## VOCATIONS

Our ex-student ordained this year was Rev. Father Lewis Fenton. He was ordained to the Priesthood in the Sacred Heart Church, Newcastle, on Saturday, 24th July. He celebrated his first Holy Mass in Mary Immaculate Church, Tighe's Hill, the next day.

Father Fenton returned to Darlinghurst on Thursday, July 29th. In conversation with the Brothers he expressed his gratitude for the training he had received from the Marist Brothers, at Darlinghurst, Hamilton and St. Joseph's College, Hunters Hill.

The Brothers and present boys of the High School wish Father Fenton a long and fruitful apostolate.

We were also very pleased to welcome back to Australia and to Darlinghurst Rev. Father Patrick Murphy, S.V.D., whose ordination in the United States of America was recorded in last year's "Blue and Blue". Father Murphy returned to Australia in September, and in a visit to his former school he fascinated his hearers with his experiences

in America. He has since gone to the Anglo-Irish Province of his Order.

On February 16th the assembled school farewelled Paul Mitchell, a member of the 1953 L.C. Class, on his departure for the Marist Fathers' Novitiate in Armidale, N.S.W. We wish Paul every success in his vocation.

This year also Raphael Chue joined the Sacred Heart Fathers at Douglas Park.

Three former students of the school completed their Novitiate with the Marist Brothers on July 2nd of this year. They are Brother Donald (John Mahon), Brother Hubert (Bernard Mahon) and Brother Nicholas (Michael Curnow). They are now training as teachers for their future work in the Marist Brothers' schools. We hope and pray that many more boys from the school will offer their lives to the service of Jesus Christ and His Blessed Mother in the priestly and religious states.

*Season's  
Greetings*

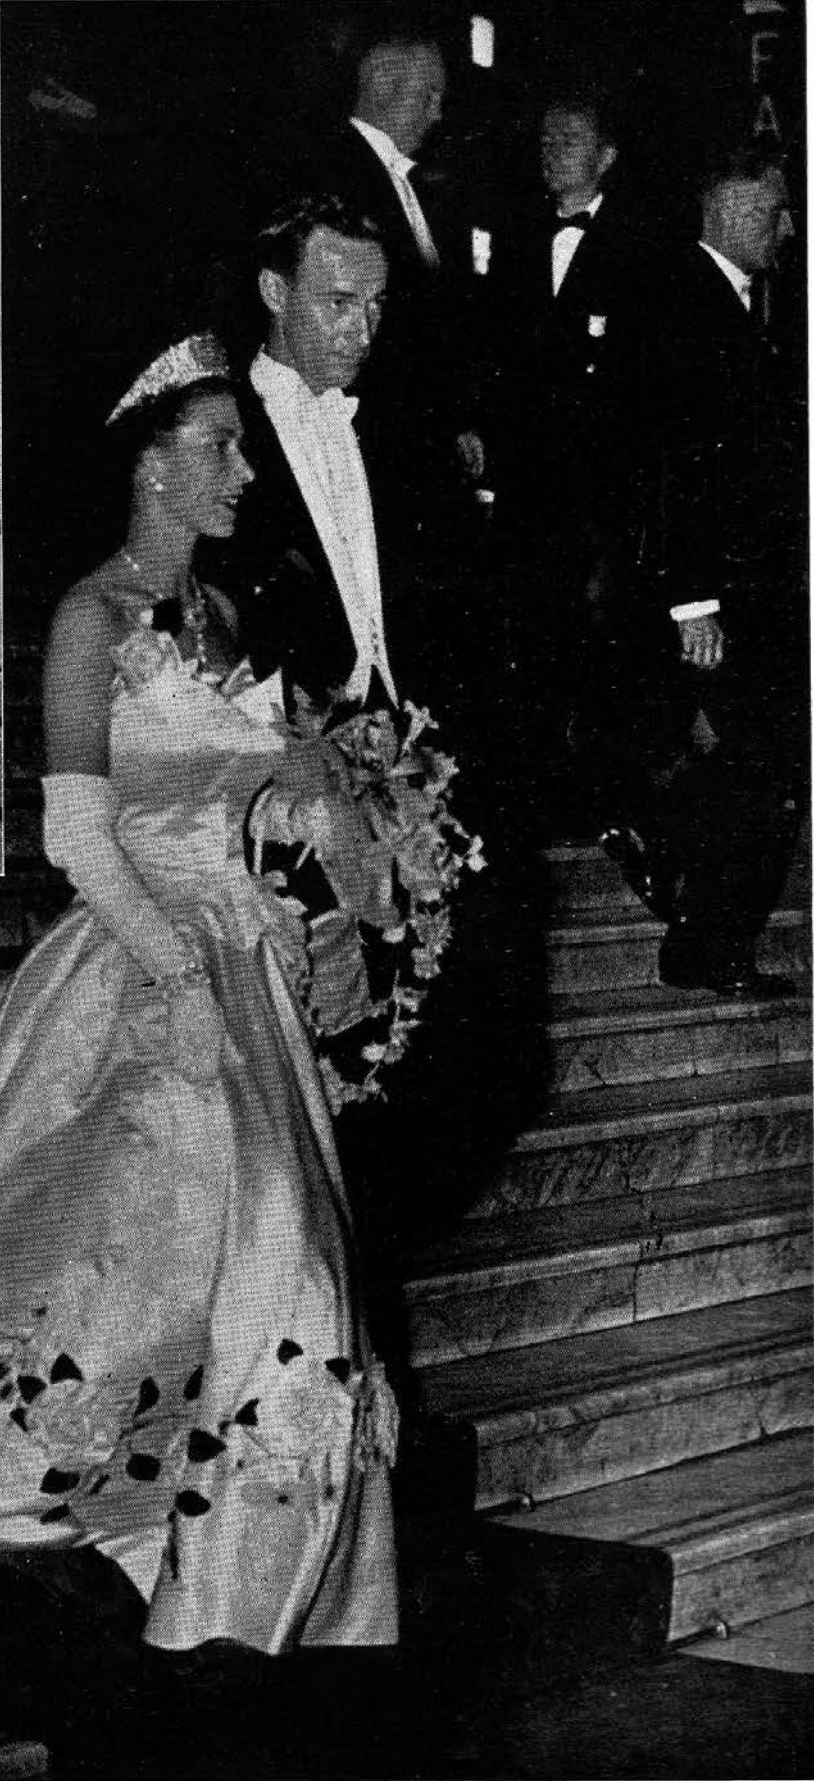

The Brothers extend to  
all their friends  
Sincere Greetings for a  
Happy Christmas and a  
Prosperous New Year.

