 1951 New Year's Honors List, received his secondary education at the Marist Brothers' High School, Darlinghurst, and has always been outstanding for his loyalty to his old School.

We congratulate Sir Edward McTiernan on the distinction he has been granted. It is evidence of the esteem in which he is held in this country. For many years he has filled important positions in the parliamentary and legal life of the Commonwealth. It is with particular pride that the "Blue and Blue" records this distinction, and extends again to Sir Edward the sincere congratulations of the Brothers and students, present and past, of his old School. We appreciate very much his thoughtfulness in visiting us on several occasions this year.

After completing his secondary studies at Darlinghurst in 1909, Sir Edward entered the Faculty of Arts at Sydney University, becoming an evening student. He joined the Commonwealth Public Service. Soon after graduating in Arts he resigned from the Commonwealth Public Service in order to proceed with his studies in the Faculty of Law. He gained the degree of LL.B. with First Class Honours. Copies of the "Blue and Blue" of those years contain references to his success at the University and his participation in Catholic activities.

He obtained practical experience of the law in some of the leading legal firms in the city, and was appointed Associate to Mr. Justice Rich of the High Court of Australia. He was admitted to the Bar of New South Wales, and practised as a barrister before being elected to the New South Wales Parliament in 1920 for

the constituency of Western Suburbs. He was given Cabinet rank in the Government of the late Mr. John Storey in 1920, as Attorney-General and Minister of Justice. At the time he was the youngest man ever to have held these offices, and the manner in which he carried out his duties soon broke down the prejudice of critics who regarded youthfulness as incompatible with ability.

He was re-elected to Parliament in 1922 and 1925; he was Attorney-General in the Lang Government from 1925 to 1927. He was sent on a diplomatic mission to Europe and America in 1926, and for a period represented the N.S.W. Government in London as Agent-General following the death of Sir Timothy Coghlan.

Resigning from the State Parliament in 1927, Sir Edward resumed practice at the Bar and became a Challis Lecturer in Law at Sydney University Law School. He was elected to the House of Representatives as Member for Parkes in 1928.

In 1930 he was appointed a Justice of the High Court of Australia. His work as a High Court Judge for the last 20 years is well known.

When the Old Boys' Union was re-organised in 1911-12, Sir Edward was a foundation member, and each year afterwards found him filling some post on the

Executive, and being very regular in his attendance at Old Boys' functions. On many such occasions did he speak with warm appreciation of the Marist Brothers and their work. For several years he was President of the Old Boys' Union.

In such an active public life, Sir Edward still found time to show his interest in his old School and the Old Boys' Union. There was scarcely an annual Speech Night at which he did not appear on the platform. It was he who on a memorable occasion in 1919 proposed the vote of thanks to Archbishop Mannix, who had that year presided at the Prize-giving.

Sir Edward was the first President of the Newman Society at Sydney University. For many years he had been secretary of Lewisham Hospital, and his work for the Church was recognized in 1929 when he was honoured by His Holiness Pope Pius XI with the Papal decoration of Privy Chamberlain.

In 1936 he delivered a paper—Christian Tradition in Education—at the Catholic Educational Conference in Adelaide.

His outstanding work has been recognized and rewarded by a Knighthood. May his example be an incentive to the present boys of this school to do their part also in the work of their Church and their Country.

# Christmas Greetings

Sincere Greetings for a Happy Christmas  
and Prosperous New Year.*

# UNIVERSITY

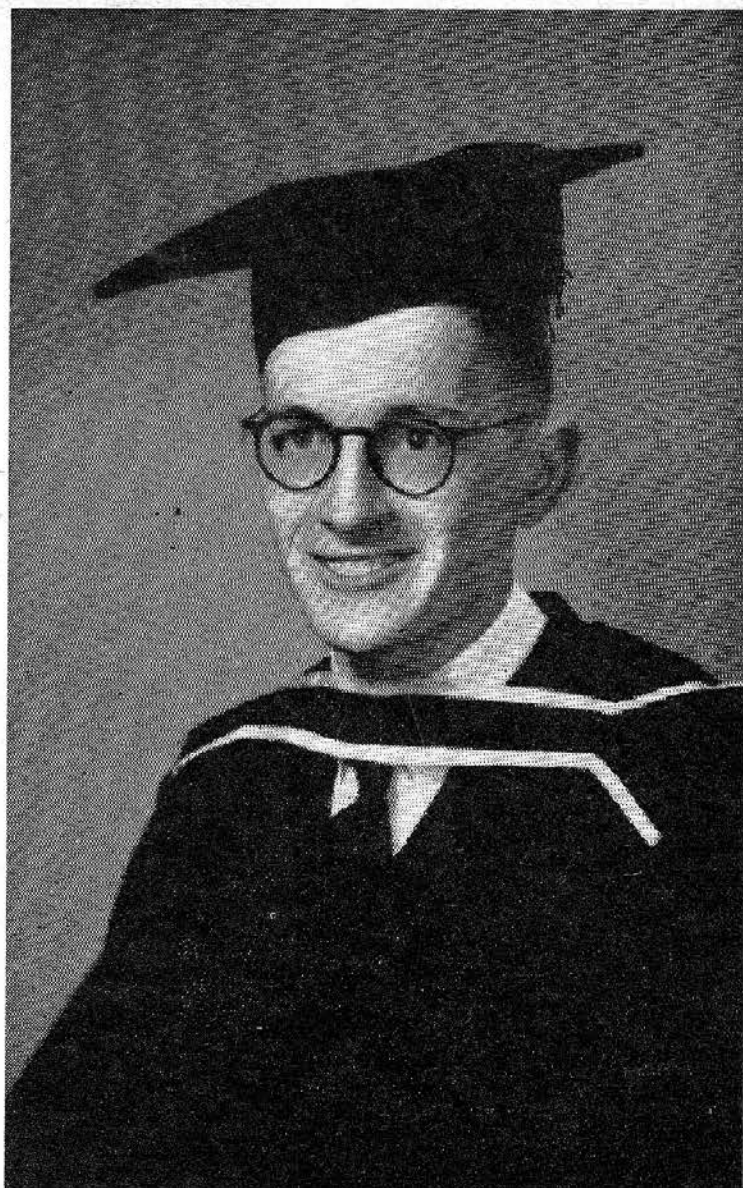

## MEDALLIST

Those who knew John Hallinan during his Secondary School course at Darlinghurst from 1942 to 1946, expected that his University course would be a brilliant one, and their hopes have been amply justified. The award of a University Medal to him is an official indication of the outstanding nature of his talents and ability. The congratulations of the Brothers and boys of his old School are extended to him through the pages of the "Blue and Blue."

John is the son of Mr. and Mrs. M. J. Hallinan, of 65 Dunmore St., Bexley. His secondary education at the Marist Brothers High School, Darlinghurst, concluded with a splendid pass in the Leaving Certificate in 1946, and the winning of an Exhibition.

He entered the Faculty of Science and shone particularly in Mathematics and Geology. Every year of his four-year course saw him at the top of the list in Geology, and on each occasion he won the special award for that subject. He graduated at the beginning of this year as Bachelor of Science with First Class Honours in Geology, being placed first on the Honours list. He was awarded the University Medal for Geology and the Deas Thompson Scholarship for Geology.

John's name was frequently mentioned as the likely Rhodes Scholar for N.S.W. for 1951. Although this honour did not come his way, he was one of the final five from whom the successful applicant was chosen.

**JOHN HALLINAN, B.Sc. (Hons.).**

John is now a Teaching Fellow in the Geology Department of the University of Sydney, and has begun a three years' course leading to a Ph.D. degree. His research work is on reaction between igneous rocks and limestone north of Tamworth, and his field trips often bring him to that area of the State.

John keeps fresh his happy memories of the Brothers and the School. "From the Brothers at Darlinghurst," he writes, "I learnt the joys of study, and any success is due largely to the training at the old School."

We feel confident that there are great triumphs ahead for John in the academic world, and we wish him every success in his work.

# Commonwealth Jubilee Celebrations

**BRIGADIER F. HINTON, M.C., E.D.,**  
Addressing the Cadets at the Flag Ceremony.  
Behind him are Rev. Father Paine and Mr. S.  
Cusack, President of the O.B.U.

The Catholic contribution to the Jubilee celebrations was magnificent. It exceeded the dreams of the most optimistic, and opened the eyes, not only of non-Catholics, but even of many Catholics, to the extent of the Church's work, particularly in the schools. Of the many memorable items, two stand out very vividly—the March of the Children from Catholic Schools through the streets on Thursday, April 19th, and the concluding ceremonies at the Showgrounds on Sunday night, April 22nd.

Our celebrations began on Wednesday, April 18th, with the Flag Ceremony. High Mass was celebrated in the Sacred Heart Church, Darlinghurst, by Monsignor T. O. Wallace, P.P. The Australian Flags presented by the Common-

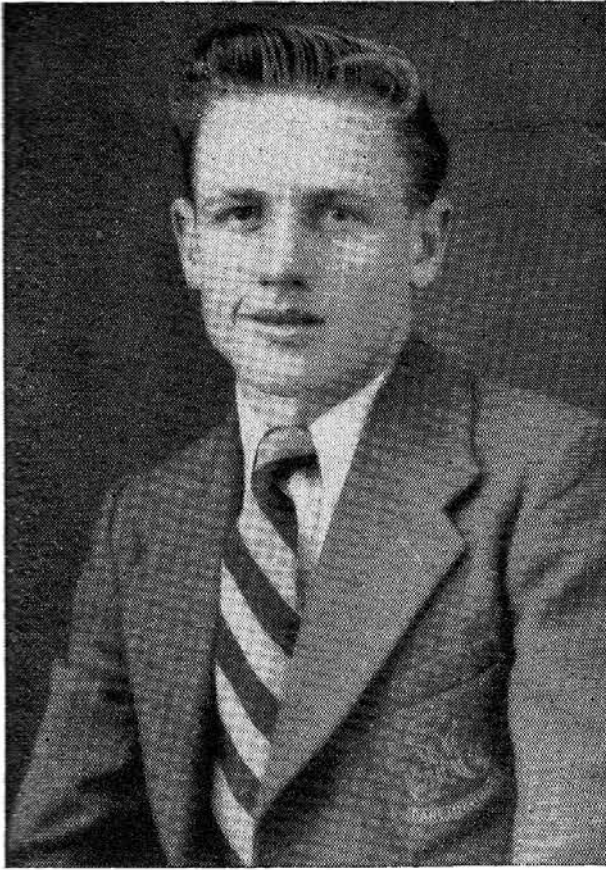

wealth Government were blessed, and the Cadets formed a Guard of Honour at the Sanctuary. His Grace, Archbishop McKeefry, of Wellington, N.Z., preached on the significance of the Flag. Their Lordships, Bishop Liston, of Auckland, and Bishop Kavanagh, of Dunedin, were present in the Sanctuary. After the Mass the Cadet Corps, accompanied by their band, marched to the school grounds where the breaking of the flag took place.

We were privileged to have with us on this occasion Brigadier F. Hinton, M.C., E.D., a distinguished ex-student of the School. He inspected the Cadet Unit and, after a fine speech to them, presented the Jubilee medals.

