**HIS HOLINESS POPE PAUL VI.
SUPREME PONTIFF OF THE UNIVERSAL CHURCH**

Foreword

At Old Boys' Reunions what often gives greatest pleasure is the recollection of former teachers, especially of headmasters. Some have been noted for their sense of discipline and order; some for their friendly manner; some for their scholarship; and some for their piety. But wherever Old Boys of Darlinghurst congregate, one headmaster is rarely forgotten: Brother Gerard, administrator, scholar, teacher, and Marist Brother. On the 2nd July he celebrated the Diamond Jubilee of his religious profession. To him this 1963 edition of "Blue and Blue," record of our eighty-ninth year, is respectfully dedicated.

No teacher can fail to leave something of himself in his pupils. Perhaps, it is this inspiration, this sense of fatherhood, which provides the most vital stimulation to any teacher but especially to a religious teacher for behind that thought lies the essence of his particular religious vocation; and if one were to seek some measure of a teacher's success, that measure might be seen in the virtues and achievements of his former pupils.

Brother Gerard's pupils are now found in remarkable numbers in the ranks of religious, professional, cultural, and commercial leaders of the State. Their respect for, and open admiration of their former master are plainly seen; for Brother Gerard has been for them, both at School and in life, a shining beacon to light the way.

To Brother Gerard the present staff of Darlinghurst offer their thanks for his part in the growth of the School, and as Marists they congratulate a colleague whose life has been an outstanding example to Marist Brothers.

CHRISTMAS, 1963

HIS EMINENCE NORMAN THOMAS GILROY,
Archbishop of Sydney, Patron of the School.

The Marist Brothers of the High School, Darlinghurst and their pupils offer His Eminence sentiments of sincere filial respect and loyalty together with Christmas and New Year Greetings. Likewise, we extend good wishes to their Lordships, Bishop Freeman, Bishop Carroll and Bishop Muldoon, Auxiliaries to His Eminence.

Marist Brothers' Missions in Oceania

THIS year the Australian Province of the Marist Brothers celebrate the Silver Jubilee of the foundation of their mission in the Solomon Islands. World War II followed quickly in the wake of the new opening, in which the Brothers suffered tragic personal and material losses. As you will see as you read on three Australian Brothers lost their lives; also mentioned are the three other Brothers who were rescued when already ranged up before a firing squad.

The Marist Brothers have long been connected with the missions in the Pacific Islands. The connection dates back to the first missions in Oceania, entrusted to the Marist Fathers in 1836. With the Marist Fathers came Brothers trained by Blessed Marcellin Champagnat.

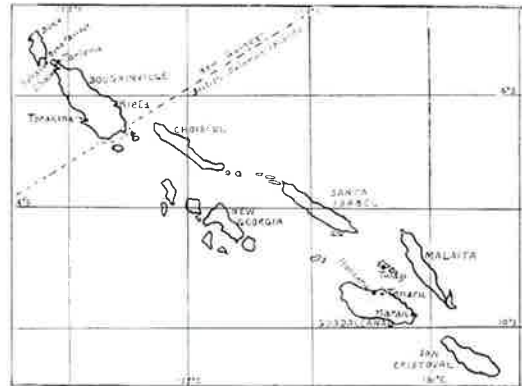

After the founding of the Australian province of the Marist Brothers, missionary activity was not lost sight of, and many Australian Brothers laboured in the island missions, chiefly Fiji. When New Zealand became a separate province these island establishments were attached to the new province, and Australia remained for over twenty years without a defined field of missionary activity.

Then in 1938 came the invitation to the Solomon Islands, made by Bishop Aubin; and in July of that year the pioneer community (Brothers John William, James and Ephrem) sailed by the "Malaita" from Sydney and arrived in Tulagi on August 2. By the end of August they had begun work at Marau on the island of Guadalcanal, with a roll-call of about 60 boys and a long waiting list.

Their early letters told of heat, rain, crocodiles, infrequency of communications, and other discomforts, but were also full of enthusiasm for the great work to be done and for the good qualities of the people among whom they were working.

Early in 1939 the Brothers at Marau had a visit from Bishop Wade of the North

TERRITORY OF NEW GUINEA AND SOLOMON ISLANDS

Solomons, a vicariate which at that time straddled the boundary between the British Solomon Islands and the Territory of New Guinea. Impressed by what he had seen, Bishop Wade made overtures to the Australian province for Brothers, and in 1941 his request was granted. On July 16, Brothers Augustine, Ervan and Donatus set out. Proceeding to the Solomon Islands, they reached Tulagi on August 2, exactly three years after the first group. Brother Ervan remained at Marau. Brother John William went north with Brothers Augustine and Donatus to make the new foundation at Chabai, on Bougainville Island in the Territory of New Guinea. This establishment had originally begun at a school for catechists. The Brothers at Chabai early remarked on the eagerness of the Bougainville Natives at their lessons and on their talent for part-singing.