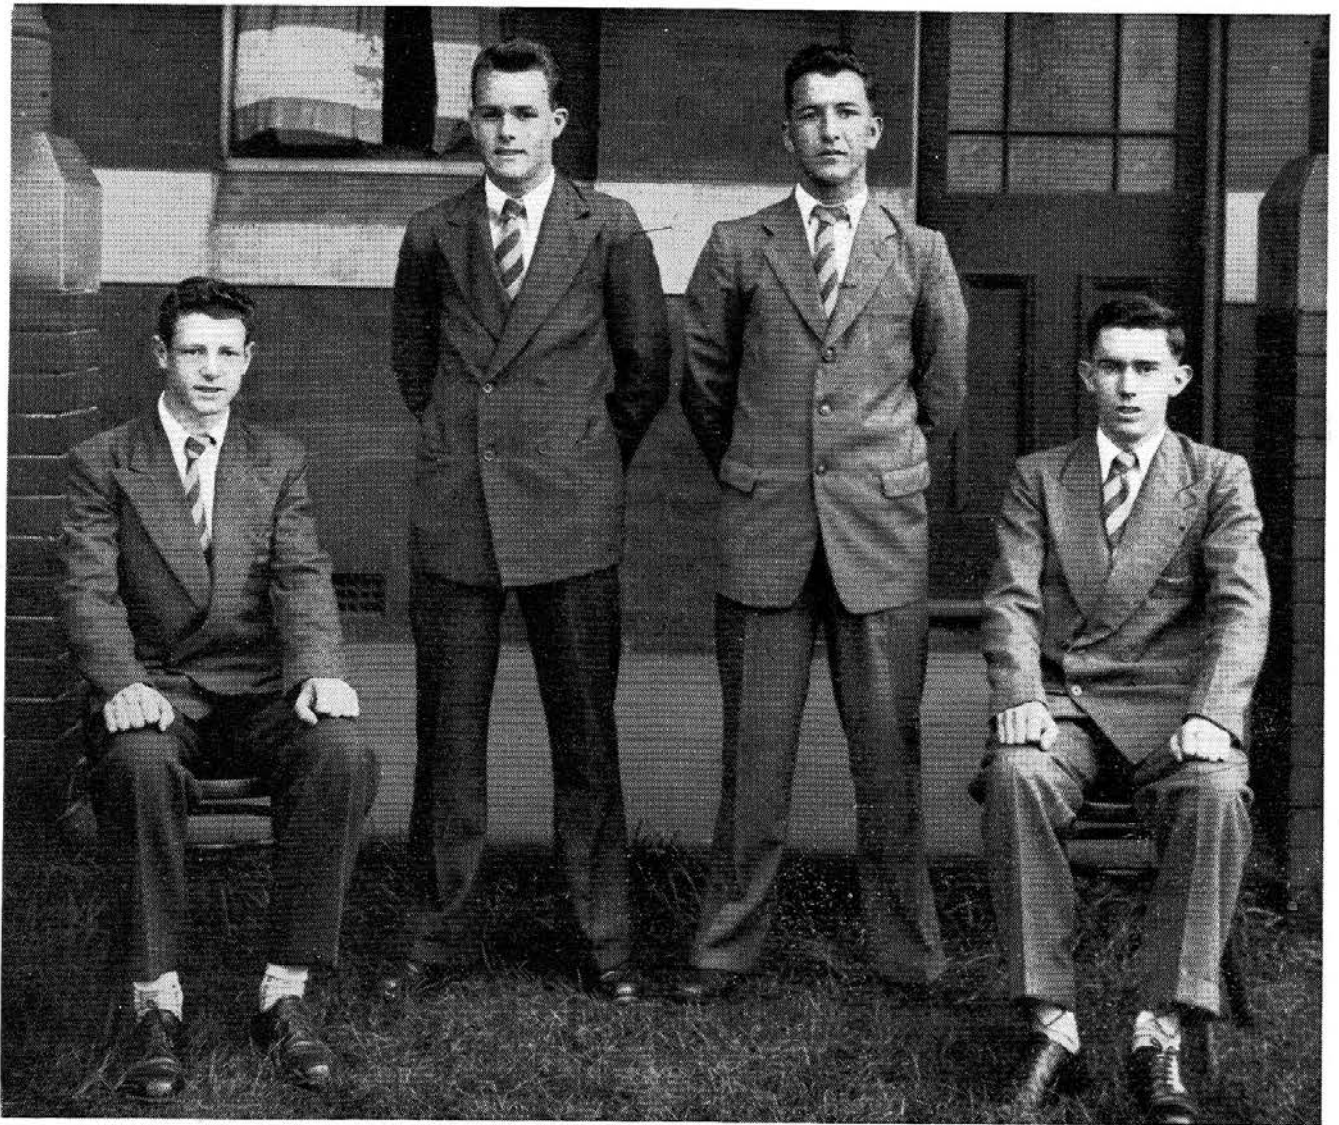

### AT RIGHT—

The address of welcome to Her Majesty The Queen when she first set foot on Australian soil (February 3rd, 1954) was read by an ex-student of M.B.H.S., Darlinghurst, the Rt. Hon. the Lord Mayor of Sydney (Alderman P. D. Hills). The inset shows this historic event on the shores of Sydney Harbour. Her Majesty is also shown descending the steps of Sydney Town Hall accompanied by the Lord Mayor after the Ball he had given in Her Majesty's honour.

## SENIOR CADET UNIT

No account of the Cadet Unit for 1954 would be complete without a tribute to the memory of Rev. Brother Norbert, whose death occurred during the year. Our Cadet Unit, and indeed the Cadet movement in general in schools, owe much to Brother Norbert. In recent years he had accompanied our boys into camp, and had endeared himself to all by the care and thoughtfulness he showed in helping every boy. His interest in the Cadet movement never flagged, and his knowledge of military matters and his unbounded enthusiasm made him invaluable. He personified those soldierly qualities of manliness, courage, loyalty and co-operation which he strove to inculcate in his cadets. May he rest in peace.

Our Unit can report a very successful year's work. A general improvement in all departments of the Unit's work has been noticed. A feature of the year has been the enthusiasm of all cadets, and the interest they have shown in their training, and willingness with which they co-operated in every move to improve the Unit. This reflects credit on the O.C. of the Unit, Rev. Brother Venard, and on his Adjutant, Cadet Under-Officer Adrian Nesbitt and the Company Sergeant - Major, W.O.II. Ronald Antoine.

### SPECIALIST COURSES

Our representatives at the Specialist Courses at Glenfield in the First Term holidays gained very creditable passes. L/Cpl. L. Woodley and L/Cpl. S. Browne passed the 3-inch mortar course, and L/Cpl. D. Ryan and L/Cpl. R. Powell were successful in the courses for drummers and buglers respectively. L/Cpl. Powell particularly is to be congratulated for the high ranking he obtained.

### ANNUAL CAMP

The Annual Camp was held in the second term holidays at Holsworthy. The camp arrangements were very satisfactory indeed, and it was voted one of the best camps the Unit has attended. A large attendance of parents watched the final parade and inspection of the Cadet Units on the final afternoon of the camp, and expressed their pleasure at what was being done for their sons in the Cadets.