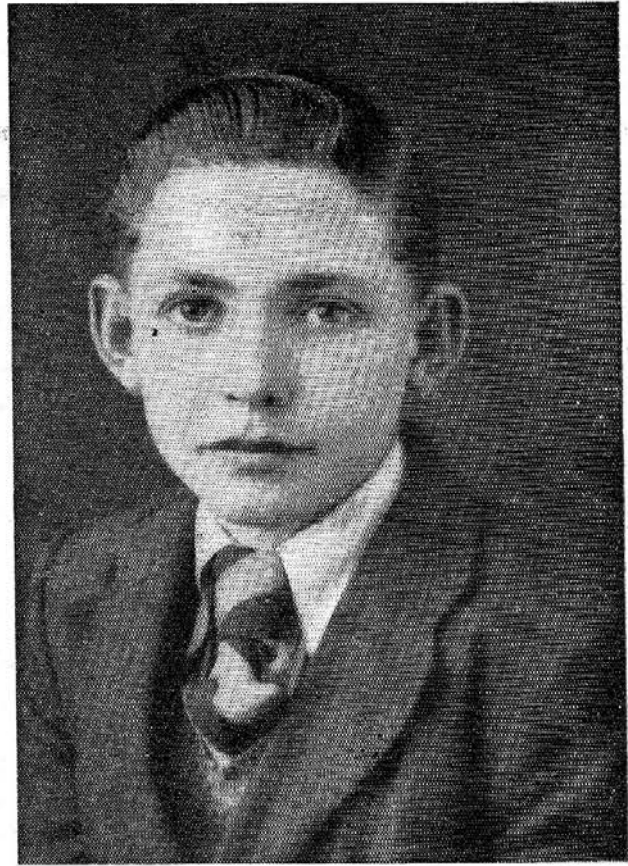

Another ex-student, Rev. Fr. E. Paine, was on the dais, representing the Parish Priest, Mgr. Wallace, who was unable to attend. The President and Treasurer of the Old Boys' Union, Mr. S. Cusack and Mr. G. McCarthy, were also present.

We cannot here adequately describe the March of about 20,000 Catholic children on April 19th. It was a triumph of organisation and a glorious spectacle. After careful preparation, the boys of M.B.H.S.D. acquitted themselves splendidly. The Brothers and boys greatly appreciated, in this regard, the congratulations for their marching extended to them by the Old Boys' Union in a special motion carried at their next meeting.

The March began from the Public Library end of the Domain, went along Macquarie Street, down Martin Place, along George Street to Market Street, and terminated in Hyde Park near St. James' Station. His Excellency the Governor, Lieutenant-General Sir John Northcott, took the salute from a raised platform in Macquarie Street. His Eminence Cardinal Gilroy, His Excellency the Apostolic Delegate, and Archbishop Masterson, of Birmingham, were with the Governor on the dais. On the balcony of Parliament House, behind the dais, forty Archbishops and Bishops were accommodated. The procession, led by Mounted Police, took an hour to pass the

saluting base. Both boys and girls marched with splendid precision, and the bearing and the neat uniforms of all schools brought loud applause. The Cadet units, with their bands and colour parties, came behind the Eastern Command Military Band, the Cadets of St. Joseph's College leading. Then came the boys' schools' groups in school uniform. The Marist schools marched first, led by 400 boys from Randwick and the same number from Parramatta, marching twelve abreast. After the Marist schools came the groups from the schools of the other Orders, according to seniority in Sydney. Before the pupils of each Order a suitable banner was displayed telling the name of the Order. In addition each school or college had its own banner. Bands were interposed at suitable intervals. The boys were a great credit to our schools on this occasion. At the Cenotaph the columns of twelve divided into two columns of six, passing on either

side of the Cenotaph and saluting. All this was done with excellent precision. A temporary downpour caught some of the girls' contingents at the rear of the procession, but was not sufficient to interfere seriously with the march nor to spoil the general effect.

# THE SODALITY OF THE BLESSED VIRGIN MARY

By JOHN VICKERY, *President.*

The main aims of the Sodality are Prayer and Action through Our Lady. It was pleasing to note the fervour and enthusiasm with which these aims were carried out.

On the Feast of the Purification of the Blessed Virgin the Sodality held its first meeting of the year and, after reciting the Office, the members elected the officers as follows:—

**President:** John Vickery.  
**Vice-President:** James Hammond.  
**Secretary:** Warren Castray.  
**Treasurer:** John Howard.  
**Councillor:** Joseph Noel.

The first duty of the officers was to select the various groups and their leaders. Under the guidance of Brother Michael the following were selected:—

1. Catholic Literature Group, under W. Kain, which was responsible for the sale or loan of C.T.S. pamphlets and the Sodality Monthly, the "Madonna."
2. Lives of the Saints Group, led by W. Bourke, which gathered information on the Saints, especially those who died young; members of this group occasionally gave talks on these Saints.
3. The Missions Group, under L. Loker, which aimed at assisting the Missions. This group wrote to Monsignor Thomas, National Director of the Propagation of the Faith, who generously suggested that he attend a Sodality Meeting, and instructed us on how best to assist the Missions.
4. The Rosary Crusade and Fatima Group, managed by R. Clement, which

had notable success in supplying Rosary beads to the boys. They also displayed on the notice-board information regarding Our Lady of Fatima and the Rosary.

The Group leaders are to be commended for the amount of work and time they put into their Sodality activities; the members are also to be congratulated for their ready co-operation.

Brother Michael gave some excellent talks during the year, as did some of the Sodalists. Supplementing these talks were instructions given by visiting priests, and by the Brother Provincial, Rev. Brother Andrew, who gave us an interesting instruction on the value of the Little Office of the B.V.M.

Other activities of the Sodality included a visit to St. Mary's Cathedral to gain the Holy Year Indulgence, and, on another occasion, to take part in a Day of Reparation to the Sacred Heart, on June 8th, when we followed the devotions conducted by Rev. Dr. Rumble, M.S.C.; also the maintenance of an altar in the School Hall during October, the Month of the Rosary.

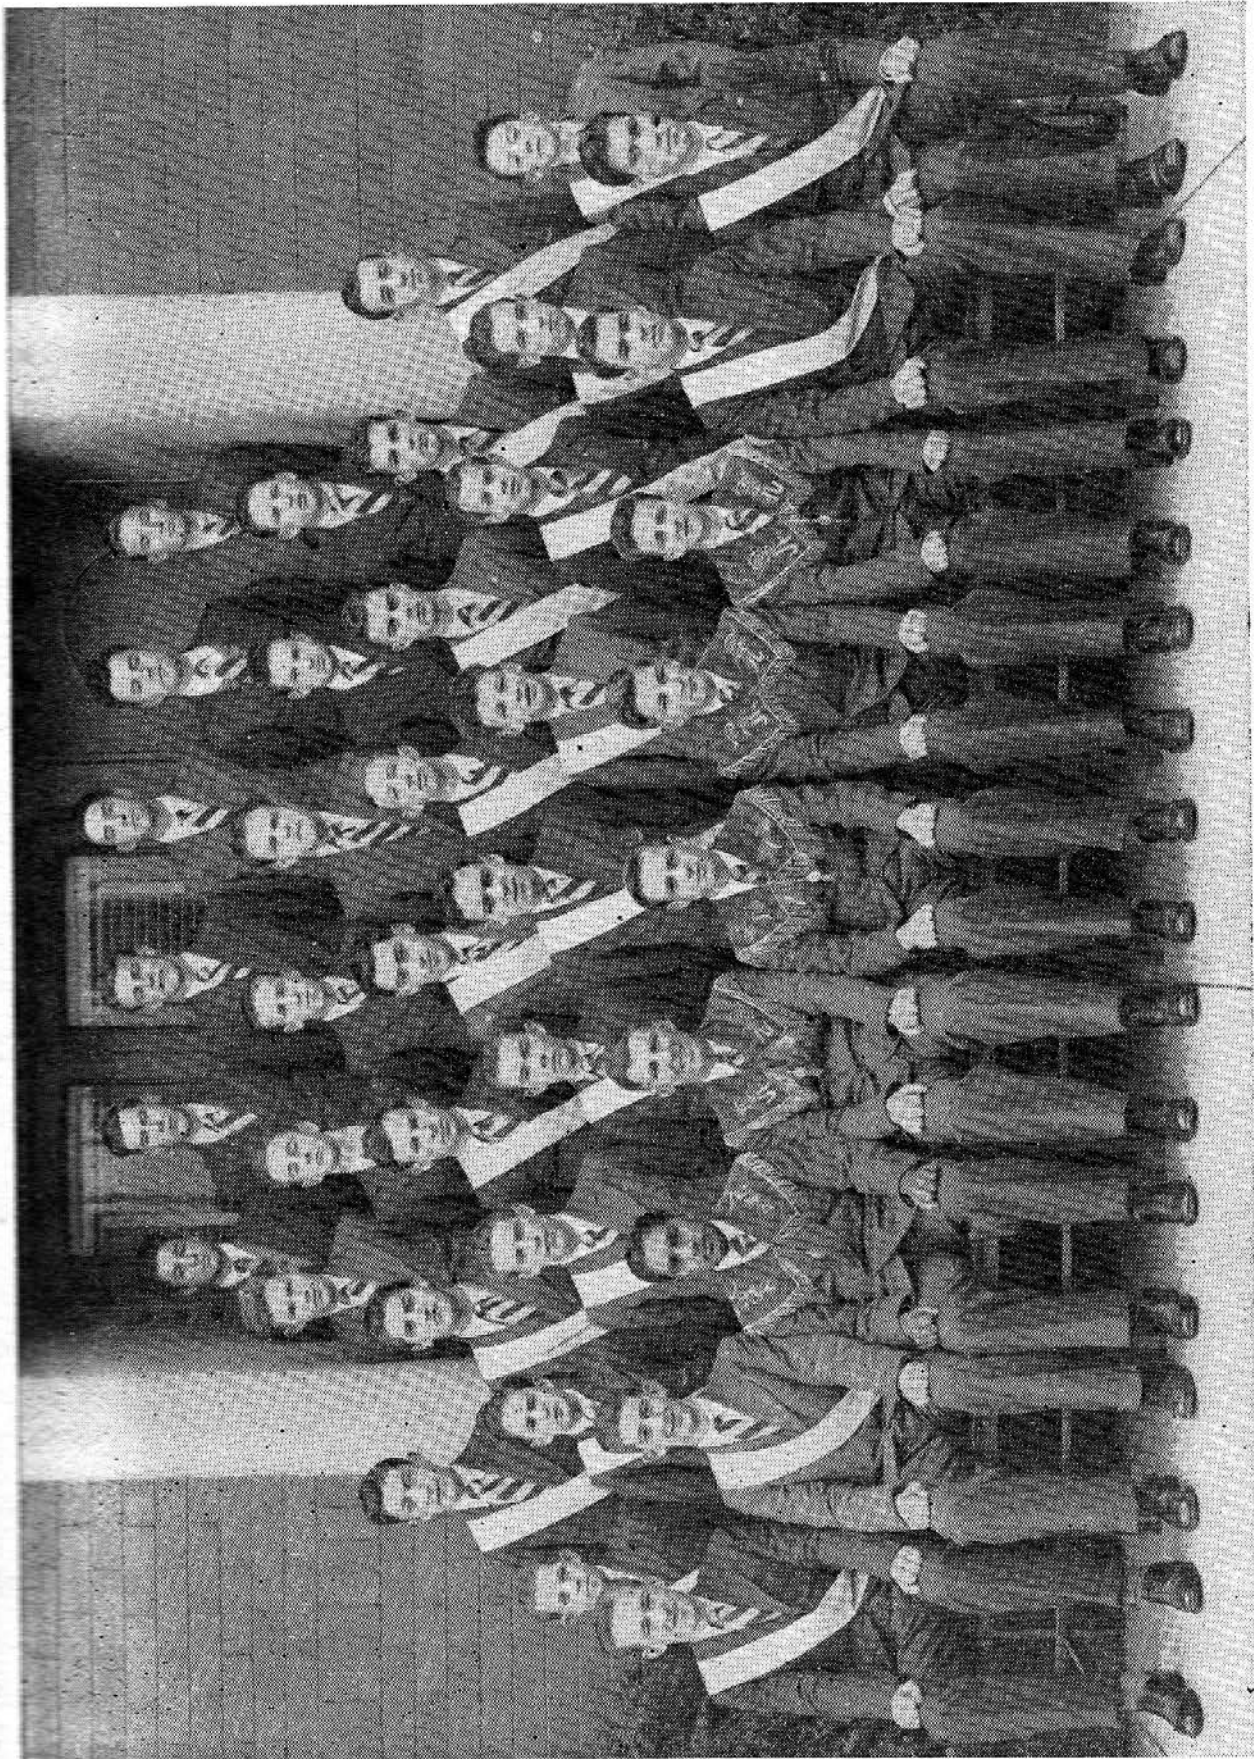

The members of the Sodality are most grateful to Rev. Father Buist, C.S.S.R., for his excellent lectures and advice given in the course of the annual retreat.