The two mission schools which had begun so auspiciously were soon to receive a cruel setback as the tide of Japanese invasion swept southward down the island chain. The newer establishment was the first to suffer. Kieta, where Bishop Wade had his headquarters, was bombed in February 1942, and soon the whole of Bougainville was in Japanese hands. Nothing

more was heard from the Brothers at Chabai. Over a year later, a letter from Bishop Wade announced that they had been placed under house arrest in May 1942 and had been transferred to the small island of Sohano in Buka Passage some three months later. That was the last definite word of them, in spite of the Bishop's efforts to trace them after his return to Bougainville as chaplain to the American forces. It was rumoured that they had been transferred to Rabaul, that they had been lost in the sinking of the "Montevideo Maru." In June, 1946, the Department of External Territories announced that they had been taken from Sohano on August 19, 1942 and presumed the date of their death as August 20. Among Natives and Chinese who were interned with them on Sohano and with whom I spoke, there is a suspicion that they never left the island but were killed a few days after their arrival there. Whether lost at sea or murdered on Sohano, these three generous souls gave their lives for the Faith.

Meanwhile in the Solomons the Brothers had suffered interrogation and ill-treatment at Japanese hands. But they were not imprisoned, and having been safely evacuated, reached Australia by way of New Zealand early in 1943.

After the cessation of hostilities the island Bishops were naturally anxious to re-build their shattered missions and get the schools going again. The South Solomons Vicariate again had the first foundation. A United States' Army hospital at Tenaru, a few miles out of Honiara on Guadalcanal, was to be the new location. On March 19, 1946, Brothers Ervan and Ephrem left Sydney for Tenaru which, as they said, was "fifty years ahead of Marau."

Almost two years later the new start was made in Bishop Wade's Vicariate. Brothers Borgia and Simeon went first to Torakina on the west coast of Bougainville where a number of Quonsett huts from an army hospital provided accommodation. This location proving unsuitable, the buildings were transferred by barge to Kieta on the other side of the island, and re-erected there by the Brothers and their charges.

During the change-over Brothers and boys had to live in tents, a sharp contrast to the relative comfort of the sturdy buildings at Tenaru.

Disaster was to strike again in the Bougainville Mission in 1952 when a tidal wave did a great amount of damage to the establishment at Kieta. But this was only a temporary setback. No lives were lost and there was little loss of property other than damage to the buildings. Instead of sweeping back and carrying all out to sea, the big wave escaped by way of the lagoon, leaving much of the school property in the branches of the mangroves.

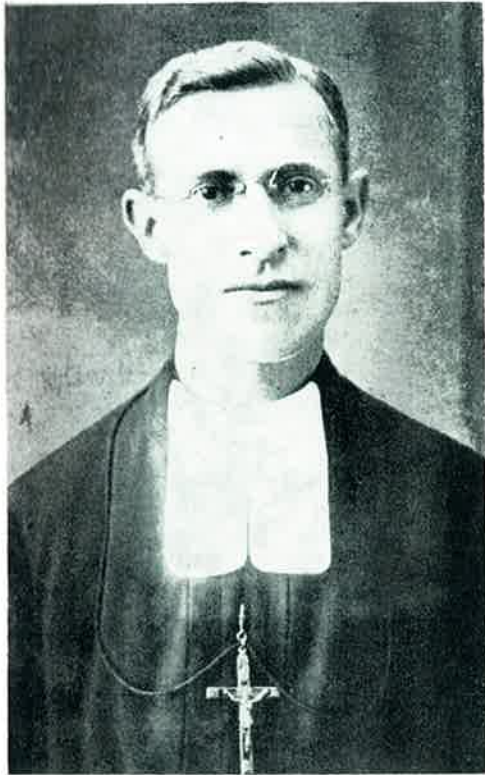

In the early 1950's the mission schools began to supply aspirants to the life of the Brothers, and several of these are now back working among their own people at the side of their Australian confreres.

When Kieta was thoroughly launched a second foundation was made in Bougainville, this time at Tarlena, about three miles from the original location at Chabai. A Minor Seminary had been established at the latter place, and a Novitiate for the Native Sisters now stood on the old site of the Brothers' school.

It was at Tarlena that the Brothers first began the work of training Native teachers for the mission schools under the government training scheme. At the end of 1957 the teacher training section was transferred to Kieta which had more convenient arrangements for teaching practice. At Tarlena the nearest suitable school had been at Hantoa, some four miles away. With the recent transfer of the remaining section of the Tarlena establishment to Kieta, the latter has become a large educational centre with primary, secondary and teacher training departments. Tenaru too has expanded and added a training school for catechists.