It is during the time of the camp most of all that the cadets, and particularly the officers among the cadets, show their character and their worth. Some boys can maintain their authority as officers during the camp, and, without weakly seeking popularity and giving way to human respect, show a strength of character and qualities of leadership that ensure discipline; the weaker characters will fail in this test.

### CEREMONIAL PARADE

Our distinguished ex-student, Brigadier F. B. Hinton, M.C., E.D., honoured us by inspecting the Unit and presenting the prizes at our annual Passing-out Parade which was held at the Rushcutters Bay Oval at 8 p.m. on Thursday, October 14th; the oval was floodlit for the occasion. We are also thankful to Brigadier Hinton for the very appropriate trophy he presented; it was a souvenir volume of the Queen's tour in New South Wales. The value of the book was further increased by the autograph of the Governor of New South Wales, Lt.-Gen. Sir John Northcott. Before presenting the following prizes, Brigadier Hinton congratulated the Unit on its dress, bearing and the high standard of the parade. The Brigadier Hinton Efficiency Award:

## PARENTS AND FRIENDS' ASSOCIATION

At the time of writing the Executive consists of:

President: Mr. C. Renaud.

Vice-President: Mr. N. Kelaher.

Secretary: Mr. E. McKenna.

Treasurer: Mrs. J. Murphy.

Again it is with the greatest pleasure and gratitude that we can report another successful year's work by the Parents and Friends' Association; their activity and enthusiasm continued undiminished. The Brother Director wishes to express his very sincere gratitude to the members of the Association for the great help, financial and otherwise, which he has received from them. Many school improvements have been made possible through their efforts, and they have willingly offered their services whenever they could assist the school in any way. The only disappointment is that so much of the work falls to a relatively small group of self-sacrificing parents. All parents whose sons attend the school should help the Association as far as possible. Any intending new members should ring Mr. E. McKenna (LU 5635).

An innovation in the functions arranged by the P. and F. this year which won much commendation and was given much publicity in "Pro Fide" (the organ of the Federation of P. and F. Associations) was the arrangement of talks by competent speakers for the purpose of educating the members in matters concerning the education of their children. The first took place on June 7th. Films on Child Psychology were shown and Rev. Brother Edmundus, a former Director of Darlington, gave an excellent and comprehensive lecture on "The Teen-age Schoolboy." The audience found Brother's talk most helpful, and the Association are very grateful to Brother

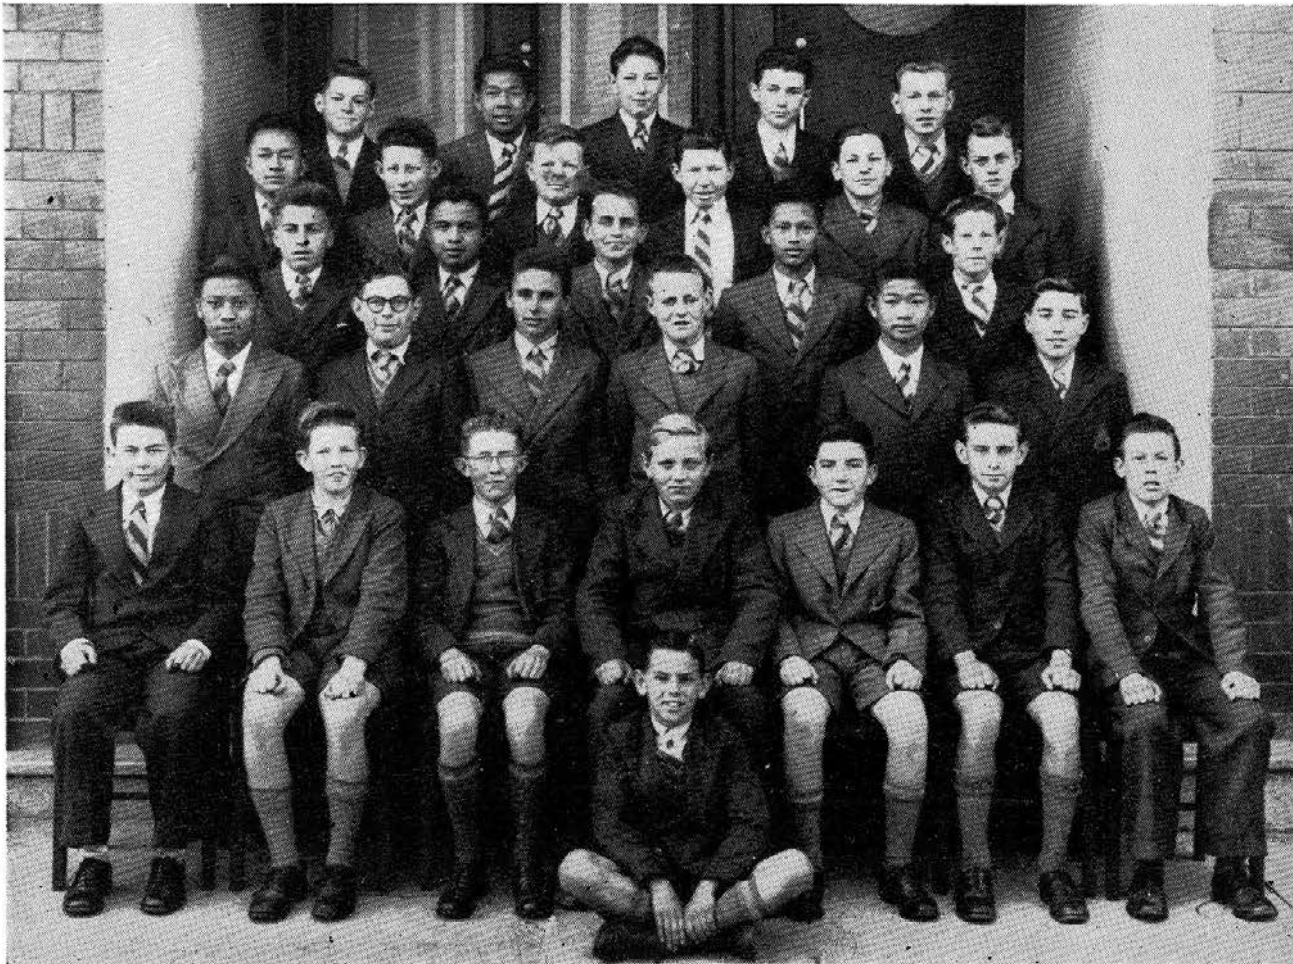

Edmundus for preparing such a stimulating address.

The second meeting of this type took place on September 14th, when the speaker was Mrs. Cotton, an authority on children's libraries. Her subject was "Books for Children." Again our members profited greatly from the meeting; Mrs. Cotton's comments and suggestions regarding children's books were very helpful. We again thank Mrs. Cotton for obliging us.

