Marist Brothers' High School
Darlinghurst

DECEMBER, 1966

Foreword

On July 18, 1966, the Brother Provincial of the Sydney Province of the Marist Brothers made the announcement that the famous Marist Brothers' High School, Darlinghurst, would close its doors in December, 1968. Although this announcement came as no surprise to many people, who were aware of the great changes going on in the re-organisation of Catholic Education in this city of Sydney, nevertheless the actual announcement of the closure of this School brought feelings of sadness to the hearts of all.

When one considers the great number of Old Boy Priests and Brothers; the distinguished Judges; the three most recent Lord Mayors of Sydney; and innumerable members of all professions who have passed through the doors of the High School, one cannot but be saddened at the thought of the passing of this distinguished School. A great tradition has been built up here over the past ninety-one years and it is a pity to see it come to an end. However, we must face the realities of the situation.

When the High School was established on its present site at Darlinghurst in 1911 it was the only Catholic Boys' High School in Sydney. Since those days a tremendous number of Catholic High Schools have grown up in the outer suburbs of the metropolitan area of Sydney. The result is that only by advertising and canvassing have the numbers of students been kept up to an economic level. But this method of procedure seems dated now when one considers the great need for Brothers in the outer suburbs and in the country areas.

At the present time the High School draws boys from seventy-four different suburbs and it is not unreasonable to imagine that the vast majority of these could be placed in the Regional High Schools now being set up in the Archdiocese of Sydney. Add to this the tremendous financial strain placed on the Catholic population by the implementation of the Wyndham Scheme and one can see that it is no longer economically possible to maintain a small High School like Darlinghurst.

So we can see that the High School is closing to help in the better distribution of Brothers and schools throughout the Archdiocese. However, since the School has already existed in three different sites one would not be surprised to find it continuing its existence elsewhere.

*His Eminence Norman Thomas Gilroy,
Archbishop of Sydney, Patron of the School*

The Marist Brothers of St. Mary's High School, Darlinghurst, and their pupils offer his Eminence (Cardinal Norman Thomas Gilroy), sentiments of sincere filial respect and loyalty together with Christmas and New Year Greetings. Likewise, we extend best wishes to His Grace, Archbishop Carroll, and to their Lordships, Bishop Freeman and Bishop Muldoon, Auxiliaries to His Eminence.

Sesquicentenary of the Marist Family

A Marist Priest points out the relic (bone) of St. Peter Chanel to other members of the Marist Family (from the left): a Brother Associate of the priests, a Marist Sister, a Missionary Sister of the Society of Mary, and a Marist Brother of the Schools.

It was most inspiring to see St. Mary's Cathedral packed on July 23rd of this year to commemorate an important decision made exactly one hundred and fifty years previously in the small church of Our Lady of Fourviere on the hill dominating the city of Lyons in Southern France. On that day in 1816, twelve earnest young men, eight of them ordained priests the preceding day, assembled at the altar of Our Lady's shrine. Here they assisted at Mass celebrated by one of their number, Father C. Courville, and then formally committed themselves to a venture which, under the guidance and protection of Mary, was to play a great role in the extension of God's kingdom in this world. Upon her altar they placed a document testifying to their desire to consecrate themselves to the founding of "the holy congregation of Marists," a project first conceived by Father Courville in 1814. The large number of Marist Fathers, Brothers and Sisters assembled in St. Mary's Cathedral, with pupils from their schools, was testimony enough of the degree to which God has favoured that project formally initiated in 1816.

And yet this great work, once begun, was to experience many trials before attaining that success which characterises it today, trials which played their part in strengthening the resolve of the early Marist pioneers and in consolidating the aims and spirit of the four congregations which have burgeoned from the one root.