Especially do we thank our Director, Brother Michael, who gave much of his time to help and advise us, and it is to him that we owe the successful fulfillment of the aims and ideals of the Sodality.

# Senior Cadet Unit

At the opening of the school year the Cadet Unit was faced with a particular difficulty due to the fact that the Officers and senior N.C.O.'s of 1950 had all left school. It would have been detrimental to the efficiency and wellbeing of the Unit to fill these important posts with Cadets who had had little previous experience in leadership and teaching, had it not been for the enthusiasm and self-sacrificing efforts of the new Officers and N.C.O.'s. From the latter part of January until the Marching Out Parade there was always evidence of keen co-operation and preparation of work that have done much to make the year's work a success.

## PARADE OF JUBILEE

Our first public appearance took place before school opened when we participated in the Cavalcade of Jubilee on the 29th January. The keenness of the Cadets was shown by the large number who turned up for the preparatory Parade and by the fine bearing of the M.B.H.S. Cadets during the long march through the City and at the Parade on the Show Ground.

## N.C.O. COURSE

To help to overcome our lack of trained personnel Brigade and Battalion authorities kindly arranged for a special N.C.O. Course to be held at Glenfield during the Easter Vacation. Our Staff Instructor, assisted by Cdt./Lt. E. Gracie, seconded from M.B.C. Randwick Unit, put ten Cadets through a thorough Course at the conclusion of which it was possible to confirm the promotions of Sgt. R. Clement, Sgt. J. Wright, Cpl. L. Loker, Cpl. J. Nesbitt, Cpl. C. Moroney, Cpl. J. Small, Cpl. B. Berkery, L/Cpl. G. Faehrmann, L/Cpl. B. White, L/Cpl. B. Cannon.

## JUBILEE CELEBRATIONS

The Cadet Unit was the backbone of the M.B.H.S. participation in the Catholic Jubilee Celebrations. We are grateful to Mr. Crawley for the care and time he took in the preparation of the

Band. Cdt./Lt. Kelly commanded the Parade on Wednesday the 18th April with the assurance and precision of a veteran, while the perfection of the ceremonial procedure on the Wednesday and the following Sunday night gave evidence of the thoroughness that Sgt. M. Daly had put into this aspect of training.

## ANZAC DAY

The impressive ceremonial attached to the solemn commemoration of Anzac Day was carried out in full at the Sacred Heart Church, Darlinghurst. From the first steps of the Slow March of the Catafalque Party and Guard before the Requiem Mass, to the Royal Salute to Christ the King at the Consecration, until the final solemn echoes of the Last Post died away the crowded congregation, which included large numbers of ex-Servicemen, was greatly impressed with the steadiness and dignity of bearing of the Cadets.

After a simple and sincere ceremony at the School the Brother Director and the officers entertained the Guard and the Band to Morning Tea.

## ANNUAL CAMP

The Annual Camp this year was of short duration and was held at Gan Gan during the First Term Vacation. Volumes could be written concerning the experiences of First Year Cadets, many of whom were away from home for the first time. We must, however, confine ourselves to enumerating the events of outstanding importance.

The Unit owes a debt of gratitude to Capt. C. Howard, of M.B.H.S. Kogarah Unit, who gave up his holiday to assist us in Camp and whose efficiency in organisation helped our arrangements to run smoothly.

The Field Firing Day was interesting and instructive. The Training Officer is to be congratulated on the efficient organisation of the whole day. A. Cdt./Lt. R. Byrne gave us an outstanding demonstration of marksmanship with the .303 and of efficiency in handling the 3" Mortar.

#### OFFICERS AND N.C.O.'s.

**BACK ROW:** Cpl. K. Kain, L/Cpl. R. Brayan, Cpl. J. Nesbitt, Cpl. B. Ogg, Cpl. R. Martin.  
**THIRD ROW:** L/Cpl. W. Slapp, L/Cpl. B. White, Cpl. L. Loker, Cpl. C. Moroney, L/Cpl. J. Pass, Cpl. B. Berkery, L/Cpl. B. Cannon.  
**SECOND ROW:** L/Cpl. P. McMaugh, Sgt. J. Wright, Sgt. K. Maittlen, Sgt. M. Daly, Sgt. R. Clement, Cpl. J. Small.  
**FRONT ROW:** S/Sgt. T. Shiel, A/Cdt/Lt. R. Byrne, Cdt/Lt. B. Kelly, W/O. J. Noel, Sgt. J. Howard.

The March Past took place on Thursday, the 10th May. G.O.C. Eastern Command inspected the Parade and later gave an inspiring address to the Cadets. The ceremony of the Changing of the Guard was an interesting feature of the Camp. Cadets from M.B.H.S. realised that they had to uphold the traditions of previous Guards from Darlington so that our Guard and the members of the Band put much spare time into rehearsal. These extra efforts were rewarded by a high standard of performance. In fact, Drum Major Howard and his Bandsmen were later called on to supply music for the Guards from other Units.

Undoubtedly the hardest worked man

in the whole Unit was our capable sergeant-major, W/O. J. Noel. W/O Noel was on the job from before Reveille till well after Lights Out. That he was able to maintain strict discipline and still remain the most popular member of the Unit speaks volumes for his qualities of leadership and pleasing personality.

Although in many respects Camp arrangements were not entirely satisfactory the difficulties confronting 2 Cadet Bde. this year in providing any Camp accommodation at all have to be considered and under the circumstances we consider that we are indebted to the authorities for courteous and efficient help throughout the Camp period.

### SPECIALIST COURSES

When the rest of the Unit travelled north to encamp by the shores of Nelson's Bay at Camp Gan Gan, Cpl. McMaugh and L/Cpl. Faehrmann took part in Specialist Courses much closer to home at Holsworthy. Both our representatives were successful, Cpl. McMaugh securing a Credit Pass in Mortar Training and L/Cpl. Faehrmann qualifying in Sigs.

### CHAMPAGNAT DAY

At M.B.H.S., Champagnat Day this year was solemnised by a Ceremonial Changing of the Guard. This ceremony took place in the presence of a distinguished Old Boy, Brigadier F. Hinton, who expressed himself very pleased with the deportment and conduct of the Cadets, in spite of the inclemency of the weather.

### VISIT TO CANBERRA

Cpl. McMaugh and L/Cpl. White were selected to represent this Unit at the Opening of Federal Parliament in August. We are grateful to Capt. L. Skewes for keeping an eye on our Cadets during their stay in the Federal Capital. We also appreciate very much the gesture on the part of 2 Cdt. Bde. in creating this opportunity for Cadets to participate in this phase of Jubilee Celebration.

### THE BAND

It is quite true that the whole neighbourhood of M.B.H.S. has taken great interest in our Band. It is also true that this interest has not always been of a friendly nature. In fact, expressions of disapproval took such active form that Sgt. Howard and his men were sometimes subjected to great indignities during the course of rehearsals, the buglers in particular often being martyrs to the cause of martial music.

The most unfriendly critics, however, could have nothing but praise for the performances of the Band during the Jubilee Celebrations and at the ceremonial parades held during the year. The playing of the Royal Salute and the Last Post by Cpl. Berkery, L/Cpl. Slapp, L/Cpl. Cannon and Bugler Wright at Sacred Heart Church on Anzac Day was most impressive.

As much of the success of the percussion section depends on the Bass Drummer, Cdt. Thornton is to be congratulated on the capable manner in which he bore this heavy burden.

### APPRECIATION

The Senior Cadet Unit is grateful to all who have assisted in the smooth running of its activities during 1951. To the Brother Director of M.B.H.S., Rev. Brother Michael, the Unit is indebted for much sympathetic help and advice. The reorganisation of Timetable and scholastic arrangements to further the interests of the Cadets has been at times a matter of great inconvenience and yet Bro. Michael's practical support and co-operation has constantly been an inspiration to the Cadets.

VERY REV. MONSIGNOR WALLACE. Monsignor has always taken a kindly interest in Cadet activities. This year, when ceremonial brought the Cadets as a Unit more frequently to the Church, it was the practical co-operation of Monsignor that was instrumental in overcoming all difficulties. The Unit is pleased to place itself at Monsignor's disposal and to assure him that if at any time he wishes the services of the Senior Cadet Unit of M.B.H.S. he has but to say the word.

BRIGADIER HINTON. Brigadier F. Hinton, himself an Old Boy of M.B.H.S., has been most generous with his time and encouragement. It is to be hoped that some present members of the Unit will be attracted to the Army as a career and emulate the achievements of this illustrious Old Boy.

S/Sgt. BARR. The enthusiasm and interest of S/Sgt. Barr of 2 Cdt. Bde. have again shown themselves this year in the vast improvement of our Buglers. Staff S/Sgt. Barr's love of young people and his desire to help them have for a long time been a byword in Cadet circles and Officers of Cadets feel that it is in the nature of an honour for their Units to be visited by S/Sgt. Barr. It is to be hoped that the services of this devoted Instructor will be retained for a long time in the future.

S/Sgt. CONNOLLY and his successor, R.S.M. Osborne, for their constant help and instruction.

**CAPT. W. MAHONEY.** Very rarely does a Unit have to trouble the Battalion Commander to the extent that this Unit did this year. Captain Mahoney, the genial C.O. of 7 Cadet Battalion, has been untiring in his efforts to help us keep up our standards of efficiency. It is more than gratifying to find the Battalion

Commander going out of his way to oblige a small Unit and it is, no doubt, the secret of Captain Mahoney's ability to inspire loyalty that no difficulty is too small for him to attend to personally.

To S.O.S.C., Eastern Command, and to all the members of the Staff who have assisted us in any way the Unit expresses its gratitude, with the hope that the efforts expended will in some measure be repaid by increased efficiency and success of the Unit.