The P. and F. Ball was held at the Paddington Town Hall on September 27th, and equalled the success of the first Ball staged by the Association last year. Cabaret dances were held at the White City Ballroom on May 8th and July 3rd; house parties and card parties were held at the homes of Mrs. Sheehy and Mrs. Barry; picture nights (for which we thank Mr. Renaud and Mr. Jordan) were held at the school. These are some of the activities of the Association during the year.

The Annual Raffle was again held, and was drawn at the beginning of the second term. It was even more successful than last year's.

It would take much space to thank adequately and to name all our benefactors in the P. and F. Association. We thank all those who helped to make the Annual Fete on October 29th such a success; we thank also those members who helped with the catering for the Annual Sports and the Passing-out Parade. A special mention may be given to Mr. R. Williams for being door-keeper at all our functions; to Mrs. Reed for looking after our printing requirements; to Mr. M. Spies, assisted by Mr. N. Kelaher, for much electrical repair work done in the school; and to all the executive for many long hours spent in working for the school.

## OBITUARY

### REV. BROTHER NORBERT, B.A.

Brother Norbert died on the 18th August this year in the 62nd year of his age. His death took place at the Marist Brothers' Monastery at Eastwood, where Brother Norbert had been stationed for the past few years. The crowded congregation at his Requiem Mass and the large number of people who attended his funeral were evidence of the great esteem in which Brother was held.

Brother Norbert was very well known amongst the Old Boys and the present boys of M.B.H.S., Darlinghurst. He had taught at Darlinghurst for many years, and had maintained a deep interest in the School and in his Old Boys. He was very proud of "The High School" and the boys he had taught there. Always a popular figure at Old Boys' functions, Brother Norbert will be sadly missed and, I feel, will never be replaced.

Brother was always a champion of the School Cadet Movement. For 30 years or more he had been actively interested in the Cadet Units both in our own and in other schools. Many messages of condolence were received from other Cadet Units and from Officers of the Regular Army who had come to know and value Brother Norbert's worth. Our own Cadets remember with gratitude the kindly and paternal way in which Brother watched over their interests in camp, for it had always been a pleasure to him to accompany the Darlinghurst Cadets into camp whenever possible.

Everyone has kindly memories of Brother Norbert. His great-heartedness and friendliness to all he met, and his unquenchable cheerfulness, combined with a striking and forceful personality, made him beloved by all. May his many friends pray for the happy repose of his soul.

### REV. BROTHER REGINALD

Brother Reginald died on June 28th this year, in the 70th year of his age. Brother had been stationed in our Queensland schools during recent years.

Brother was an ex-student of this school; he was one of the first students from this school to enter the Marist Brothers. For well over fifty years he has laboured as a Marist Brother in various schools throughout the Commonwealth, and has now gone to his reward. May he rest in peace.

### DESMOND FRANCIS HOWARD, LL.B.

The late Des. Howard was a most loyal Old Boy with long years of association with the Old Boys' Union.

The following obituary notice is from "On Service," the official organ of the N.S.W. Public Service Professional Officer's Association:

The untimely death on 11th February last of Mr. Desmond Francis Howard, Examiner of Titles, at the age of 56 years, deprived the Registrar-General's Department of a most capable officer and the Association of an esteemed member and former Councillor.

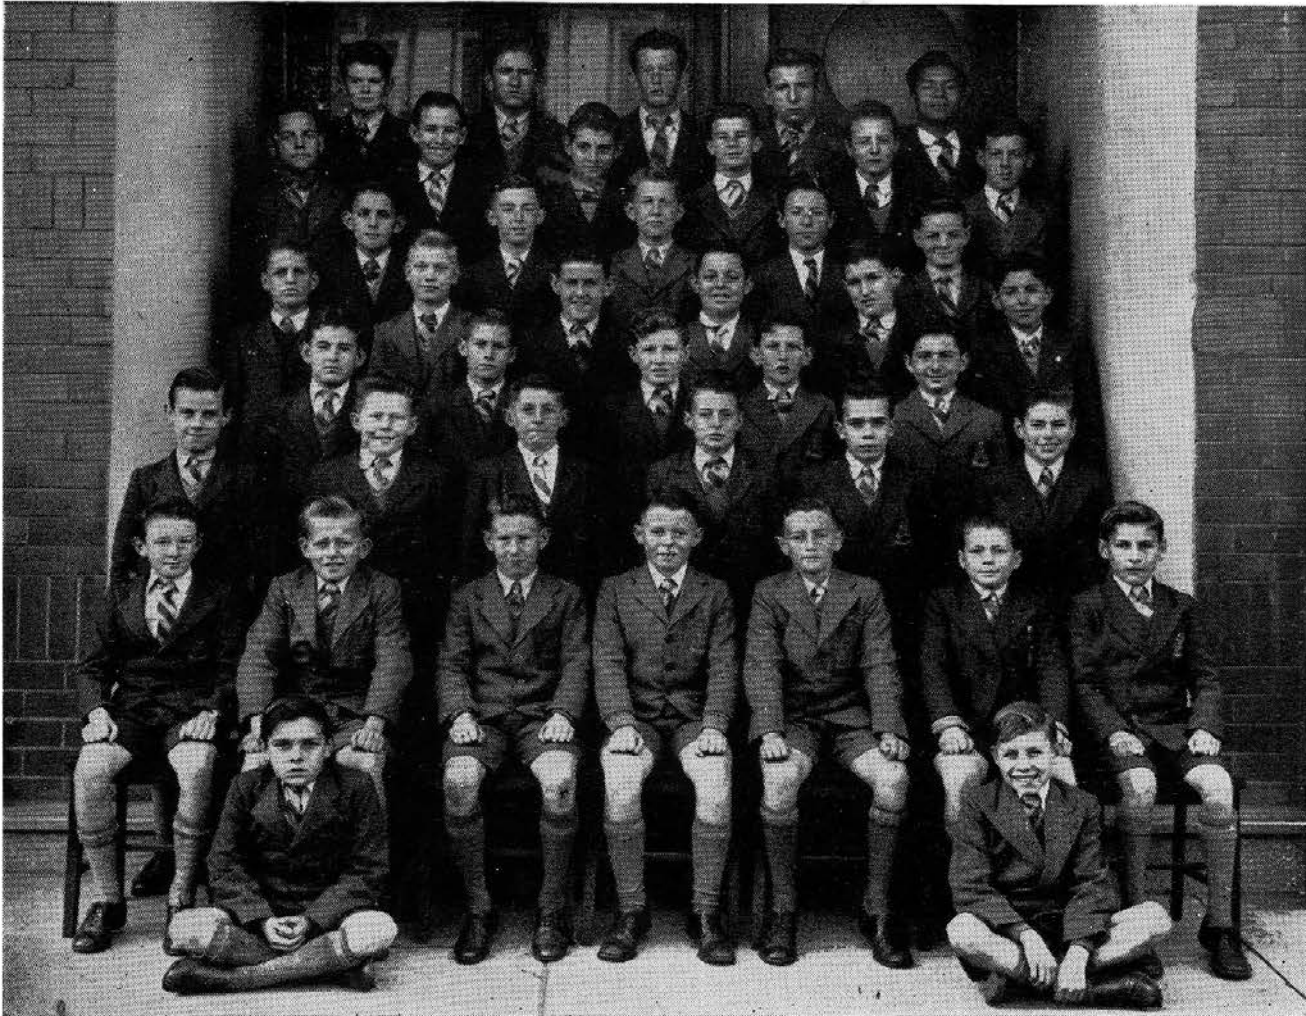

Mr. Howard completed his secondary education at the Marist Brothers' High School, Darlinghurst.