Both our island schools are proving inadequate for the number of pupils offering. We want more Brothers so that we may be able to staff our Australian schools adequately and expand our work for our near neighbours in the Pacific Islands.

Sixty Years A Brother

REV. BROTHER GERARD
M.A., Dip. Ed.

THIS YEAR a Marist Brother who has been esteemed at Darlinghurst for almost half a century celebrated the sixtieth anniversary of his entrance into the Order at St. Joseph's College, Hunters Hill.

Beginning in 1918 as Principal of the High School at Darlinghurst, Brother Gerard returned in 1929 in the same capacity. After post graduate studies in Paris he was regarded in those days as one of the foremost leaders in educational activities in New South Wales. It is impossible to estimate the immense debt owed by the High School to the zeal and wide learning of Brother Gerard. It has been said that the foundations of Darlinghurst's successes in study and sport were laid in the early years of Brother Gerard's head-mastership.

A man of general attainments Brother Gerard's leanings are to the literary side. Those who are privileged to study for the Leaving Certificate under him will always remember not only his deep and extensive knowledge of the classics and modern languages but also the keenness with which he instilled a love of good reading into his students.

Before his years at Darlinghurst, Brother Gerard had spent a long period at the Marist Brothers Training College, where today at Mittagong he continues the education of the junior Novices of the Order. Brother Gerard also numbers periods as Director of St. Joseph's College and of the pre-philosophy training courses of aspirants to the priesthood at St. Columba's College, Springwood. He also served for many years on educational Councils of the Church and State in New South Wales. We all hope that Brother Gerard will be spared for many more years to inspire the younger generation of Brothers with his keenness and fervour for true learning.

Sodality of Our Lady

The work of the sodality, begun in 1962, was continued throughout the year. At the beginning of the year, membership was greatly increased by the enrolment from Fourth Year.

Members of the sodality continued their work at St. Vincent's Hospital, Darlinghurst, and at the Catholic Seamen's Institute. Periodically, groups from the sodality did work at St. Edmund's School for Blind Boys.

This year a junior sodality was introduced into Third Year. Activities of the junior sodality included a fund raising drive within the school for the missions.

On 28th July, members of both sodalities took part in World Sodality Day at St.

Francis Xavier Church, Lavender Bay. The day was marked by the Service of the Word Ceremony. This was followed by a Seminar in which the secretary of the senior sodality, John Andersen, took part.

Thanks are due this year to Rev. Father McAlary, the spiritual director of the sodality, for his advice and assistance, and to the Brothers Norman, Lionel and Peter for their work among the boys.

The junior executive for 1963 was:—
President: A. Britton; Secretary: G. Fraser;
Treasurer: F. Borg.

The senior executive for 1963 was:
President: R. Akhurst; Secretary: J. Andersen;
Treasurer: M. Storey.

Cadets

1963 found the Cadet Unit with a large contingent of recruits. These rookies, following the steadfast example set by C.U.O.'s D. Rawling, R. Akhurst and N.C.O.'s were soon initiated into Army ways.

Specialists' Courses: Cadets attended these courses during the May holidays. Cdts. L. Davies and K. Akhurst attended the N.C.O.'s course; Sgt. B. Richardson specialised in the M.M.G.; while L/cpls. P. McMahon and S. Smallwood took instruction in the Band.

Bivouac: For the first time in many years, the Unit attended a bivouac on the grounds of St. Gregory's College Campbelltown. This exercise provided invaluable experience for officers, N.C.O.'s and cadets alike.

Annual Camp: The August camp held at Singleton was a fitting climax to the cadets'

year of 1963. "Activity" was the keyword, and to his credit Br. Hugh Thomas always had something "going."

Besides the basic military training, emphasis this year was placed on bush activity. The bivouac, with the addition of the obstacle course crossing and the physical fitness exercises, provided a novel experience for all. The second year cadets found "Operation Contact" tough, but enjoyable. At the firing range, these cadets distinguished themselves as the best marksmen in camp.

We are grateful to Sergeant-Major Galloway for the interest he has taken in the unit during the year.

In M.C.C. football we had a lean year. Games were close and enjoyable, but we lost too many points at the start of the season to win premierships. Congratulations to Lewisham, Strathfield and Randwick who were co-premiers in the A Grade, and to the premiership teams in the other grades.

The School was well represented in the Catholic Intermediate Schools Competition. In this competition the School played a series of matches against teams from Lakemba, Marrickville and Randwick. The Open Grade and the Six-stone grade did particularly well.