# Football

The A. Grade Team this year failed to win the premiership, but were capable of splendid football. The boys were greatly assisted by the coaching they received from Mr. E. S. Ogg, himself one of the most famous footballers to have played for the school. At great inconvenience to himself, he gave the team the benefits of his experience, and we are very grateful to him for his efforts.

### DARLINGHURST v. H.C.C., RYDE

After a hard tussle with Holy Cross College, Darlington emerged victorious with the score at 7-5. (R. Byrne, 2 goals; R. Whittaker, 1 try.)

### DARLINGHURST v. C.B.H.S., LEWISHAM

Playing under unusually wet conditions, Darlington forced the score to 9-2 to defeat Lewisham. All the team played well. (P. Skelly, C. Driscoll, P. McHugh, tries.)

### DARLINGHURST v. M.B.C., RANDWICK

Brilliant forward work by the Randwick boys caused our defeat. Randwick 12, Darlington 6. (C. Driscoll, F. Connolly, tries.)

### DARLINGHURST v. M.B.H.S., KOGARAH

Darlington's forwards failed, and some weak tackling let Kogarah through on several occasions. Kogarah 19, Darlington 8. (P. McHugh, P. Teerman, tries; F. Connolly, goal.)

### DARLINGHURST v. D.L.S.C., ASHFIELD

Our boys combined splendidly during the first half. Ashfield made a determined bid to overtake our score and had us really worried towards the end of the game. Darlington 14, Ashfield 8. (C. Driscoll, P. McHugh, tries; R. Byrne, 4 goals.)

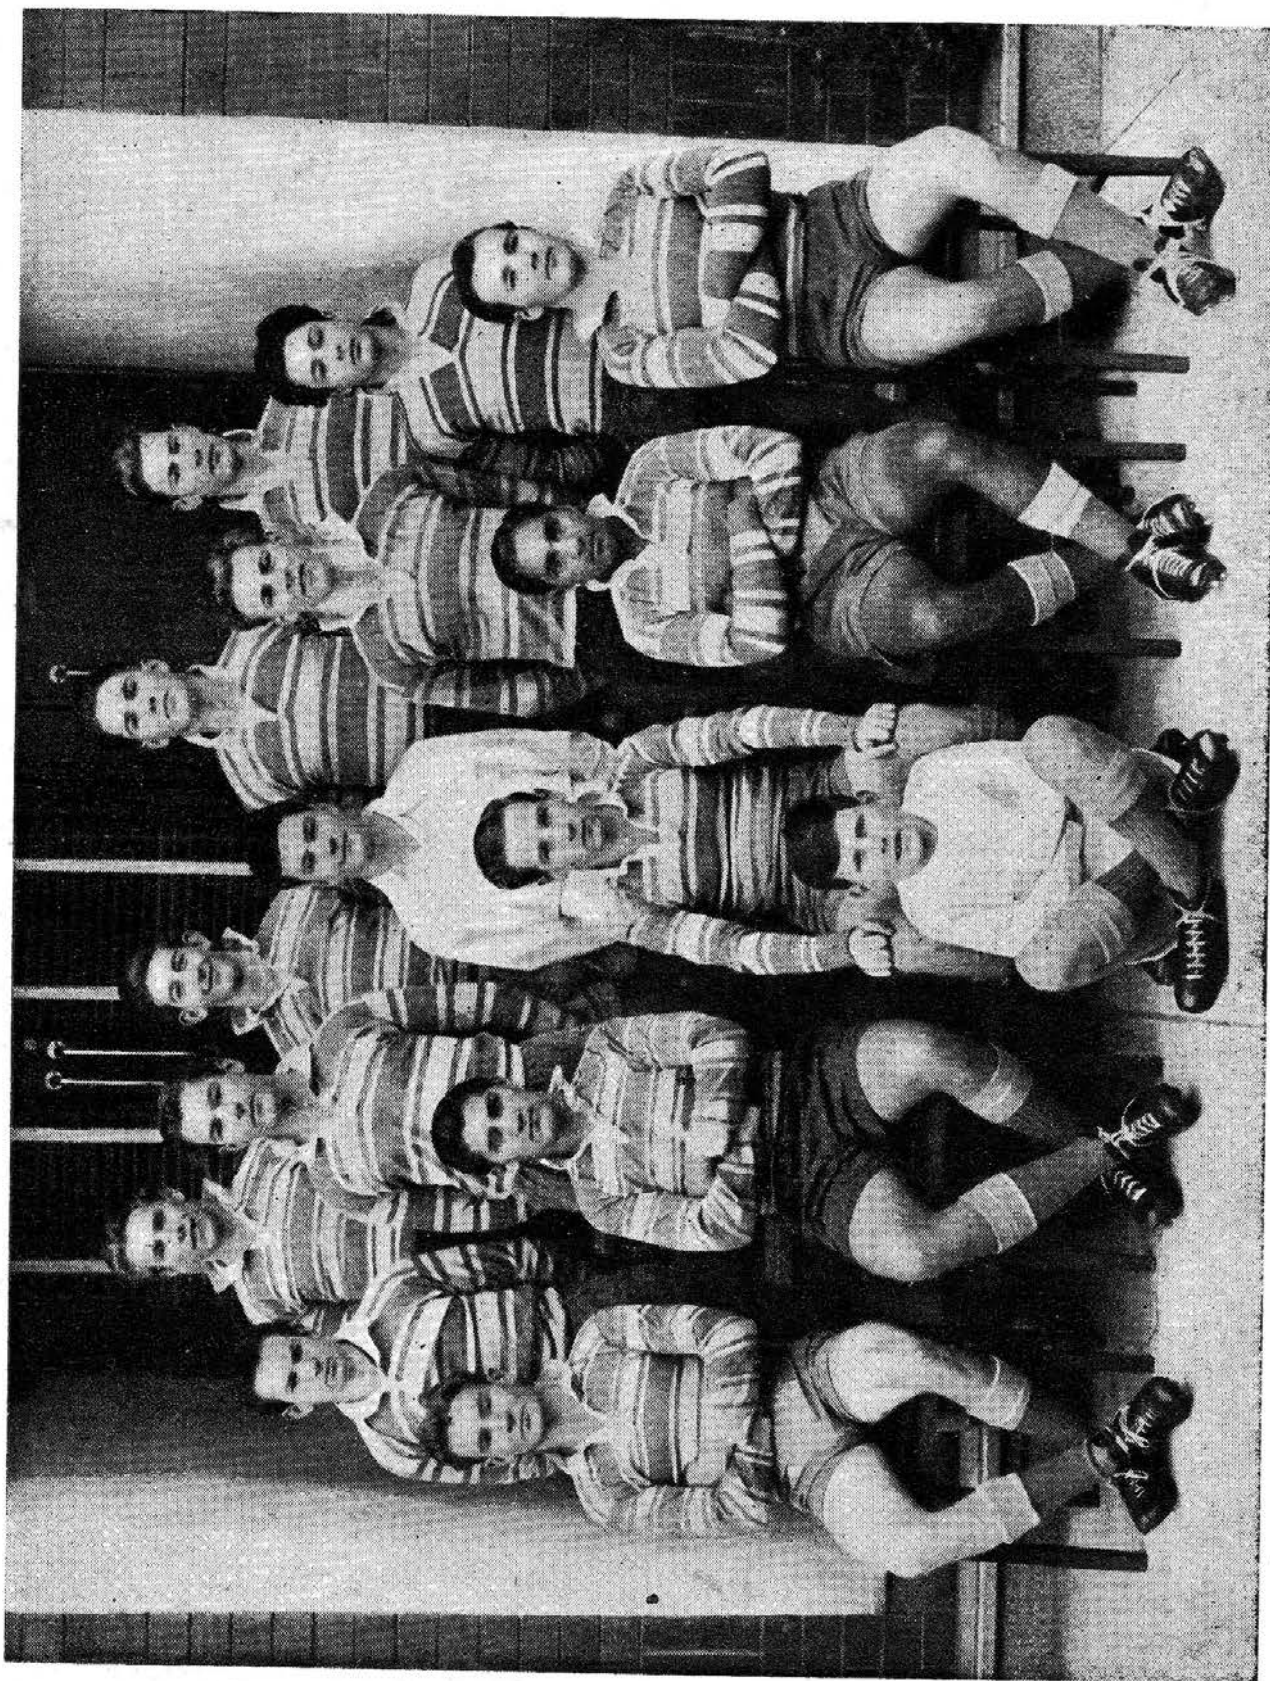

### DARLINGHURST v. S.P.C., STRATHFIELD

With the score 10-2 against us at half-time, we made a gallant effort to catch up with the opposition. Our backs did not prevent the dashing runs of the opposing five-eighth. Strathfield 13, Darlington 10. (C. Driscoll, 2 tries; R. Byrne, 2 goals.)