Two of these congregations, the Marist Sisters and the Marist Brothers of the Schools, began their apostolate in 1817, the former under the guidance of Venerable Jean-Claude Colin and the latter under Blessed Marcellin Champagnat. From the outset, it was intended that the Marist Institute would be composed of four groups — Priests, Brothers, Sisters, and a third order for lay people. Circumstances favoured the early development of the Brothers and Sisters; the progress of these two groups served but to intensify the dearest desire of the first Marist priests, to unite as a religious congregation under the one Superior. In fact, paradoxically enough, the last group to be effectively organised under diocesan approval and in its own house was that of the Priests, the obvious hub of the Congregation.

And yet, fittingly, the Priests were the first to receive Papal approbation, independently of the Brothers and Sisters, in Pope Gregory XVI's Brief of April 29th, 1836 "Omnium gentium salus." By this Brief also the congregation was entrusted with the newly-developing mission of Western Oceania.

Although the Holy See had approved only the Marist Fathers at this stage, it would be quite wrong to see this as marking any form of severance between Priests and Brothers. In fact, the Brothers worked in very close contact with these first missionaries, three of them being numbered in the small band which set forth in 1836, just a few months after the first profession of Marist Priests in their recently constituted Society. Two of these, Brother Marie-Nizier (the companion of St. Peter Chanel on Futuna Island) and Brother Joseph-Francis-Xavier, had actually trained as teaching Brothers under Blessed Marcellin Champagnat at his establishment "The Hermitage" near Lyons. Between 1836 and 1849, Rev. Father Colin, the first Superior-General of the Marist Fathers, sent 26 Teaching Brothers and 17 Brother Associates to the Pacific Missions, along with 74 Priests.

For some years, both the Teaching Brothers and the Brother Associates were trained together at "The Hermitage." In time, it was found more practical to establish the Marist Teaching Brothers as a congregation in its own right, and to train the Brother Associates independently as part of the Priests' Society of Mary.

In 1842, Brothers Louis-Marie and Jean-Baptiste represented the Brothers at the Marist Fathers' General Chapter in Lyons to request the Priests to maintain the Brothers under the same Superior-General as the Priests themselves, in accordance with the wishes of Blessed Marcellin, who had died in 1840. The General Chapter approved the request, but it was not ratified by the Holy See. Instead, Rome asked for the separation of all four branches — for whom Father Colin had sought official approval as early as 1833 — so that the greater autonomy afforded each would enable it to develop more rapidly.

And so it has proved. While always closely united through their common aims

and Marist spirit of humility, simplicity, and modesty, the four groups have shown remarkable progress from the day when they were constituted as independent congregations.

This is seen best of all, perhaps, in the gradual evolution of the last of the Marist religious institutes to be formed, the Missionary Sisters of the Society of Mary. At first, groups of the Third Order of Mary were established as communities of women to assist the missionaries in almost all of the Marist Fathers' vicariates in the Pacific, each group subject to its own Bishop. In 1931, however, these independent groups were combined into the one religious institute of pontifical rite, the Missionary Sisters of the Society of Mary. Of course, the Third Order of Mary for lay people has continued to function as well, and does sterling service in promoting devotion to our Blessed Mother.

The Australian Province of the Marist Fathers comprises seventeen houses in addition to the mission in Japan. Their activities in Australia include the administration of parishes, colleges, the Aquinas Academy of Philosophy, and home missions.

The Marist Sisters in Australia form part of the Province of Oceania. In addition to three colleges and Novitiate in Australia, this province incorporates as well seven mission stations in Fiji and six establishments in New Zealand.