Two Primary teams and two Secondary teams were entered in the Eastern Suburbs Saturday morning competition. This has developed into quite an interesting diversion for parents on a Saturday morning. There are about ten teams in each of the Primary grades. The 7-stone "A" team played delightful football in this competition. The final, in which they were described by many competent judges as "one of the best games of schoolboy football seen during the season."

We are most grateful to Mr. J. O'Brien for his constant assistance to our teams throughout the season.

The gradual improvement shown by the footballers during the season blossomed forth in the Eastern Suburbs Knockout competition. We contested all seven finals in the secondary section and were victorious in five of these. The results of our wins in the finals were:—

Earlier in the football season our Five-stone-seven team participated in the Westmead Knockout where they played magnificent football to win their division by a very wide margin.

In the Colour competition conducted on Thursdays during the term, the Blues proved much too strong for the opposition. The minor positions were filled by the Reds and Golds, while the Greens were awarded "The Wooden Spoon."

We rounded off the football season with our own House Knockout competition. We were fortunate to have a glorious day and a very competent band of mothers to look after us at lunch time; to the latter we say "Thanks very much—we do not know what we would do without you." Games were closely and very vigorously contested. The Golds emerged as victors, two points in front of the Reds.

Social Activities

THE SENIOR DANCE

The school dance, held at Paddington Town Hall at the end of Second Term, was an outstanding social event of the school year. A few, the less agile among us, awaited the evening with dread, but most of the boys spent the preceding week in a fever of anticipation and the following one recovering from the sickness.

Thanks to the intensive preparation under the tutelage of Mr. Froulop and Miss Paton very few of us were embarrassed on the floor by treading on our partners' toes. Everybody enjoyed themselves tremendously and our thanks are due especially to our partners and the Sisters at St. Vincent's, Potts Point, and the Brigidine Convent, Randwick, who prepared the girls.

We are also grateful to Brother Norman for organising the dance, to Mr. T. Akhurst our Master of Ceremonies, to the band for keeping us on our toes the whole night and last but not least to the ladies who prepared such a sumptuous feast at supper time.

FAREWELL DINNER TO THE LEAVING CERTIFICATE CLASS

The Farewell Dinner to the Leaving Certificate students of 1963 was held at Paddington Town Hall on the night of Thursday, 31st October. A crowd of about 190 was present to do justice to the appetising meal prepared by the ladies from the Parents and Friends' Association.

Amongst the special guests at the official table were the school chaplain, Fr. McAlary, who addressed the boys on behalf of the visitors, Br. Brendan from Marist Brothers' School, Woollahra, and representatives of the Old Boys' Union and the Parents and Friends' Association.

All the after dinner speakers hid any nervousness they may have been feeling and acquitted themselves creditably. Peter Dorhauer from Fourth Year and John Andersen from the departing Fifth Year were judged best by acclamation.

Towards the close of the evening Robert Daley, aided by Ian Lygoe, suitably attired

in golfing regalia, presented Br. Norman with a golfing buggy complete with dummy clubs. Later Br. Norman presented the cricket bat trophy suitably inscribed with the names of the staff and the 1963 Leaving Certificate students to Dennis Regan who was lucky enough to have his name drawn from the hat. He thus became the first holder of the trophy.

In replying to the toast Alma Mater Br. Norman gave a few words of advice to the departing students. Br. Ferrer then read the special prize list for 1963.

The toast list was as follows:

Chairman: Michael Marshall.

BANQUET FOR WINNING TEAM

On the 24th October at the Paddington Town Hall the Blues celebrated their first success in fifteen years in the House Colour competition. The hall was gaily decked in blue, and the necessary arrangements for the banquet were left in the capable hands of Brother Norman and the kind ladies from the Parents and Friends' Association.

After the food disappeared, Barry Holman, the captain of the Reds, praised the Blues for their excellent performances in the classrooms as well as on the sporting fields. He also paid tribute to the efforts of the Blues' zealous patron Brother Lionel and captain Robert Brassil. The Blue's captain then replied and thanked the other teams for their keen competition during the year.

The big day for the Blues finally concluded when Robert Daley thanked the ladies for their generosity in arranging such a tasty meal.

Parents & Friends' Association

President: Mr. T. Akhurst

Vice-Presidents: Messrs. D. G. Simpson and O. Howard

Secretary: Mrs. T. Akhurst

Assistant Secretary: Mrs. J. Langdon

Treasurer: Mr. J. Langdon

The activities of the Parents and Friends' Association for 1963 were, as in previous years, highly successful. They are summarised in the President's report:—

1. Improvements to School Property

There was not very much work done on the school itself this year; the yard has been resurfaced and, although the Parents and Friends financed this work, through the generosity of the City Council whose workmen carried out the job, the money has been refunded to the School. Our thanks and appreciation to the City Council. Brother Norman has plans for a project to be carried out next year, about which we shall hear more in the New Year.