After studying law at Sydney University, he graduated, at an exceptionally early age, as a Bachelor of Laws in 1921.

For several years he was on loan to the Legal Aid Office and to the Department of Public Works and, during the last war was seconded for service to the Commonwealth Government where he efficiently carried out the difficult tasks assigned to him in the Department of Manpower.

After return to the Legal Branch of the Registrar-General's Department, he was appointed an Acting Examiner of Titles in October, 1953. Mr. Howard was widely known throughout the legal profession where he was regarded as a sound lawyer, particularly in the field of Real Property.

### "A" GRADE CRICKET

The "A" Grade team had a most interesting cricket season. They were the leaders up to the second last game, and it was not until the rain washed out the last day of the final game that the hope of Premiership ended, and we had to be content with runners-up.

#### Congratulations to:—

**Peter Morris** on winning the batting trophy with an average of 89, including an innings of 113 not out. He also won the bowling trophy taking 20 wickets for an average of 6.7.

**Kevin Riolo** on being selected as the best fieldsman for the season. His display as wicket-keeper was excellent in all games.

**Ronald Antoine** who captained our team so well.

## FOOTBALL

### "A" GRADE

The "A" Grade footballers gave a good account of themselves this season. As a team they were smaller and slower than the average and found it hard to make up for this disadvantage. However, this made them play as a team, and in the latter part of the season they combined really well and were hard to beat.

Congratulations to B. Power, our captain, and L. Woodley who were selected as the best back and best forward respectively and who represented the school in the Premiers versus the Rest game.

#### Scores for all matches:—

Randwick 17 defeated Darlinghurst 0.  
Marrickville 3 defeated Darlinghurst 2.  
Darlinghurst 18 defeated Ryde 4.  
Strathfield 15 defeated Darlinghurst 4.  
Darlinghurst 3 defeated Lewisham 0.  
Kogarah 14 defeated Darlinghurst 9.  
Darlinghurst 18 defeated Ashfield 0.  
School Team 13 defeated Old Boys 0.

### "C" Grade Team: Equal runners-up.

The most successful of the teams this year was the "C" Grade who finished equal with Randwick in second position. Many of the team were new to competition football this year, and so our trial matches were a run of failures. Nothing discouraged by this bad start the boys responded well to the able coaching of Mr. Boyd, and by the time the competition started were combining into a good team.

Only one defeat was suffered by the team in the competition, but two matches were drawn, and thus the unbeaten team, Kogarah, took the Premiership.

Awards for best back and best forward: **R. Vickery** and **J. Pass**.

**8-Stone Team:** Finished third in competition.

The season started well for the 8-stone team with good wins in the trial matches. Several new boys combined early with the boys from last year's seven-stoners and there seemed every chance that they would take the Premiership.

The team was undefeated until the second last match, and then the team had to play without two of the regular players. The match was hard, and resulted in several injuries as well as a narrow defeat. This put Premiership out of the question, and left the team weakened for the last match which was lost also.

Much praise for the success of the team must go to the captain, **Jim Peoples**, who played hard always, and led the team ably at the practice sessions as well.

#### Scores for Matches:

Lewisham: Won, 16 to 2.  
Strathfield: Won, 7 to 5.  
Kogarah: Lost, 5 to 2.  
Ashfield: Lost, 8 to 2.