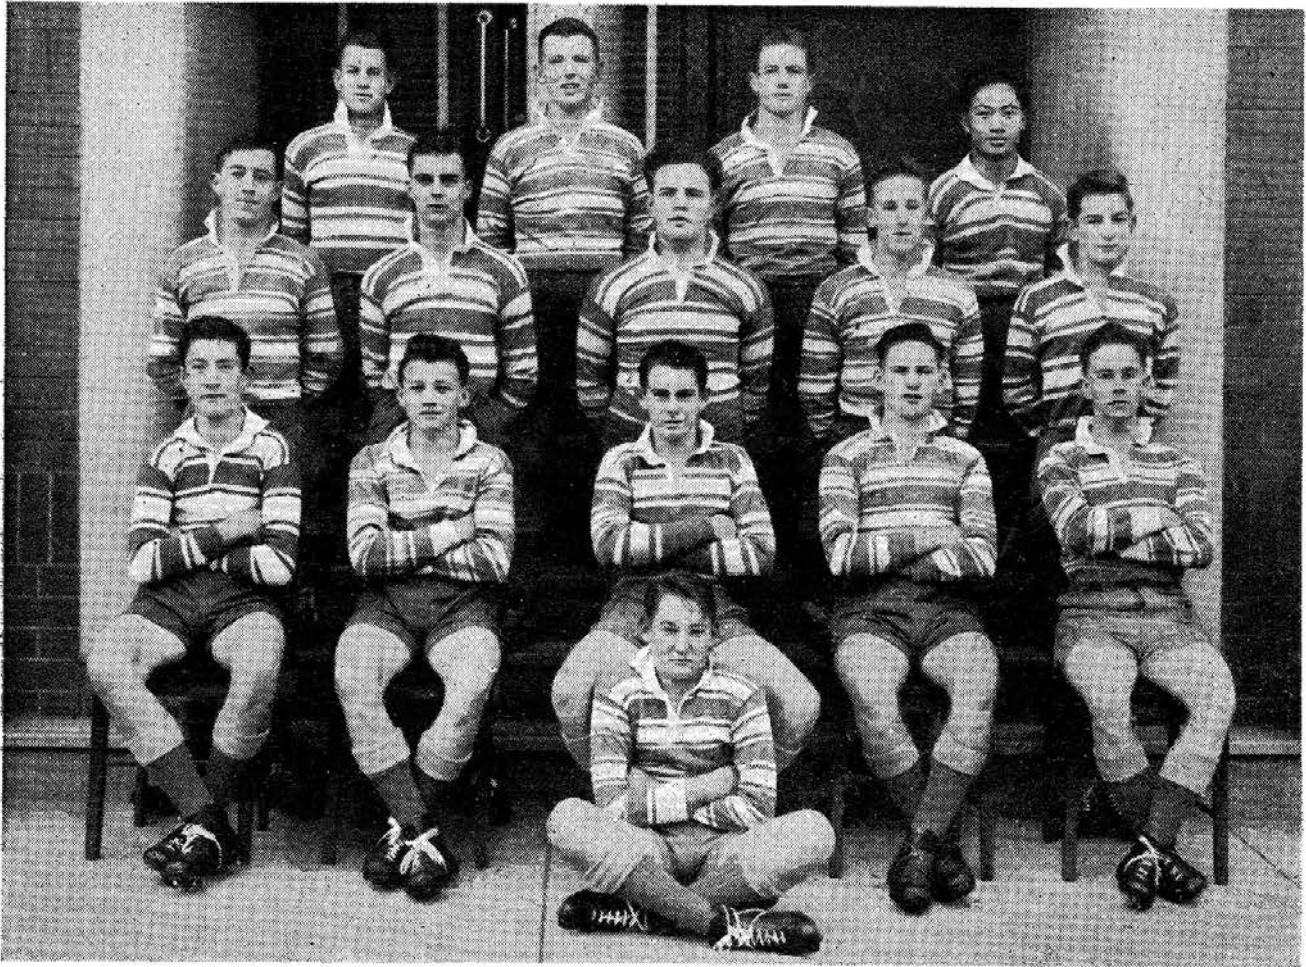

### DARLINGHURST v. D.L.S.C., MARRICKVILLE

In the first half Marrickville rushed to the lead 12-2. We could not break through the defence. No score in the second half. Marrickville 12, Darlington 2. (R. Byrne, 1 goal.)

We congratulate M.B.C. Randwick on winning the Open Competition.

### "B" GRADE

#### DARLINGHURST 0, LEWISHAM 0

After a very hard and even game with Lewisham our boys were delighted at the result. A nil all draw.

#### DARLINGHURST 5, RANDWICK 0

Splendid work by our forwards and pleasing teamwork by all enabled us to defeat Randwick 5-0. Scorers: W. Stafford 1 try, C. Moroney 1 goal.

#### KOGARAH 9, DARLINGHURST 7

Kogarah scored the winning try from a foolish kick by one of our players. Holding on to the ball prevented our boys from playing a fast, open game. (L. Loker, 1 try; W. Castray, 2 goals.)

#### ASHFIELD 3, DARLINGHURST 3

This was a delightful game to watch, and ended in a draw. (C. Moroney, 1 try.)

#### STRATHFIELD 15, DARLINGHURST 2

Our boys were unable to penetrate the heavy Strathfield team. Weak tackling and slow movement on our part enabled Strathfield to register an easy win—15-2. (W. Castray, 1 goal.)

#### DARLINGHURST 3, MARRICKVILLE 0

For a long time the game see-sawed. Finally, W. Kain scored a spectacular try.

We congratulate the Strathfield boys — winners of the B Grade.

#### EIGHT-STONE FOOTBALL TEAM

**BACK ROW:** J. Keeble, R. Scott, M. White (linesman), R. Kember, D. Towson.

**SECOND ROW:** M. Adamo, P. Bernasconi, L. Trainor, J. Chippendale, E. Hamilton.

**FRONT ROW:** S. Davies, D. Ryan, J. Howard (c), W. Slapp, P. Quinnell.

#### EIGHT-STONE TEAM

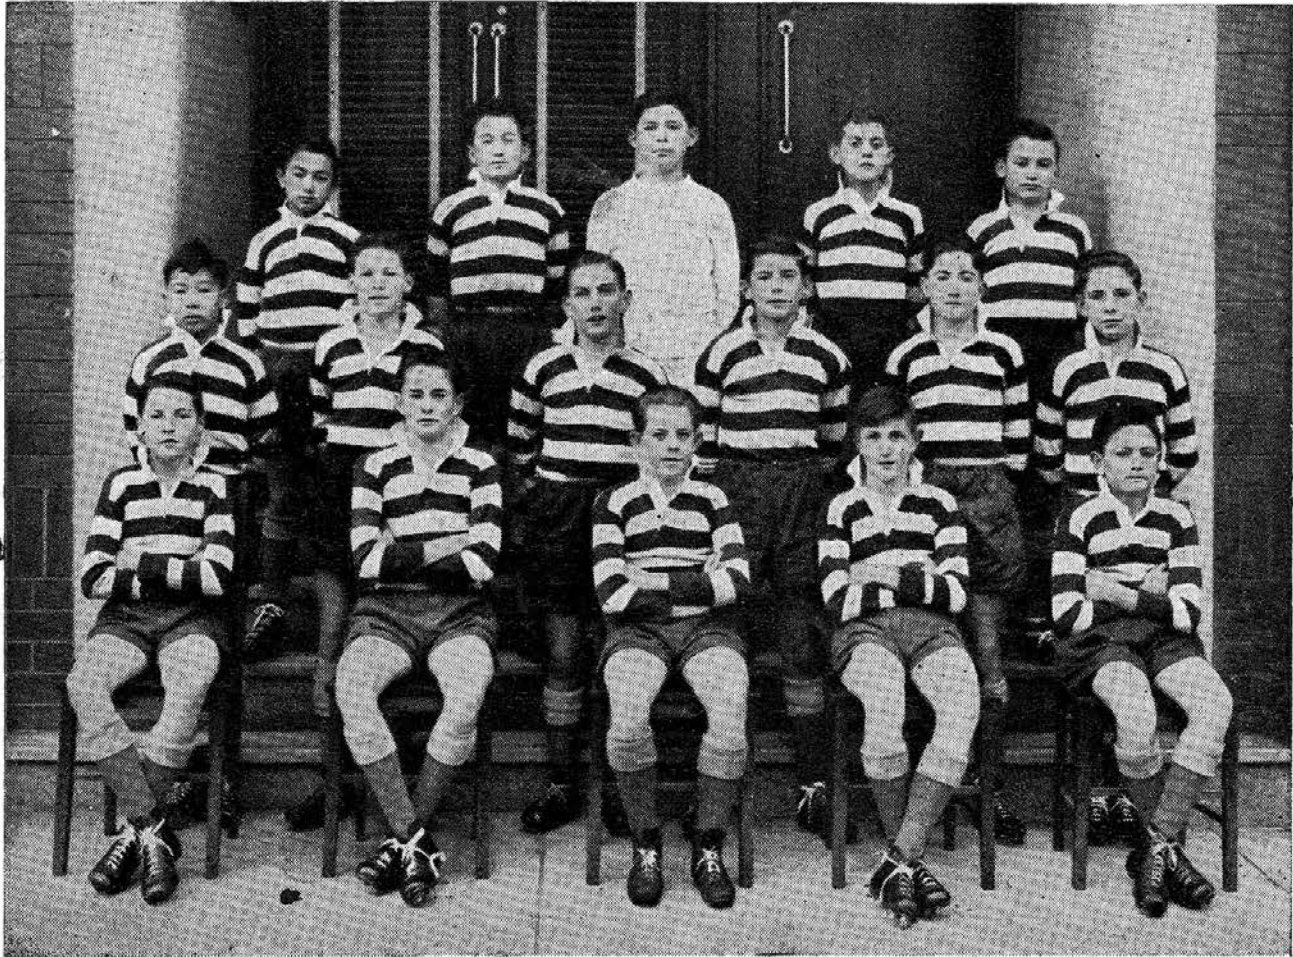

Our Eight Stone team had a heavy pack of forwards who often gave outstanding exhibitions but sadly lacked combination in the early games. Injuries and withdrawals from the team upset positions, especially in the backline which was very weak. Sid Davies was a stout defender at five-eight and was easily the best tackler in the team. Denis Ryan gave early promise at full-back. W. Slapp gave some vigorous displays at half. Among the forwards B. Power was outstanding being in the thick

of the rucks and always on the offensive. In the latter half of the season the second row J. Howard and R. Scott played very well.

#### RESULTS:

RANDWICK	Lost 17-0
KOGARAH	Lost 18-3 (J. Howard (try.)
ASHFIELD	Lost 5-3 (G. Yip, try.)
STRATHFIELD	Lost 48-0
MARRICKVILLE	Lost 9-0
LEWISHAM	Lost 6-0

Congratulations to Strathfield and Marrickville—Joint Premiers.

**SEVEN-STONE FOOTBALL TEAM**

**BACK ROW:** R. Clarke, B. Cannon, R. Wright (linesman), G. Callinan, A. Lee.  
**SECOND ROW:** M. Lee, C. Gay, J. Allen, K. Riolo, W. Cramsie, B. Thornton.  
**FRONT ROW:** A. Minogue, B. Cooper, J. Fitzpatrick (c), W. Barry, N. Moeller.

**SEVEN-STONE TEAM**

The players gave a good account of themselves in all their matches and were unfortunate to suffer some narrow defeats. Billy Barry was the outstanding back for the season and his deadly tackling was a feature in every game. John Fitzpatrick captained the team and played well at half. Tony Minogue at five-eight shows promise. Bernie Cannon is developing into a clever full-back and his performance against Westmead was excellent.