2. Boys' Nights, Holden Circle and Fete

The results of these functions have maintained the high level of previous years as is evident by the Financial Report. The response by supporters to our efforts is very heartening, which tends to indicate they agree wholeheartedly with the objectives of the Association. The functions require very little organisation because of the close co-operation between the Brothers and the various committees, the members of which labour with great zest to ensure the success so evident. The ladies who conduct the var-

ious stalls, the men who assist on the wheel and games, the promoters on the Holden Circle and the Brothers are to be congratulated on the results of their efforts.

3. Ladies' Committee

As is the case in most organisations such as ours, the Ladies' Committee is the mainstay of the organisation. As well as doing a sterling job with the three main functions listed above, they also take the responsibility of providing afternoon teas at the Athletics Carnival, lunches for the boys at the School football "Knock-out" competition and the preparation and serving of meals on the occasions of the "banquet" for the winners of the House competition and the Fourth Year farewell dinner to the Leaving Certificate Class. They also (very successfully) conduct a Mother's Day Fete at the School to enable the boys to purchase suitable gifts, at reduced prices.

The untiring efforts of these ladies is readily acknowledged and appreciated, not only by the Executive Committee but also by the Brothers and boys alike. The Ladies' Luncheons held during the year afforded an opportunity to discuss mutual interests with other members of the Association.

Congratulations, Ladies, on a job well done!

4. Social

Our social year commenced on November 25 with the annual Golf Day held at St. Michael's Golf Course. This day enables keen golfers among the Brothers and the P. & F. to compete in a relaxed, sociable game, be they proficient or "scrubbers."

The Christmas social on December 8 was an outstanding success. Held at the School, as is usual for this function, the attendance was gratifying after the previous years and the Executive hopes and trusts this will go on to bigger and even better socials.

As in previous years, the Men's Social, held at the School on February 15, was an unqualified success. A most pleasant evening was enjoyed by all, assisted in no small manner by the excellent performances of a group of entertainers who generously donated their services on the invitation of Mr. W. Sadlier. This was very sincerely appreciated and we thank Mr. Sadlier for making this arrangement.

Our mid-year social held at Paddington Town Hall on June 7, failed to attract the numbers hoped for. Those loyal supporters who usually attend these socials were very much in evidence and proceeded to enjoy the evening. The Executive Committee is only too anxious to continue these gatherings in the interest of harmony and co-operation among the members of the Association but it feels it cannot make a real success of this type of function unless it has the wholehearted support of the members. Our supporters and helpers appear in great numbers at the school functions, for which we are extremely grateful, yet when an opportunity presents itself to relax and enjoy the company of their friends and fellow members there is a noticeable lack of enthusiasm and interest on the part of many. So we exhort you to make an

effort to attend and enjoy these social gatherings, and, to misquote a well-known TV advertising personality, "Bring your friends with you!"

Owing to circumstances beyond our control, the Annual Golf Day for 1963 was held earlier this year. A good field started and despite failing light all finished the course.

An innovation revived from a few years ago was the appearance of guest speakers at some of our Monthly Meetings. Mr. Roddy, President of the Federation of Catholic Parents and Friends' Associations, addressed a well-attended meeting.

His subject, of great interest to his audience, was "State Aid to Denominational Schools." Another very interesting and informative address was delivered by Mr. Encarnacao on "Portugal, its history and colonies."

It is usual to hold two picnic days at St. Gregory's, Campbelltown, during the year. Unfortunately rain washed out both these fixtures in 1963.

The Executive Committee extends a hearty vote of thanks to the ladies for their untiring efforts. Their consistent support contributed in no small measure to the success and smooth running of all our functions.

To the men we offer our sincere thanks and appreciation for their part in the collective effort. The Brothers also are deserving of special thanks for their organisation, within the School, of the Guessing Competitions and fostering interest among the boys in the various events conducted by the Parents' and Friends' Association. Our thanks and appreciation go to all those who have in any way assisted us in conducting the functions throughout the year: the various business firms of Sydney and

suburbs, our many other donors and friends outside the Association.

Personally, I wish to express my thanks to the members of the Executive Committee for the co-operation afforded me as President of this Association. They have carried out their duties most admirably and willingly and their efforts have been justly rewarded. I extend my thanks to the members for their co-operation. I have endeavoured, to the best of my ability, to carry out the requirements of the office to which I was elected and I apologise for any lapses which may have occurred.