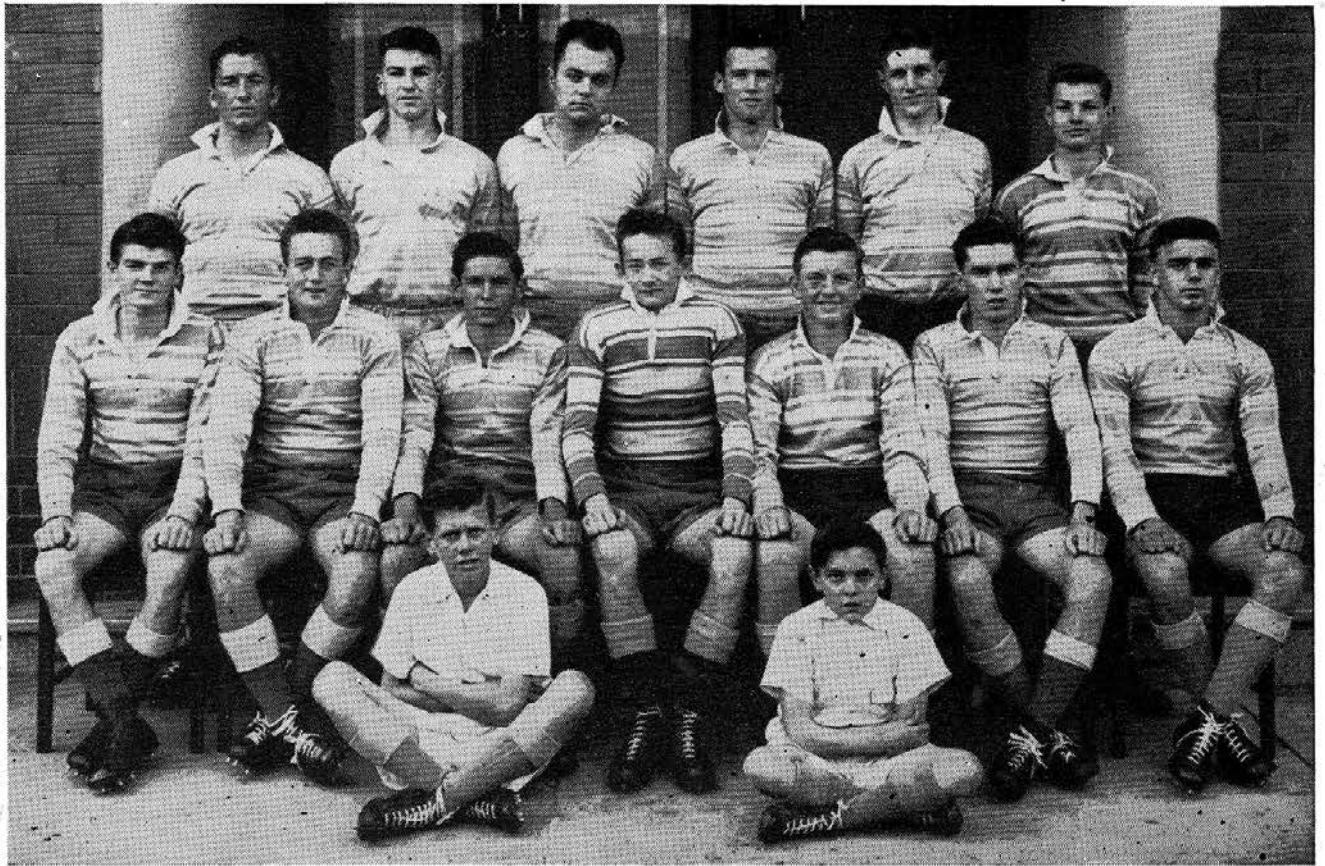

Awards for best back and best forward: **M. Lee** and **G. Lee**.

### 6-STONE TEAM

**Tom Akhurst**, who during the season gave a good display of football, earned the award for the best and fairest back of the team, while **Jim Fleming** gained the award for the best forward.

M.B.H.S. v. Randwick: Lost 8-nil.

## ATHLETICS

The Annual Athletic Carnival was held at Rushcutters Bay Oval on August 25th. The weather threatened to cause a postponement, but the decision was made to go on with the events. Apart from a late start no other inconvenience was caused by the weather, and a very enjoyable day was had by the boys and the parents who came to watch. The track was heavy and times generally were slow, but four records were broken. They were:

Under 15 440 yards: D. Ryan (60 secs.).

Under 11 50 yards: U. Brandmayer (6.9 secs.).

Under 9 50 yards: L. Boyd (7.3 secs.).

Under 9 75 yards: T. McMahon (10 secs.).

Particularly noticeable this year were the cheer squads organised by the teams. There was a special points award for the best organised and most spirited team, and the efforts made by the captains to gain this prize for their teams

helped greatly towards the smooth running of the programme. The prize was won by the "Reds" captained by R. Vickery.

**EASTERN SUBURBS ATHLETIC CARNIVAL**

For the first time since the war the Eastern Suburbs Athletic Club held its schoolboy championships this year. Since short notice was given of the meeting, and it was held on a Saturday, not many of our boys entered, but of those who did, nearly all gained places. This carnival is to be an annual event, and should prove valuable to our athletes as a preparation for the M.C.C.

**M.C.C. CARNIVAL**

Competition in the M.C.C. Carnival this year was very strong, and quite a few records were broken. Strathfield again won all four cups.

Of our boys who competed, the most successful were the sprinters, M. Adamo and J. Lum, who were placed in both the 100 yards and 220 yards. In the Senior Division other place-getters were R. Scott (100 yds. and Shot Putt), R. Antoine (High Jump), B. Power (Mile). In the Junior Division, M. Adamo (100 and 220 yds.), W. Eggins (Shot Putt), R. Constable (880 yds.). In the Under 15 Division, J. Lum (100 and 220 yds.), R. Kember (880 yds.). In the lower ages, L. Freeman (100 and 220 yds.), U. Brandmayer (75 yds.), K. McGovern (High Jump).

**M.C.C. SWIMMING CARNIVAL**

The combined swimming carnival held at North Sydney Pool proved a great success again this year. The standard of swimming was very high, especially in the Senior Division.

Our best competitors of the evening were R. Scott, R. Norton, M. Bures, J. Lum and K. McGovern.

**GOLF**

To decide the School Golf Championship this year, and the winner of the Alan Slattery Cup, an elimination round was held in August at St. Michael's. This reduced the senior competition to four: Barry Power, Bill Barry, Tony Hynes and Ron Vickery. The final was played at Eastlake Links on September 13th. Barry Power was a clear winner with a splendid round of 73. His card was as follows:

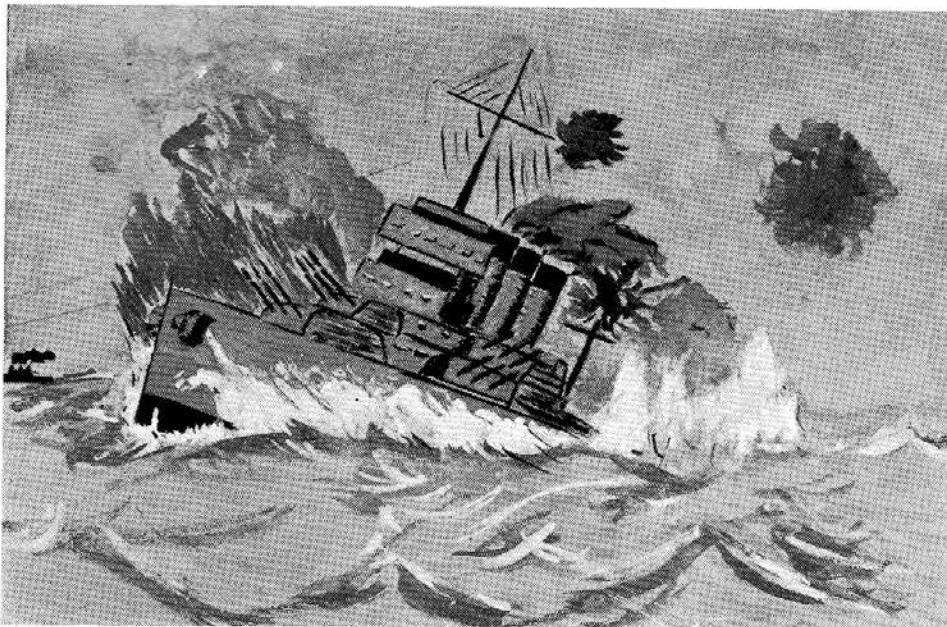

Out: 5 3 5 4 4 4 5 4 6—40

In: 3 4 5 2 4 4 5 3 3—33

His round thus included 5 birdies and 8 pars.

Barry also won the handicap with a net total of 73; Bill Barry and Ron Vickery were equal second with a net 77.

The final of the Junior Championship was decided between Tom Akhurst, Kevin Boyce, Michael Laffan and Robert Jones. Rain limited the final round to 9 holes at Eastlake Links on November 5th; Tom Akhurst was the winner with 53; Michael Laffan was second and Robert Jones, third.

John W. P. Donnelly, Esq.

**Vice-Presidents:** Rev. Brother Michael (ex officio); Senator John Armstrong;  
Messrs. S. Cusack, E. S. Ogg, T. Ryan, T. Timmins, W. Wall.

**Secretary:** M. Trainor.

Mr. G. McCarthy acted as Secretary after Mr. Trainor's departure for New Guinea.