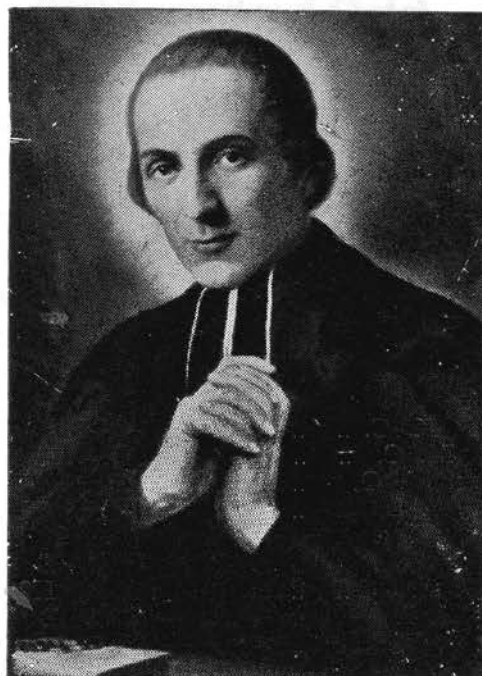

The Missionary Sisters of the Society of Mary conduct schools and a hospital in Australia. In addition, their Australian Province includes the administration of schools in the missions of the British Solomon Islands and Bougainville, T.N.G.

The Marist Brothers of the Schools, numbering 570 in Australia, have schools in all the mainland States, the Solomon Islands, and New Guinea. They are responsible also for the administration of St. Vincent's Orphanage at Westmead.

Throughout the world there are almost 10,000 professed Brothers, spread over forty-four provinces; the number of pupils under their care exceeds a third of a million.

These sketchy details indicating the present day vitality of the Marist family show how God has blessed the endeavours of those young men who assembled at the Fourviere shrine in 1816. For this we can look back with justifiable pride to their zeal and perseverance, and trust that under Mary's guidance we shall progress still further in the apostolate confided to us.

It is fitting that this particular milestone, our sesquicentenary, should occur at the time when we are considering intently the recommendations of Vatican II. The Council made particular reference to the characteristic spirit of Our Lady as that of "hidden holiness," the simplicity which is the very essence of the Gospel itself. We Marists rejoice that such is the spirit that our pioneers embraced so ardently and sought, above all, to be the cornerstone of the various Marist congregations. Under the patronage of Mary, may it continue to be our distinctive mark as our Marist family grows and so becomes increasingly competent in the fields "white to the harvest" which have been entrusted to us.

Rev. Brother Hilary, A. G.

During the course of the year we had the privilege of welcoming Rev. Brother Hilary back to Darlinghurst. Old Boys of the 1920's will remember Br. Hilary as a keen and enthusiastic teacher who was vitally interested in the welfare of his pupils. This year he returned as the delegate of the Reverend Brother Charles Raphael, Superior General, of Rome. Br. Hilary is an Assistant to the Reverend Brother Superior and resides in Rome. He came to Australia to inspect the work of the Brothers in all the schools of the Commonwealth from Perth to Cairns and also in the Solomon Islands and in New Guinea.

While in Australia he discussed with Rev. Brother Othmar, Provincial, the question of starting missionary work in Pakistan. Later