May I also express my appreciation and congratulations on behalf of the Association to Brother Norman and his Staff for the excellent work they have done to help our boys toward a higher education and I trust

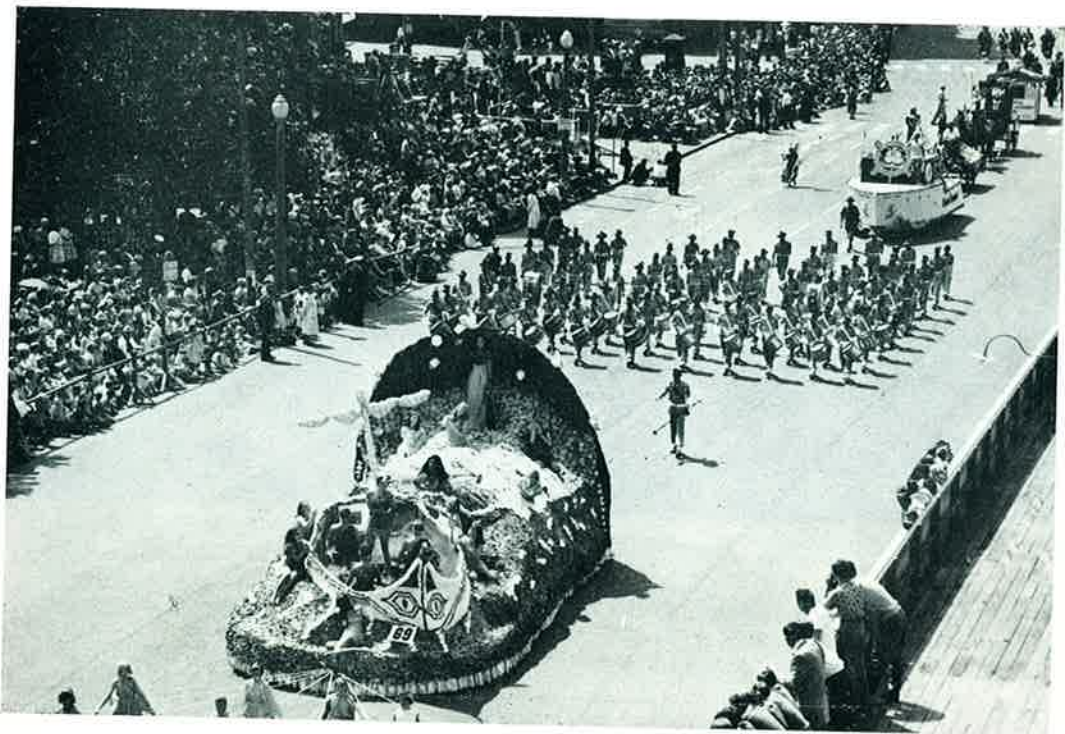

their efforts will be amply rewarded when the results of the forthcoming examinations become known.

In conclusion may I, on behalf of the Executive Committee, take this opportunity of wishing the Brothers, the members of the Association, the boys of the School and all our supporters every happiness and success in the coming year.

The Annual Communion Breakfast was held at the School on Sunday, 24th February, 1963. The Mass, celebrated by Rev. Father Paul Murray, was at Sacred Heart Church, Darlinghurst. A crowd of about 70 sat down to the Breakfast.

A Supper Dance was held at the Sky Lounge on 21st August, 1963—the attendance being 140. In preparation for this Dance the Old Boys' Committee was assisted by a group of ladies who did much to make the night the success it was. We are very grateful to these good ladies and trust that they and others will continue their support.

The Annual Dinner was held at the Catholic Club on Thursday, 3rd October, 1963. Just over 100 attended this very successful function. The toast to the School was ably proposed by Geoff. Davey and seconded by Tom Timmins. Rev. Brother Norman, the present Director, responded. Brother Quentin, Provincial, also addressed the gathering. Chairman was our worthy President, Don McCallum.

Diamond Jubilee of Brother Gerard

As the magazine goes to press the Old Boys are preparing for a special Dinner to be held to honour the Diamond Jubilee of

Brother Gerard. It is to be held at Aaron's Hotel on 29th November, 1963. A good attendance of Old Boys is expected to celebrate this very special occasion.

Sympathy:

Our deepest sympathy and promise of prayers is extended to the relations of the following Old Boys who died during the year: Rev. E. Dwyer, C.S.S.R., Frank Ruwald, John Herlihy, Jim Flynn, Dr. John Donnellan, Jack Brookes, George Favoloro, William Hatfield, Brian Hogan, Des. Donovan's Father.

Holy Masses for the happy repose of their souls have been offered on behalf of the Old Boys' Union.

Frank Ruwald died suddenly on his way home from Mass. He had been at various times Secretary and Treasurer of the Old Boys' union and was a member of this year's Committee. His enthusiasm for his Alma Mater was always in evidence and his genial presence will be sadly missed.