**Assistant Secretary:** J. Meek.

**Treasurer:** R. Timmins.

**Committee:** Messrs. P. Carroll, V. Davis, J. Dennis, F. Durack, E. Eagleton, R. Halcro, G. McCarthy, R. Murphy, E. Musgrave, F. O'Connor, B. O'Regan, J. Small, M. Sykes, L. Trainor, B. Warham.

**Hon. Auditor:** F. Downs.

**Delegates to Federation of Marist Old Boys' Unions:** T. Timmins, V. Davis (Mr. G. McCarthy replaced Mr. Davis upon his retirement).

The Old Boys' Union has again had a successful year. The usual functions were held, and the committee deserve congratulations on the manner in which these functions were organised and conducted. In every case attendance was well up to previous figures.

The Old Boys were greatly saddened at the news of the death of Brother Norbert during the year. He was a popular figure at all Old Boys' functions, and few Brothers were better known to the Old Boys in general. The prayers of his former pupils and friends are asked for the repose of his soul.

### COMMUNION BREAKFAST

The Communion Breakfast and General Meeting were held at the school on Sunday, February 28th. Holy Mass was celebrated by an ex-student, Rev. Father B. Mooney, M.S.C. Despite a wet morning, there was a good attendance of Old Boys. We were pleased to see Dr. H. Norrie (who was President of the Old Boys' Union in 1914) present with us again. His speech at the Breakfast was very entertaining. Brother Hilary, the Provincial of the Marist Brothers, was present, and also spoke. Senator Arm-

strong was amongst the Old Boys who attended.

### ANNUAL BALL

Our social functions are conducted in conjunction with the Ex-students' Union of Our Lady of the Sacred Heart College, Kensington. The combination of the two Unions has proved most satisfactory, and the various functions, culminating with the Ball, have been very successful. The Ball was held at the Trocadero on August 16th, and proved to be one of the most successful yet held. Debutantes were presented to the Rt. Hon. the Lord Mayor, Alderman P. D. Hills, and the Lady Mayoress, and to the Rt. Rev. Monsignor E. McAuliffe, P.P., V.F., of Kensington. The Old Boys are grateful for the work done by the Kensington ex-students, under the presidency of Mrs. H. Wheeler; to them is largely due the success of the Ball.

### ANNUAL DINNER

This very popular function was again held at Cahill's at the corner of Martin Place and Elizabeth Street, on October 21st. Speakers included the President of the Union, Mr. L. Smith; the Director of the High School, Rev. Brother

Michael; Mr. T. Timmins and Mr. S. Cusack; and the Rev. Brother Provincial, Brother Hilary, who replied to the toast of the visitors. Brother Victor-Bernard (a former Director of M.B.H.S.) and Brother Quentin (Director of St. Joseph's College, Hunter's Hill) were present.

There was a great increase in interest in the sporting activities of the Union this year. On July 25th two football matches between Old Boys and Present boys were played at St. Joseph's College, before a good crowd of ex-students. The Present Boys won the main game 13-0, while the second game was drawn 13 all. The success of the afternoon was mainly due to Mr. Sam Ogg who did much of the organising work, and also played with his old skill.

A cricket game was also arranged between the Old Boys and the School, but was unfortunately washed out by rain. A Golf Day has been arranged at St. Michael's for November 28th.

\* \* \*

Congratulations to a very prominent Old Boy in the person of the Lord Mayor of Sydney, the **Rt. Hon. Alderman P. D. Hills**, who in August of this year was elected to the New South Wales Parliament as Member for Phillip. The by-election was occasioned by the death of another Old Boy of the School, the late **Mr. T. J. Shannon, M.L.A.**, who for many years had been a member of the N.S.W. Parliament. We extend our sympathy to Mrs. Shannon on the death of her husband.

\* \* \*

No better example of a loyal Old Boy of the school could be found than **Mr. E. S. Ogg**. Throughout the years his interest in the school has never waned, and he has been an untiring worker for the Old Boys' Union, rarely missing a committee meeting. His elder son, Brian, passed the Leaving Certificate at Darlinghurst in 1952; his younger son, Michael, is at present in Sixth Class at Darlinghurst. We are very pleased to congratulate such a loyal Old Boy on his appointment during the year as Government Analyst.

The next few years should prove very interesting for **Tom Mullins**, who has won a Scholarship to the University of Hawaii, and is at present in residence there. Tom's splendid athletic record makes him a coveted man for American Universities; he holds the Australian record for the hammer throw, and excels at basketball, Rugby Union, Australian Rules, to mention a few of his varied accomplishments. He has hopes of competing in the Melbourne Olympic Games. Before then he will gain experience while touring the United States with teams from the University of Hawaii. Even gridiron is included in his list of sports.

\* \* \*

Some interesting news of **Dr. Roger Connelly** inform us that he has returned from post-graduate work in England and is now to be found at his practice in Macquarie Street, Hobart. While in England he became a Member of the Royal College of Physicians, and spent some valuable years on the staff of the Nuffield Foundation at Oxford. While in England, too, he was married at the Brompton Oratory.

\* \* \*

Another recent ex-student pursuing higher studies abroad is **Beresford Watts**. We are indebted to Beresford for a very informative letter, in which he tells of his voyage to England in the "Himalaya." Beresford is studying the violin under Max Rostal in London. Beresford was in Austria for the Salzburg Festival this year. Before sailing for England, he was received into the Church.

\* \* \*

**Bernard Egan** has also had great success in his musical studies. Bernard plays the 'cello, and has a remarkable aptitude for the instrument. He has reached Grade I after less than three years' study, which is something of a record. He looks forward to studying at the Conservatorium in Paris in 1955.

\* \* \*

While talking music, we may mention that **Denis Condon**, **Peter Chin** and **Bernard McMaugh** are often seen at the Sydney Symphony Orchestra concerts.

According to the "Sydney Morning Herald" judge, the two best players at the Sydney Cricket Ground for the first game of League this season were **Les Brennan** and **Brian Staunton**. Both of these players are Old Boys of Darlinghurst. Les has had a particularly successful season with South Sydney, scoring many tries from his position on the wing. He played in that position at school in the "A" Grade team in 1947, which won the M.C.C. competition and were also Champions in the All Schools' Rugby League Carnival. Best wishes and congratulations to Les also on the occasion of his wedding during the year.

**Brian Staunton** has been playing very good football for Manly-Warringah.

\* \* \*

A very great honour has been conferred on an ex-student Priest, Very Rev. Father Edward Kelly, M.S.C., to whom we extend our congratulations. The "Catholic Weekly" report is as follows:

#### WELL-KNOWN PRIEST HONORED BY POPE

His Holiness the Pope has deigned to confer the Cross Pro Ecclesia et Pontifice on the Very Rev. Father Edward Kelly, M.S.C., Superior of the Sacred Heart Monastery, Kensington.