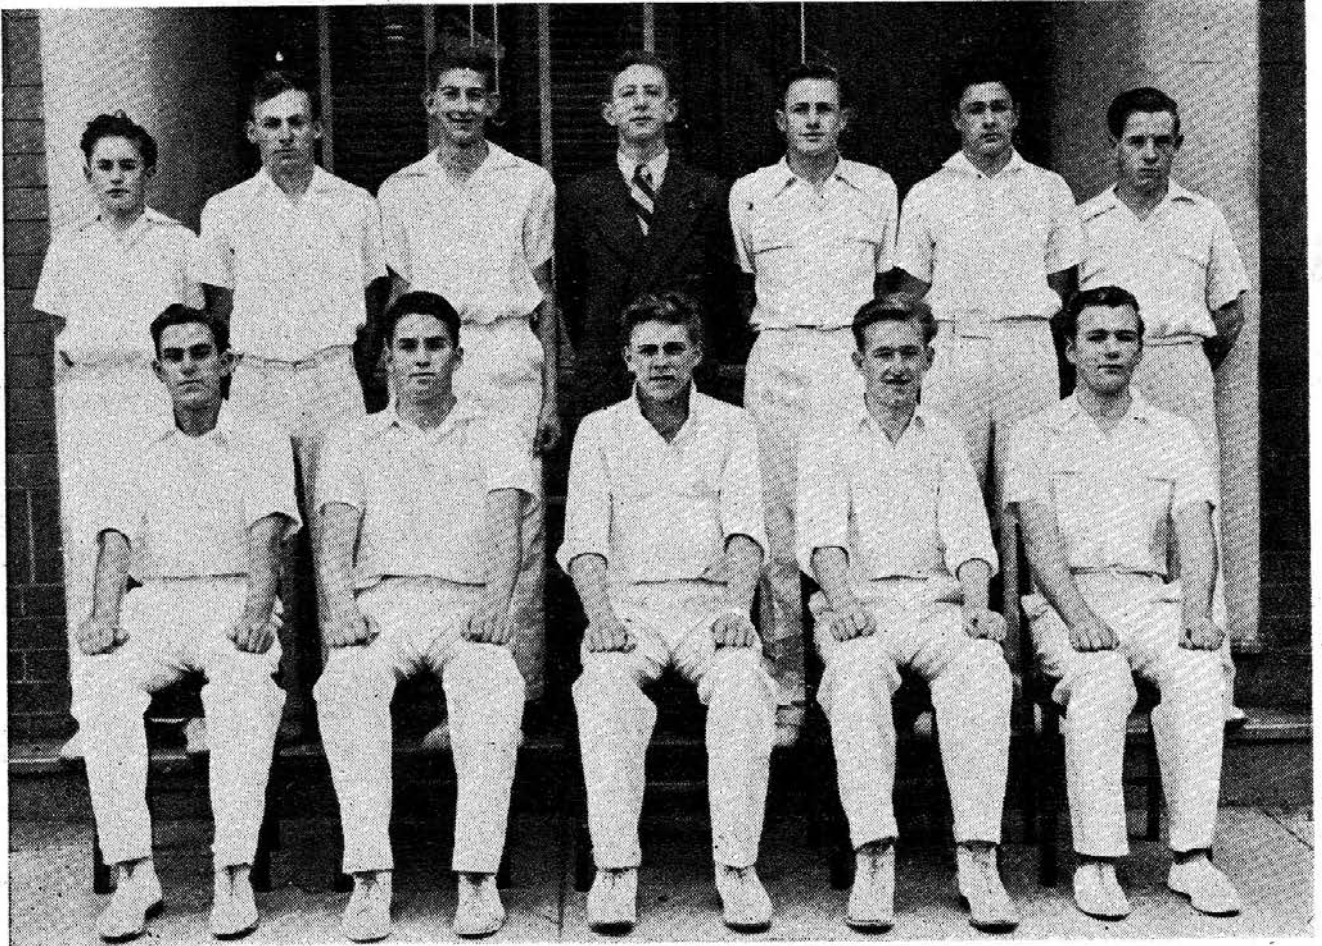

The forwards played well throughout the season and the second rowers, K. Riolo and J. Allen, were a great combination. Brian Thornton at lock gave some

excellent displays and was the best forward for the season. Allen Lee's tackling was consistently good and Colin Gay was our most successful hooker.

**RESULTS:**

RYDE	Won 9-0 (K. Riolo, B. Thornton, W. Barry, tries.)
RANDWICK	Lost 0-5
KOGARAH	Lost 0-3
ASHFIELD	Lost 3-6 (J. Fitzpatrick, try.)
STRATHFIELD	Drew 0-0
MARRICKVILLE	Lost 3-11 (J. Fitzpatrick, try.)
LEWISHAM	Won 3-0 (B. Thornton, try.)

**A GRADE CRICKET TEAM.**

**BACK ROW:** B. Cooper, R. Clement, R. Whittaker, R. Miller (Scorer), J. Vickery, F. Connolly, P. Sheehan.  
**FRONT ROW:** K. Maittlen, J. Nesbitt, R. Byrne (c), F. Gormley, M. Daly.

## "A" GRADE CRICKET

At the end of the first term we had high hopes of winning the competition, but our fortune failed in the third term. Results:

A most exciting game with Lewisham commenced this season's play. Although down 7 for 48, our tail-enders by a fine effort managed to bring our total to 94; three more than Lewisham scored.

Against Randwick we batted on a wet wicket. This time our tail-enders collapsed: 6 for 86; all out for 90. On the following Thursday Randwick declared at 4 for 116.

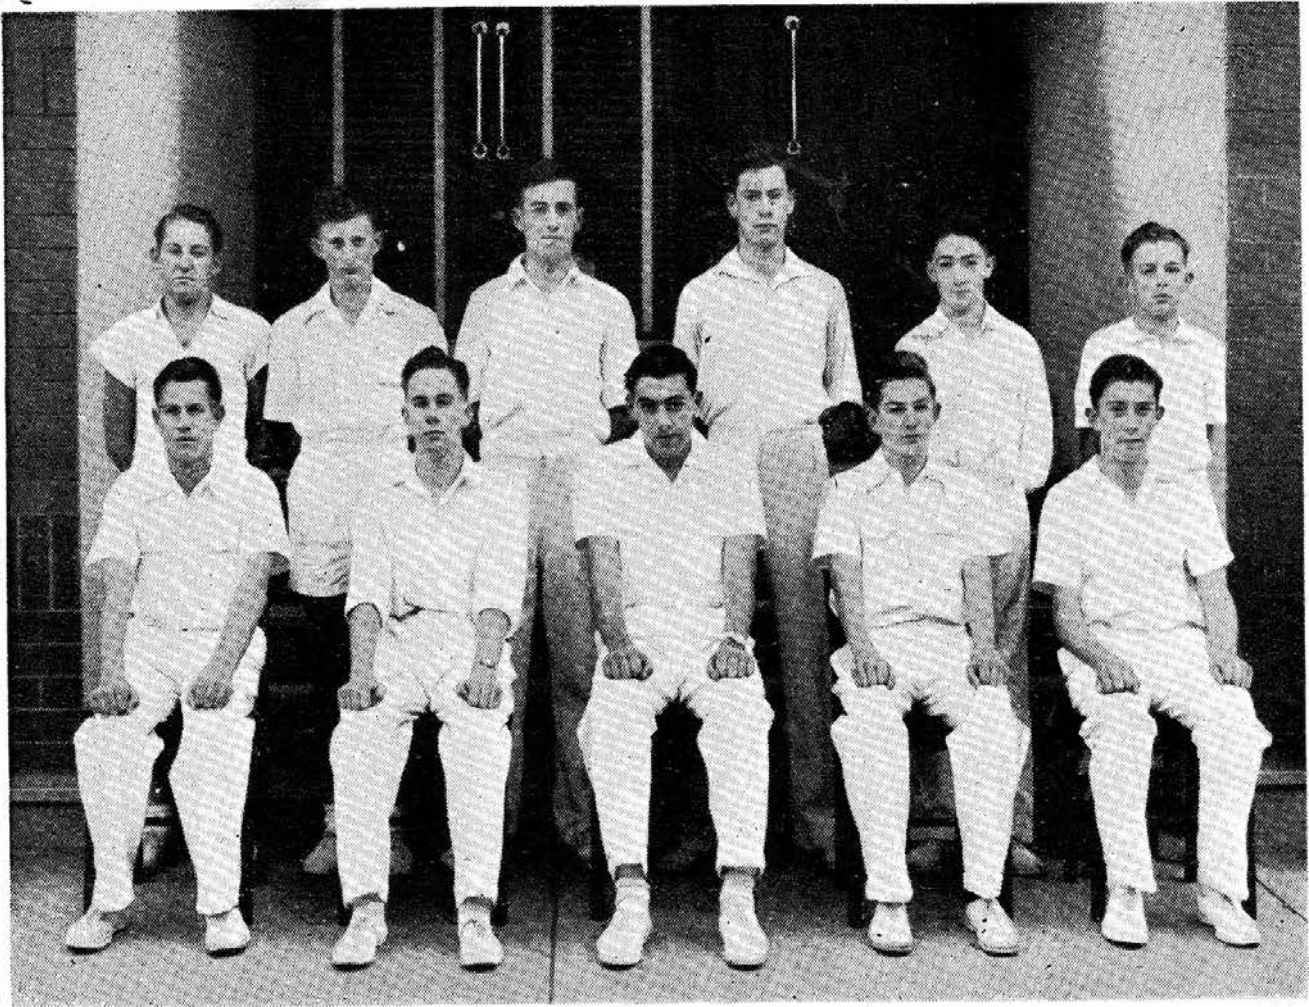

P. Sheehan, 61 runs and K. Maittlen, 11 for 26, were mainly responsible for an outright win against Ryde. Darlinghurst, 133; Ryde, 51 and 36.

Captain R. Byrne battled brilliantly against

Ashfield to score 107 runs in 82 minutes. K. Maittlen bagged 5 wickets for 25 runs. Another outright win. Ashfield, 90 and 40; Darlinghurst, 3 for 152.

Strathfield, with a grand demonstration of batting, scored 197. In spite of the polished display of R. Byrnes 35, F. Gormley 28 and R. Clement 20, we managed to score only 143.

Kogarah proved that Indian balls ought to be barred from this association; bats were broken and it was most difficult to score boundary shots. Kogarah dismissed us for 132. K. Maittlen 42, R. Clement 38 and R. Byrne 24 each batted attractively. A splendid partnership by B. Brooks and W. Saunders, 59 each, enabled Kogarah (165) to win and be Joint Premiers with Strathfield. Congratulations, Kogarah and Strathfield!

### B GRADE CRICKET TEAM.

**BACK ROW:** M. O'Halloran, T. Downes, W. Kain, B. Kelly, L. Trainor, B. White.  
**FRONT ROW:** L. Loker, P. McMaugh, R. Brayan (c), W. Castray, W. Bourke.

## SECOND XI

### SECOND XI, 1951.

This year we could only manage two victories in the six games. This was due mainly to weak batting. Although the bowlers put the team in a good position, their efforts were destroyed by a poor batting display.

Bowling honours go to W. Kain and P. McMaugh, for both bowled extremely well throughout the season and obtained many wickets. Our two openers, L. Loker and W. Bourke, shared the best batting averages.

Our fortunes are summarised below:

Lewisham: First innings defeat. P. McMaugh took 4 for 37.

Randwick: First innings defeat. M. O'Halloran 29. P. McMaugh took 2 for 32, W. Kain 1 for 5.