Mr. Justice Clancy is a very busy man these days—in addition to his duties as Chancellor of the University of N.S.W. he has now added those as Senior Puisne Judge of N.S.W. Supreme Court.

At the Annual Dinner this year there was a great roll-up of the 1927 Intermediate Class, among those noted were: Rev. Brother Peter, Bill Knight, Q.C., Dick Lynch, Clem Haylen, Phil Ruthven, John Rutledge, Peter Fallon, Alec Towey, Tim Mulheren, Jack Mather, Bern. Bradley (with this class in 1st and 2nd Year) was also present. Brother Stanislaus (now at Marcellin College, Randwick) who taught the class was there to recall old times. Others from the same class who sent apologies were Rev. Father Greg. Madden, Peter (Vincent) Duffy and Phil Dorrian, Dr. C. Musso.

Ted Linder has been made a member of the Joint Coal Board.

Old Boys will be sorry to hear that *Jack Doyle* is not well. He is at present in St. Vincent's Hospital. We send him our best wishes for a speedy recovery.

Our best wishes go to *Eddie Wing* who plans to get married early next year.

We were delighted to have with us at the Annual Dinner, Father Jim O'Reilly, C.M. and his brother Father Tom O'Reilly, C.M. Father Jim is Parish Priest of Ashfield and in addition to his many duties is the Director of the famous "Golden Opportunity" Art Unions. Father Tom is Superior at the Vincentian Seminary at Eastwood.

Rev. Brother Quentin, Provincial of the Sydney Province of the Marist Brothers,

was present at the Dinner—Brother taught for many years at the High School and was able to meet many of his former pupils.

On board the "Brittany" several days out from Sydney there was a spectacular Darlo Old Boys reunion attended by Bill Kerwin, Dennis Townsen, Ron Mason and Mark Trainor. Dennis was travelling to England to meet the parents of his bride-to-be. The wedding will be in London.

"Light Blue and Dark Blue" was sung so often that the Greek cabin stewards thought it was a replacement of the Australian national song "Waltzing Matilda." It received probably its finest rendition one still night in the harbour at Colombo as the four "Darlo" men returned with a small boatload of fellow passengers (who had by this time learnt the tune if not the actual words) to their ship after a night on the town.

An Old Boys' Dinner was held in October of this year in London. It was attended by Paul, Luke and Mark Trainor. The speeches were every bit as good as those we used to hear at Cahill's (but not as long). Luke has just completed his B.A. honours degree at London University and is studying for his M.A. Luke's son is approaching school age but may not be able to attend Darlo because of the irregular transport service.

Dr. John Donnellan, a former metropolitan officer of health for the State Health Department, died recently. He was 64.

Dr. Donnellan was appointed metropolitan officer of health in 1953 and retired last year.

He graduated from Sydney University in 1924 and joined the department in 1940 after five years with the Department of Education.

He was medical officer of health in Lis-
more from 1947 to 1953.

Dr. Donnellan directed the annual Health Week; was a member of the Aborigines' Welfare Board, and represented the department on many committees.

He is survived by Mrs. Donnellan, a son and a daughter.

("S.M. Herald", April 23, 1963)

Members were grieved to hear of the death of Jim Flynn, who passed to his eternal reward on 21st April.

He was a Life Member, and was one of the Club's most regular patrons. He retired on June 1, 1962, after 50 years' distinguished service with the N.S.W. Health Department.

A very fine tribute was paid to him on his retirement by the Minister for Health, Mr. W. F. Sheahan, who said, "Mr. Flynn's career was dedicated to the public health of the State. In the everyday routine of examination of specimens on which human lives depend, Mr. Flynn and his colleagues are often the unsung heroes. The State is proud to acclaim Mr. Flynn's outstanding contribution to the welfare of the community."

Dear Brother,

I'm writing to ask whether my thanks to the Old Boys' could be included in the "Blue & Blue" this year. In January my mission house and everything in it was burned down, and the Old Boys helped me wonderfully with a gift of over £100. Ted Harland, Kev. Bertram, and Ron. Thornton were the main organisers. The cheque arrived by the way on Easter Sunday and as an Easter egg it couldn't be beaten. With the money I've bought roofing iron for a new school room which will, I hope, be the beginning for a much needed revival here at Yemnu. I pin all my hopes on the school as a matter of fact, and if it has the effect I expect it to, I'll be very proud of the Darlo contribution.

Fr. Herbert, O.F.M.
(Paul Finnane, L.C. 1949)

Our hearty congratulations to Father E. McFarlane, M.S.C., who celebrated the Golden Jubilee of his ordination on 17th March, 1963. Present at the Mass on the occasion were Rev. Brother Andrew (a former Provincial of the Marist Brothers) and Rev. Brother Peter. Following Holy Mass at Kensington Monastery a celebration was held, the Chairman being another Old Boy—Mr. William Knight, Q.C.