The decoration, which is sometimes known as the Cross of Leo, has been awarded for Father Kelly's services to the Apostolic Delegation in Sydney for five years prior to his recent appointment at Kensington.

Father Kelly was educated at the Marist Brothers' High School at Kogarah and Darlinghurst, and pursued his studies for the priesthood at the Apostolic School, Douglas Park, at Croydon, Victoria, and in Rome.

\* \* \*

It is difficult to chronicle all successes of ex-students at the University and Technical Colleges. Some who have been well up in the credit lists are **Rodney Tracey** (now in Fifth Year Medicine), **Ron Brayan** and **John Vickery** (Third Year Engineering), **Cedric Holden** (Accountancy).

\* \* \*

Congratulations to Peter Dignam who has graduated in Dentistry. He has spent most of this year in the country.

Another Old Boy to be prominent in the sporting world is **Peter Mullins** (elder brother of Tom, mentioned above). The following quotation is from the "Catholic Weekly":

Well-known athlete and former Marist Brothers' pupil, Peter Mullins, will return to Australia with the Boston Whirlwinds Basketball team.

The Whirlwinds will make a tour with the Globetrotters and will be their opponents in every city and town where the American negro team appears in Australia.

The internationally famous Globetrotters were earlier this year received in audience by His Holiness the Pope.

One of the stars of the white team, made up of All-American College players, will be Peter Mullins.

#### EARLY CAREER

Dark-haired, six-feet-four inches tall Peter began his sporting career at Sydney's Moore Park playground.

Peter won the Juvenile Athletic Championship at Marist Brothers' High School, Darlinghurst.

Peter's juvenile high jump record still stands at the school. He cleared five feet when he was 13.

1948 was the year of the London Olympics where the young athlete won sixth place in the Decathlon Championships.

The same year Peter won the N.S.W. State Javelin title.

He won the 120 yards High Hurdle State Championship in 1943 and 1949. In 1949 also he won the Australian High Jump Championship.

In 1950 he won the Australian Shot Put title.

#### U.S. INVITATION

Mike Castor, promotion director of the Harlem Globetrotters' Australian tour, saw Peter playing basketball in Australia and asked him if he would like to go to the U.S.A. to study.

When Peter said yes, Mr. Castor wrote to the Washington State College, Pullman, and shortly afterwards Peter was invited to apply for an exchange scholarship.

In 1950 Peter went over on one and since then his name has twice been on the honor roll of the college.

He graduated with honors as Bachelor of Science of Physical Education and is staying an extra year to get his Master's degree.

Amongst Old Boys who have reached or are reaching top rank in the cricket world are **Ray Lindwall**, who is said to be still as fast as ever.

**Jack Clarke**, fast bowler for Paddington and New South Wales; and three younger players:

**Brian Flynn**, who is called on to do most of the bowling in the Queensland team. Will he eventually find a place in the Test team as a spinner?

**Bob Byrne**, who has done well with Paddington both as a batsman and a bowler. He shone particularly in the Grade cricket final in March. The following quotation is from W. J. O'Reilly's review of the match:

### BYRNE WAS THE HERO

Hero of the grade cricket final at the S.C.G. yesterday was 19-year-old Bob Byrne, of Paddington, who bowled his medium-paced off-spinners accurately enough to claim five well-deserved Cumberland wickets.

In this young bowler, Paddington has one who might well make a name for himself later on.

Direction and accuracy are his strong features and he delights in attacking the stumps.

**John Bolster** who has been selected for the New South Wales Colts, and has

made some good scores for Randwick.

Another Old Boy in First Grade cricket is **Alan de Montfort** who plays for Manly.

A very interesting Old Boy to return to the school during the year was **John Martin** of Cammeray, who has just passed the necessary examinations for his Mate's Ticket in the Merchant Navy. John sails mainly in coastal vessels.

Rev. Brother Ferrer (Frank Robinson) attended M.B.H.S., Darlinghurst in the early 1930's. Of recent years he has been in charge of the flourishing Marist Brothers' College at Ashgrove in Brisbane. During this year he sailed for Europe where for twelve months he will be engaged in further study. We wish him a very happy and successful time in Europe, and look forward to great things from him on his return to Australia.

## THANKS

*In addition to those mentioned elsewhere in these pages, "Blue and Blue" expresses the thanks of the School and the Brothers to the Very Reverend Monsignor Wallace and the Priests of the Darlinghurst Parish for their zealous work on behalf of our boys; in a particular way to Rev. Father C. Hatton for his weekly instructions to the boys; to Rev. Dr. P. J. Ryan, M.S.C., Chaplain to the Community.*

*We thank our many benefactors and helpers, particularly Mrs. Gilbey, Miss K. Donovan, Mr. J. Pye, Mr. S. Maguire, Mr. E. Anderson, Mr. J. Armstrong, Mr. G. McCarthy, Mr. G. Boyd, Mr. M. Spies, Mr. K. Laffan, Mr. D. Lawson, Mr. K. Bertram.*

## THE LADIES' AUXILIARY

The Brothers again express their thanks to the members of the Ladies' Auxiliary, who meet at the School on the first Thursday afternoon of each month to support the work of the Brothers.

Their enthusiasm in working for the Annual Fete increases year by year. The Fete was held on **October 29th**, and was a record success. The organisers are to be congratulated on the months of work they put into preparing the Fete.

The Auxiliary this year comprised Mrs. J. Fleming (President), Mrs. Hartcher (Secretary), Mrs. Downs (Treasurer), and the following members: Mrs. Butler, Mrs. Crawford, Mrs. Dignam, Mrs. Halcro, Mrs. Heathwood, Mrs. Hoy, Mrs. McMaugh, Mrs. Mayne, Mrs. Moroney, Mrs. Mulvogue, Mrs. Murphy, Mrs. O'Donoghue, Mrs. Quinn, Mrs. Staunton, Mrs. Thornton, Mrs. Tracey and Mrs. Williams.

## WHY THE ELEPHANT NEVER FORGETS

ONCE upon a time there was a little elephant called Edgar. Every week Edgar's mother gave him some money to bank and, because he was only a little elephant who loved to play, she would tie a knot in his trunk so he wouldn't forget.

One day Edgar met a cunning old monkey who asked him the reason for the knot. When Edgar told him, the cunning monkey said, "I'll undo the knot in your trunk, because it is hard for you to play like that, but to make sure you won't forget I'll tie a knot in your tail instead."

Edgar agreed, but, because he only had a tiny tail and could not see it anyway, he forgot about the bank and the monkey persuaded him to spend the money. Then, when all the money was gone, the monkey went on his way, and it wasn't until poor Edgar, who was now quite tired, sat down and his tail hurt, that he remembered the money and the bank.

Later, when he told his mother, she said: "There are always people eager to help you waste your money, Edgar. If you listen to them you'll never have anything."

Edgar never forgot again. Now every week he banks his money.