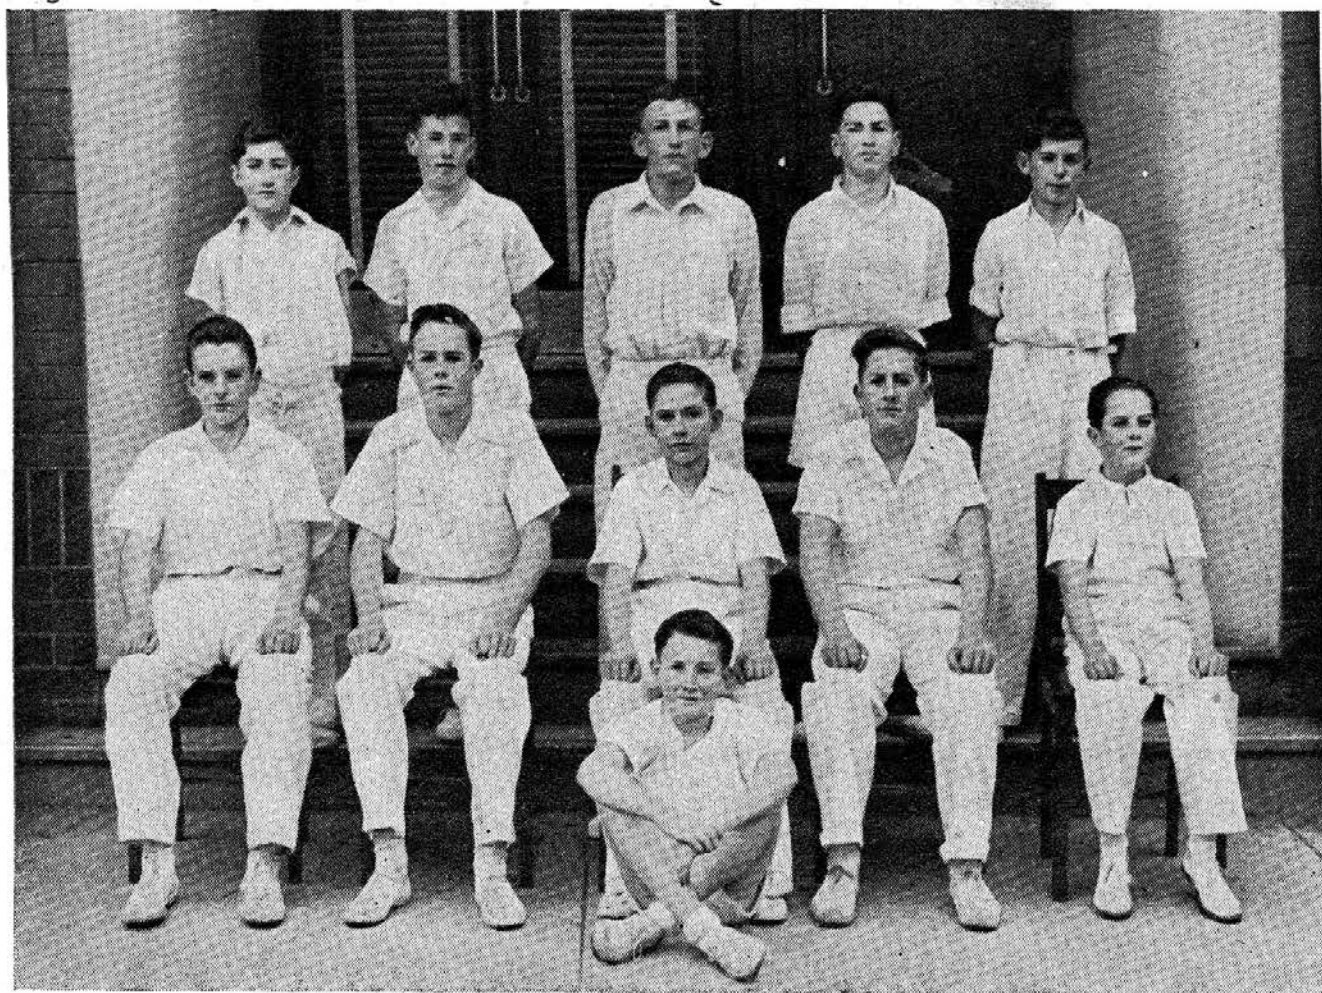

Ashfield: First innings win. W. Castray 32, L. O'Halloran 36, L. Loker 21. P. Moloney took 5 for 18, W. Kain 2 for 11, B. Kelly 2 for 10, P. McMaugh 3 for 11.

Strathfield: Outright defeat. R. Brayan 26. P. McMaugh 3 for 64, 1 for 51; W. Castray 2 for 20, P. McHugh 2 for 24.

Kogarah: Outright win. W. Burke 33, W. Stafford 17, P. Teerman 14 and 18, L. Loker 21. W. Kain 5 for 5 and 5 for 29, W. Castray 3 for 27, P. McMaugh 1 for 16 and 1 for 23, P. McHugh 1 for 15.

Marrickville: First innings defeat. L. Loker 32, W. Burke 20 n.o., P. McMaugh 20. P. McMaugh 5 for 46, W. Kain 3 for 52; W. Castray 1 for 16.

#### UNDER 14 CRICKET TEAM.

**BACK ROW:** W. Cramsie, D. Ryan, J. Greaves, R. Scott, K. Riolo.  
**FRONT ROW:** K. Huggett, J. Pass (v.c.), B. Thornton (c), G. Smith, A. Hynes.  
**SITTING IN FRONT:** E. Cramsie.

#### THE UNDER 14 TEAM

It is the ambition of most boys to one day represent their school in some field of sport and in fulfilling this ambition they become ambassadors for their school. Those who did represent the school this year in the Under 14 Team are to be congratulated on the fine spirit which existed among them both on the field and off. The team was ably captained by Brian Thornton with John Pass as vice-captain.

The batting aggregate was headed by Kevin Riolo who developed into a most consistent left-hand opening batsman. The batting average was headed by Kevin Huggett. Others to bat well were Brian Thornton, Gary Smith, who scored a hurricane 90 against Lewisham, Bill Cramsie, and Tony Hynes.

The chief wicket-taker was Kevin Huggett who is a fast left-arm bowler. The bowling averages were headed by Gary Smith. Others to do well with the ball were Denis Ryan and Ted Cramsie.

# Golf

The School Golf Championships were decided at the Moore Park Links on Tuesday, August 28.

The highlight of the occasion was a brilliant round by **Barry Power**, with a score of 79. Since par for the course is

71, Barry's round of 79 is one which few schoolboys could improve.

Second and third places went to John Nesbitt (87) and John Vickery (88).

The results of the handicap event were the same as for the championships.

## THE PARENTS' AND FRIENDS' ASSOCIATION

The Executive for 1951 consisted of Mr. P. Riolo, President; Mr. L. Walford, Secretary; Mrs. J. Murphy, Assistant Secretary, and Mr. M. Butler, Treasurer. Vice-Presidents were Mr. T. Akhurst and Mr. J. Allen. The Social Committee consisted of Mrs. Murphy, Mrs. Akhurst, Mrs. Butler, Mrs. Harris, Mrs. Hoy and Mrs. Mayne.

From the first meeting held in February, at which there were many new members, the work of the P. & F. was carried on enthusiastically by the committee. This tireless band of workers arranged functions fortnightly, and the financial assistance thus given to the School is very much appreciated by the Brother Director. The large sum of money raised throughout the year by these functions is utilised in improvements and replacements in school furniture and equipment. This year much of the revenue was spent in repairs of chairs and desks, in surfacing part of the school yard, in renewing all window cords in the school building, in supplying new drinking fountains for the boys and in painting the School Hall. In this latter regard, the Brothers are very grateful to Mr. and Mrs. Sullivan, two loyal members of the P. & F., who donated the tastefully chosen curtains which now hang in the Hall.

Early in the year the members farewellled Brother Edmundus, who during his term as Director had initiated the P. & F. at Darlinghurst. A presentation was made to Brother, and members took the opportunity to express their gratitude to Brother for the invaluable work he had done with their boys, and their regret that he had been transferred.

Beginning in March, at the suggestion of Mrs. Slavin and Mrs. Donovan, a monthly Square Dance was held. This proved more and more popular with the younger members as their proficiency at it increased month by month. A monthly party night was held, for the running of which we are indebted particularly to Mr.

L. Walford, Mr. and Mrs. J. Walford, Mr. G. Harris, Mr. C. Renaud and Mr. M. Butler.

The annual raffle was drawn in June and financially was the most successful of the P. & F. activities. Anthony Butler (6th Class) won the prize for having sold most tickets. He was presented with a cricket bat autographed by all members of the English and Australian Test Teams.

Again this year Mrs. Ethel Gabriel and her company of actors very generously and without charge gave us first-class entertainment. We are indeed grateful to them for their work on our behalf, and we also congratulate Mrs. Gabriel and her friends on their success in the Commonwealth Jubilee Drama Competition, in which they were bettered only by the Genesians.

Mr. C. Renaud also obliged again with several film nights; of these, "Monsieur Vincent" was outstanding.

The small but loyal band of ladies who saw to the catering at so many functions and especially at the Marching Out Paade of the Cadets deserve our special gratitude. Always obliging and efficient, they were indispensable for the successful running of the P. & F.

The P. & F. willingly co-operated with the Ladies' Committee at the Annual Fete and the School Athletics meeting.

To all members of the P. & F. the Brothers are extremely grateful. The members of the P. & F. feel that they could still have much more support from other parents of boys at the School. A pressing invitation is extended to all parents of boys at the school to join in with that small band of loyal supporters who, by means of the P. & F., did so much to help the School during the year. The Secretary, Mr. L. Walford, 34 Victoria Street, Potts Point, FA 6492, will be pleased to hear from any intending new members.

## Obituary

Our condolences and the promise of our prayers are sympathetically offered to the relatives and friends of the following deceased and to all who suffered bereavement during the year:

Rev. Brother Arthur of the Westmead Community.

Mrs. J. Flynn, mother of Brian.

Mrs. Malone, mother of Les.

Mrs. Robison, mother of Oswald.

Mrs. Clement, mother of Rodney.

Mrs. McGrath, mother of Frank.

Ted Nagle.

Major-General J. J. Murray, father of Peter, Paul and John.

## THE LADIES' AUXILIARY

The Ladies' Auxiliary met on the first Thursday of each month, in the afternoon, and continued their effective support of the School, particularly by the Annual Fete held on October 31st, which was very successful indeed.

The committee comprised Mrs. J. Fleming (President), Mrs. Downes

(Treasurer, in the absence abroad of Mrs. Dignam), Mrs. Hartcher (Secretary), and the following members: Mrs. Keogh, Mrs. Butler, Mrs. Moroney, Mrs. Jamieson, Mrs. Taylor, Mrs. Finn, Mrs. Olive, Mrs. Ryan, Mrs. Heathwood, Mrs. Halcro, Mrs. Tracey, Mrs. O'Donoghue, Mrs. Staunton, Mrs. Hoy, Mrs. Hallinan, Mrs. Gain, Mrs. Mather, Mrs. O'Connor.

# OLD BOYS' UNION

President:

Mr. S. Cusack.

Secretary:

Mr. Alan Goymour.

Treasurer:

Mr. George McCarthy.

Permanent Vice-Presidents:

The Honourable Sir Edward McTiernan, K.B.E.; Dr. Richard Flynn; Mr. John Donnelly.

Vice-Presidents:

Rev. Br. Michael (ex officio); Senator John Armstrong; Messrs. T. Timmins; W. Wall, E. S. Ogg, J. Ryan; E. Anderson.

Committee:

Messrs. P. F. Dignam, B. T. O'Regan, F. T. O'Connor, J. Clark, R. Timmins, M. Finn, C. Matha, A. Cunningham, R. Yates, M. Trainor, T. J. Ryman.

The main functions of the Old Boys during the year were:—

The Communion Breakfast, which was held at the School on March 4. Very Rev. Mgr. J. F. Giles, an Old Boy of the School, presided. Over one hundred Old Boys attended. Holy Mass was offered by Rev. Fr. Denis Sheridan, S.J., who also preached at the Mass. Amongst those present were Rev. Father Austin Ryan, S.J., Rev. Dr. Collins of W.A., Rev. Father G. Madden (who addressed the General Meeting) and Rev. Brother Andrew (Provincial).

The Blue and Blue Ball, held at the Trocadero on April 16, in conjunction with Our Lady of the Sacred Heart, Kensington, Ex-students Union. Debutantes were presented to His Lordship Bishop Toohey, Co-adjutor Bishop of Maitland, who honoured his old School by attending this function. Rt. Rev. Mgr. McAuliffe, P.P., V.F., was also present. The High School was represented by Br. Michael (Director) and Br. Gregory.

The Annual Dinner, held at Cahill's on Thursday, October 25. The success of last year's dinner was repeated,

thanks to a vigorous organising committee led by Peter Dignam and Ron Yates. Amongst those present were Br. Edmundus (Director of M.B.C. Randwick), Br. Michael (Director), Br. Norbert, Br. Wilbred, and ex-student Brothers Vianney and Swithin. The speakers at the dinner included the President, Mr. S. Cusack, Br. Michael, Br. Norbert, Mr. George Charker, Mr. John Herlihy, Mr. A. Goymour.