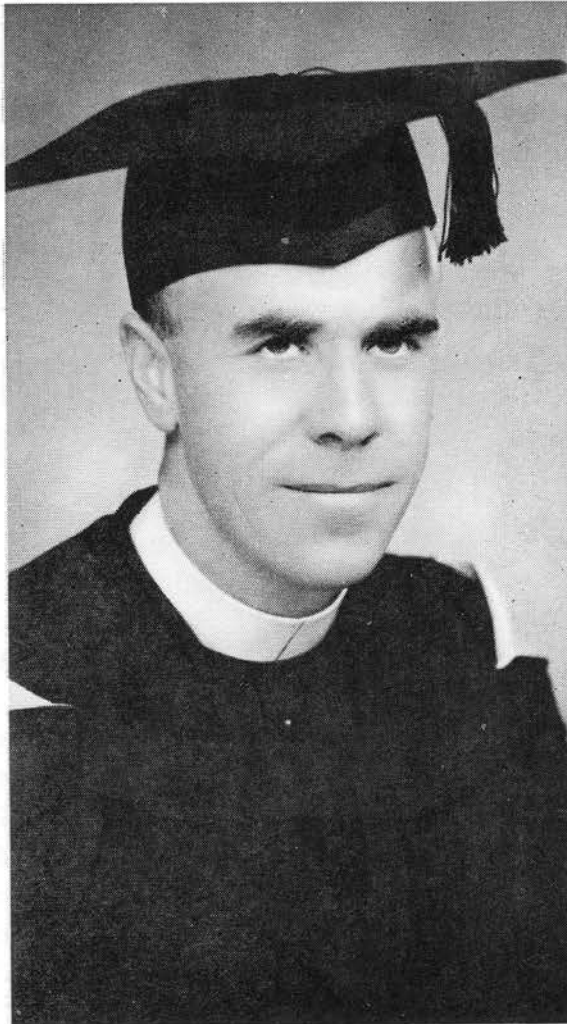

in the year, Br. Elwyn was chosen as the first Australian for this new work. Br. Elwyn was on the staff at Darlinghurst for a short time in the 1950's.

Next year Brother Superior General and his Assistants will prepare details for the General Chapter of the Order to be held in Rome late in 1967. Each of the Provinces of the Order will send its Provincial and two delegates elected by the professed Brothers. This means that Br. Hilary and six other Australians will meet with confreres from around the globe to decide the lines of action for the Order for the next nine years. We offer Br. Hilary our prayers and best wishes for the carrying out of this great task.

Rev. Brother Norman, B.A., A.Ed.

Brother Norman was appointed Director of the Marist Brothers' High School, Darlinghurst, in January, 1960. He had been Director of the Marist Brothers' School at Ayr in North Queensland, and before that had been on the staffs of our schools at Rosalie (Brisbane) and Auburn (Sydney). While on the staff at Rosalie, Brother gained his Bachelor of Arts degree at Queensland University and became an Associate of Education. Old boys of Brother in Brisbane still speak highly of his work as a choir-master as well as a scholarship teacher. The Rosalie Choir was often heard on A.B.C. radio programmes under the baton of Brother Norman.

In 1960 Brother took up the task of directing St. Mary's High School, Darlinghurst. These were difficult times as the number of pupils had grown and accommodation in the main school building was stretched to breaking point. Brother set up classes in the "Old" monastery. The Wyndham Scheme came into being in 1962 and Brother had to organise classes to cope with the new techniques and the new ideas of this scheme. The organising skill that Brother had displayed in other places soon made itself evident here. The boys in the fifth and fourth forms at present are reaping the benefit of Brother's work in laying the foundation for the Wyndham Scheme.

In 1961 Brother organised the celebrations marking the Golden Jubilee of the Brothers' work on Darlinghurst Hill. To commemorate the occasion the Parents and Friends' Association, under Brother's guidance, renovated the school laboratories, thus making the instruction of our young scientists quite practical.

The young Old Boys will always remember Brother Norman as a keen and enthusiastic English teacher; as a serious Religious dedicated to the task of inspiring young lads to greater efforts for God; as a sincere friend interested in all their pursuits.

Brother Norman now has been appointed as Supervisor of the secondary schools of the Marist Brothers. His great organising ability is now directed to co-ordinating the efforts of all Marist secondary teachers as they take up the challenge of preparing students for the Higher School Certificate.

We all offer Brother our sincerest best wishes for a long and fruitful service in this new field.