"Mick" Mather called in to see his Alma Mater during the year. Mick, who is in charge at Williamtown Air Base, looked none the worse for his experience when he was forced to "bale out" of his plane.

Sam Ogg was very much in the news in the early part of the year. His position as Government Analyst led to his being called on in connection with a famous poison trial.

John Armstrong's outstanding ability led to his appointment as Chairman of the Sydney County Council, where he has George Washington as one of his assistants.

The Annual Retreats

The Annual Retreats for the L.C. classes were undertaken more seriously than ever before. Everyone realised it was his last year for a school Retreat and was determined to do his best. The two day Retreats given by Fathers Drake and Lambert were conducted in the usual manner.

Dialogue Mass and Benediction of the Blessed Sacrament were celebrated each

day, the midday Mass giving the boys the opportunity of receiving Holy Communion. We served Mass and Benediction ourselves.

We hope that the Retreats held for all the other secondary classes were as successful as ours. Our thanks go most heartily to the Father and Brothers at Kensington Monastery.

Obituary

REV. BROTHER GREGORY

Early this year a former headmaster of the High School passed to his eternal reward. Brother Gregory was a native of South Australia but had begun teaching as a secular at the Marist Brothers' College at New Norcia, Western Australia. It was at the nearby Benedictine Abbey that he acquired his specialist knowledge of Church music. Later he joined the Brothers and was received into the Order in 1918.

Brother Gregory did all his teaching in New South Wales, during which time he was Master of Novices at Mittagong for seven years and later assisted in directing the fortunes of the Brothers in Australia as a Provincial Counsellor. At the same time Brother Gregory was completing his term of office as headmaster at Darlinghurst between the years 1945 and 1947. Midst these many duties he also found time to lecture to the young Brothers in Church Music.

To those who knew him at the High School, Brother Gregory was essentially a man of culture and a student who never spared himself in furthering the interests of the school. Old boys of his time will be witness to their mutual enjoyment when at Old Boys' meetings Brother Gregory poured out his fund of jokes that he loved to share with his friends. May he rest in peace.

SISTER MARY CLARE, M.B.E.

A friend in need to the Brothers and boys almost since the days we arrived at Darlinghurst, Sister Mary Clare died at the end of the second term. One would have thought that she realised the football season with its casualties was at an end and that there was no need to delay her departure.

Sister Mary Clare had been in charge of the Outpatients' Department at St. Vincents Hospital for almost half a century. The generations of Darlinghurst footballers who received her prompt attention knew little of the favours of all kinds medical and otherwise that Sister Clare gave to the needy people of Darlinghurst, especially in feeding the hungry during the depression years. Even when off duty she would not let the Brothers go home after the monthly film at the hospital without a tasty supper

and some of her stories of the "razor gang" days.

It was no surprise when last year the Queen awarded Sister Mary Clare an M.B.E. for her long and meritorious service to the sick and needy.

May the Lord have mercy on her kindly soul.

"QUEENIE" O'ROURKE

An elderly Catholic lady well-known in the East Sydney district went to her reward during the year. It seemed providential that the Lord should have taken her on a First Sunday when the ladies of the Sacred Heart Society were on the way to their monthly meeting without "Queenie," almost for the first time in living memory.

Although Miss O'Rourke did not parade her piety it was obvious from her activity in the many pious associations in the Darlinghurst parish. However, very few were aware of her outstanding generosity to neighbours in need; nor were the Brothers forgotten each Christmas as Miss O'Rourke sent her valuable gifts of expensive equipment to improve the teaching facilities at the School.

Although the Brothers miss her cheery "good morning boys" on their way to Mass we shall for a long time remember in our prayers an exemplary Catholic lady. May her truly Christian soul rest in peace.

The present boys suffered the following bereavements during the year:—

Michael Marshall, Darrel Smith and Bernard Walford each lost his father, and Christopher Hogan a brother and John Andersen, Phillip and Christopher Jones a sister. The following boys reported the deaths of their grandparents:—Michael Ahearn, Anthony Buda, Joseph Both, Gregory and Paul Bull, Fulvio Clappis, Terrence Duggan, Phillip Etcell, Brian and John Fitzgerald, Gregory Fraser, Christopher Frost, Anthony Grech, Gerald and Michael Howard, Geoffrey, Michael and Paul Hills, Robert Linke, Michael Moore, Ernest Price, William Purvis, Douglas Reid, Paul Richardson, Paul Roberts, Peter Robertson, William Sheehy, Philip Smith, Herbert Wills.