Mr. Wally Clarke entertained us during the evening with piano selections.

Other functions arranged by the Old Boys during the year included two games nights at Watson House and two dances at the Trocadero; all these functions were very successful financially and were of great assistance to the school.

## NOTES ON OLD BOYS

Our congratulations go to two Old Boy Priests who on November 30 of this year celebrated the Silver Jubilee of their Ordination: **Father Edmond T. Downey** (now at Corrimal) and **Father John J. Mulheren** (now at West Wollongong). Ad multos annos.

**Senator the Honourable John Armstrong** is now Deputy Leader of the

Opposition in the Senate. Another Old Boy Parliamentarian represents the electorate of Goulburn in the State Parliament, Mr. **Laurie Tully, M.L.A.**

**Brigadier F. Hinton, M.C., E.D.**, has shown great interest in the Cadet Unit at the School during the year and on several occasions has inspected the Parade. He remembers with pride and pleasure his days at M.B.H.S. We extend our sympathy to him on the recent heart attack he suffered, which kept him in Yaralla Hospital for some time.

**John Laurence Hyde** has been doing very well with the A.B.C., and at present is on a two years' European tour, from which he will return, no doubt, with the latest ideas on broadcasting for the benefit of the A.B.C.

Old Boys of 20 or 30 years ago will remember **Brother Ambrose**. Brother writes from St. Etienne, Loire, France, where he is now stationed, expressing his thanks for a copy of last year's "Blue and Blue" and sending best wishes to all his former acquaintances at the High School. Brother is enjoying the best of health.

**Paul Faust**, for so many years now a member of the Committee, is seriously ill in the Parramatta District Hospital. The prayers of all Old Boys are requested.

**Jim Armstrong** graduated B.D.S. early in the year, and soon afterwards, with his newly-wedded wife, sailed for England on the Mooltan. Trust Jim to be able to find a nice flat in London waiting for him to walk in. He is very pleased with his position. In an interesting letter he writes: "I have a good unit, X-ray, a capable nurse who does all the clerical work, a doctor on the next floor who comes to give the anaesthetic on our 'gas' afternoons, and more than enough patients. Most important, I'm on my own and can run things as I like." Jim was particularly impressed in his travels by the Church of Notre Dame de la Garde at Marseilles. He sends best wishes to his colleagues on the O.B.U. Committee, who, by the way, find his position difficult to fill.

News comes from Mrs. Dignam of another Old Boy overseas — **Brother**

**David Smith, M.S.C.**, who is stationed in Rome at the Mother House of the Missionaries of the Sacred Heart. Brother Smith was at Darlinghurst with Tony, Denis and Peter Dignam; he was a god-send to Mrs. Dignam in Rome, and amongst many other favours, arranged an audience for her with His Holiness the Pope at Castle Gandolfo. Brother Smith accompanied the Superior General of the Sacred Heart Fathers, Very Rev. Dr. McCabe, M.S.C., from Australia to Rome.

**Philip Walz** has married Shirley Leicht, sister of Phil's classmate, Peter. The bridegroom's cousin, another Old Boy, **Father Paul Cahill**, officiated.

**Noel Reid** (Senior Athletic Champion of M.B.H.S. in 1947) was married on November 10 this year; Noel and our Treasurer, George McCarthy, keep each other informed on Old Boys' doings. Noel is building a house at Cronulla.

**Frank Burke** (O.B.U. 1938-40) is to marry Mary Conroy, daughter of the first President of the O.B.U., Mr. W. A. Conroy. The wedding is arranged for next January.

**Paul Murray** has graduated Bachelor of Agricultural Science at Massey College in the University of New Zealand. His course has been so successful that he is continuing on for the Master's Degree, with special research in connection with sheep. We offer him our sympathy on the death, during the year, of his father, Major General J. J. Murray.

Another of Paul's class at M.B.H.S., **Barry Driscoll**, has graduated in Civil Engineering at Sydney University and is at present putting his knowledge into practice at Parkes.

**Jim Brassil** is still a prominent figure in University politics in Sydney. He now holds the position of "Director of Student Publications," and as such has done very creditable work.

**Pat Donohue, Merv. Lette and Don McBride** work together in the drafting office of the G.P.O. They are all doing courses in electrical engineering at the Technical College. Merv. plays with Canterbury-Bankstown Firsts.

**Henry Tregillgas** left Darlinghurst in 1946 and has since achieved an ambition. Always keen on photography, he is now a photographer for the Daily Telegraph.

**Laurie McHugh** is doing his Honours year of Agricultural Science at Hawkesbury College; **Terry Phelps** is also at Hawkesbury doing his final year before returning to his father's sheep station in the Far North.

Two keen Pharmacy students are **George Peters** and **Bill Kirwin**.

**Tony Dignam** of T.A.A. has moved to Melbourne for six months. He has graduated in Economics.

First Year students at the University include **Basil Cameron** and **Michael Tracey** who together are working very successfully at Med. I; **Peter Searle** and **Don McCallum** are in Science I. In the Faculty of Engineering **Tom Ryan** and **Frank O'Connor** are nearing the ends of very successful courses in Engineering. Another Honours graduate in engineering, Frank's brother, **Dick**, has an important position in the Clarence River Scheme; **Jim** is following the Law course.

**Karem Ramrakha** is also studying Law.

Four of last year's L.C. — **Gordon Fetterplace**, **Jim Collins**, **Charlie Peoples** and **Des Donovan** have started Pharmacy courses. Classmates **Bill Halcro** and **Bruno D'Adam** report very enthusiastically on the Teachers' College at Bathurst.

**Michael Finn** and **Brian Staunton** are doing well in the Customs. Brian played for Manly-Warringah Second Grade Football with considerable success during the past season.

**John Bolster** is doing Accountancy, and plays First Grade Cricket with Randwick. We hope he will fulfill his early promise as a very talented cricketer. In Paddington's Premiership team in the First Grade Cricket last season, M.B.H.S. was well represented by **Brian Flynn**, **Jack Clark** and **Jack Cummins**. These three were all members of the 1945 Premiership team at School in the M.C.C. competition. Loyal Old Boy **John Donnelly** continues his great in-

terest in the School and the Paddington Cricket Club.

**Jim Moran** has begun his course in Surveying.

**Dick Murphy** never misses an Old Boys' function. He is nearing the end of his Arts course at the University. He is a full-time day student, having won the special patronage of the Commonwealth Bank, which institution is ever at Dick's beck and call, and apparently has marked him out for a future Governor.

**Ron Thornton** is also in the Commonwealth Bank; he is stationed at Hurlestone Park.

**Eric Hayes** is now a fully qualified radio mechanic, and a member of the Australian Radio College. Unfortunately he was involved in a motor accident last Christmas.

From the Catholic Weekly, 25/10/51: "**Philip Hickie**, the winner of the New South Wales section of the Scenic Design Competition held in connection with the Commonwealth Jubilee Amateur Drama Competition, is a member of the Genesians, and was educated at the Marist Brothers' High School, Darlinghurst. He is now a civil engineer with the Department of Works and Housing.

"He joined the Genesians four years ago after playing a small part with them in 'The Marvellous History of St. Bernard.' In the next two years he played a succession of minor roles in various Genesian productions, as well as doing backstage work and producing at Workshop Nights.

"During that time he had displayed a great interest in decor, an interest that was encouraged by Genesian technical director, Joe Kelly. Last year he was given an opportunity to design the set for 'The Glass Menagerie.' It was a great success and excited much comment.

"His next set for 'Murder in the Cathedral' was the one which won for him the right to represent the State in the Commonwealth final."

We congratulate Phil on winning the Commonwealth final at Hobart.

**Marq Jackson** graduates as a barrister this year. We understand he is in the

running for the University Medal for the best pass by a Law student. **John**, Marq's brother, is approaching his law finals; he is to practise as a solicitor.

Our congratulations to **Ken See** whose wife has just presented him with his first son. Ken is an accountant with the Snowy River Scheme.

**John Doran**, one of the school's most promising cricketers, is now with the A.B.C. We understand he is concerned with arranging musical programmes. Those of us who have seen John's fine collection of classical records and have listened to him discourse on music have no doubt that the A.B.C. have made an ideal choice.

**Ron Yates** is through with flitting around the Pacific on projects for Qantas. The firm is sending him to America for two years. Ron, an aeronautical engineer, has been a Committee member for the past twelve months.

**Eric ("Little by Little") Corrigan** is a Physical Training Teacher at Casino. Although he is considered by some to have been one of the finest cricketers the school has produced, he did not take up the game seriously after leaving school.

**John Lee**, now a chemist in business at Dungog, is one of the school's staunchest supporters. He made a special trip to Sydney to be present at the Ball and the Dinner.

**Ned McGrath's** name is seldom out of the papers these days. As chief of the Prosecution Branch of the Taxation Department, Deputy Mayor of Cabramatta Municipal Council, and President of the N.S.W. Branch of the Commonwealth Public Service, etc., etc., he is kept fully occupied.

Our congratulations to **Bob Halcro** who recently announced his engagement. He and his charming fiancée, Miss Pam

Dale, did sterling work at the Annual Fete.

Our congratulations to **Ray Lindwall** who was married during the year. Ray's splendid record this season is disconcerting to those who claimed he was too old for a fast bowler. His performances with the bat, too, are a reminder that he originally starred as a batsman. His batting and accurate bowling should keep him in first-class cricket for a long time yet.

**Ted Musgrave**, who is with the District Contracts Board, received a well-merited promotion this year. **Frank Landers** is in the same department.

A number of Old Boys were at **Jim Ryan's** wedding at Dulwich Hill, last August, to Miss Noela Saunders, sister-in-law of Ken See. After five years at Randwick Primary School, Jim, who graduated last December in Economics, has been transferred to Newtown Junior Technical School.

From the "Sun," 23/4/51:

"Sydney athlete, Olympian **Peter Mullins**, will concentrate on training for the decathlon in the American track season opening shortly. He is thrilled at an invitation to compete in the Pasadena decathlon next month. Only a limited number of competitors have been asked to appear. In addition Mullins is training solidly for the 120 and 220 yards hurdles. Mullins is now a student at Washington State University."

**Jim Ferguson** (1947 L.C.) is doing particularly well in Science at the University and has carried off special prizes for Chemistry.

**Brian Oong** (Engineering) and **Ron Young** and **Brian Warham** (Science) are also to be found at the University.

**Les Brennan**, as fleet as ever, played Second Grade with South Sydney this year.

## YOUNG MEN

### *—a new line of thought*

In the United States of America large numbers of young men learn shorthand with a view to learning administration by first becoming a competent secretary to a big executive for two or three years. During that time they can study an Accountancy-Company Secretarial Course and be fully equipped for important commercial work.

Young men trained in Summerhayes SHORTERhand would be in strong demand by important executives. Any really intelligent young man working constantly with highly-placed and highly-salaried executives has an unrivalled opportunity of learning the principles of administration. They have the daily opportunity of observing the operations of a "big" mind at work. They take an increasingly important part in big thinking at high levels . . . they get opportunities to show their mettle.

A young man who followed exactly this plan under Mr. Summerhayes' advice some 20 years ago is to-day one of the highest administrators in Sydney and one of the most highly-remunerated men in the Commonwealth.