Rev. Father John Murray

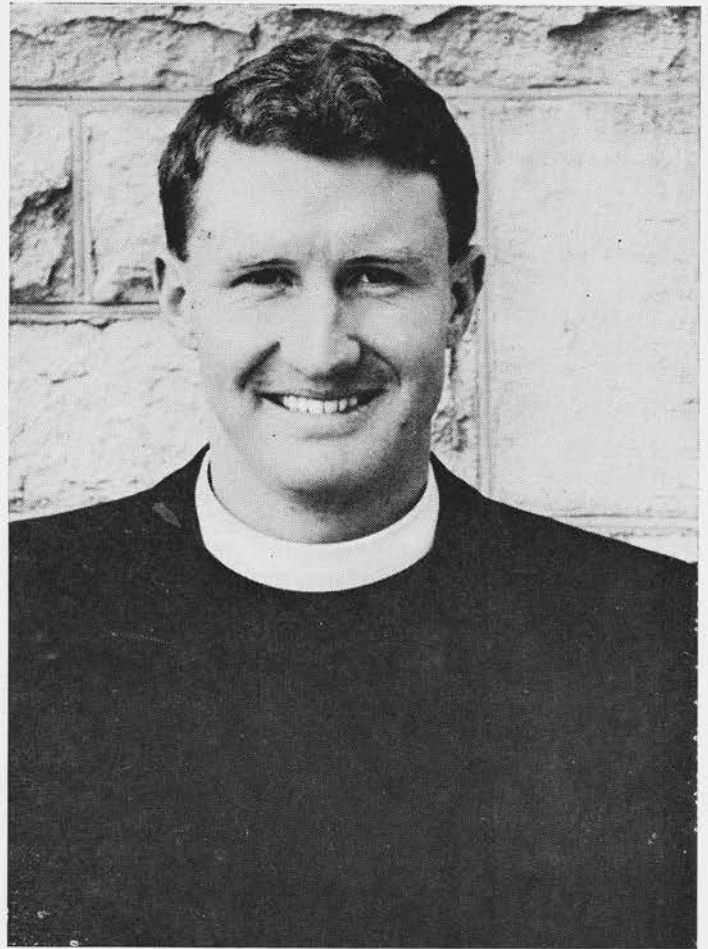

Father Murray, a member of 1958 Leaving Class at Darlinghurst, was ordained to the priesthood by His Eminence Cardinal N. T. Gilroy at St. Mary's Cathedral on Saturday, 16th July, 1966. Father Murray is the eighty-second priest to be educated at this school.

Father commenced at Darlinghurst in fourth class in 1951 and continued through to the Leaving Certificate. He won a Commonwealth scholarship to the University but entered St. Columba's Seminary, Springwood, in 1959. Later he transferred to St. Patrick's College, Manly, where he completed his studies for the priesthood.

On Monday, 25th July, Father returned to his old school to say Mass for the Brothers and boys. He brought back with him several young priests who had been at school with him, namely, Father E. Zondi, Father J. Grainger, Father T. Quinn and Father K. Fitzpatrick. Together they celebrated Mass in the Sacred Heart Parish Church. It was a very pleasing sight for Brothers and boys to see five young Old Boys at the Altar offering Mass together.

At the school later in the morning, Jeffrey Kildea, Captain of the School, welcomed Father John and his mother. He gave the boys a brief outline of Father's successes in classwork, in sport and in the Cadet Corps. He congratulated Father on his ordination and made him a presentation of Spiritual books. Michael Potter, Vice-captain of the School, congratulated Mrs. Murray on seeing her son ordained a priest.

Father Murray made a very inspiring reply. He urged the boys to study the ideas of the Vatican Council on the layman's part in the Mass; the priesthood of the laity; the mission of the "people of God." Father thanked the Brothers and boys for the pleasant welcome he had received and went on to mention his personal debt of gratitude to the Brothers and especially to one of his former teachers, Brother Cloman.

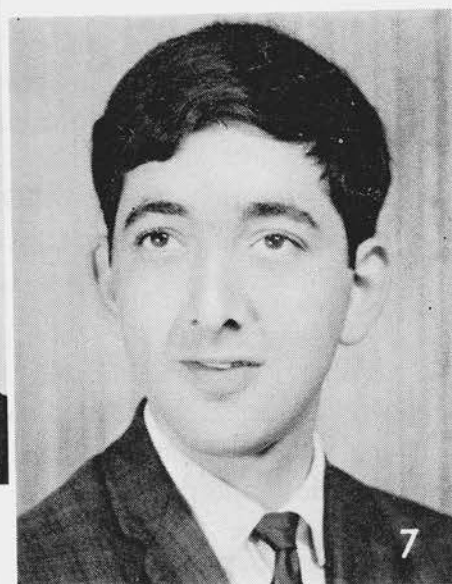

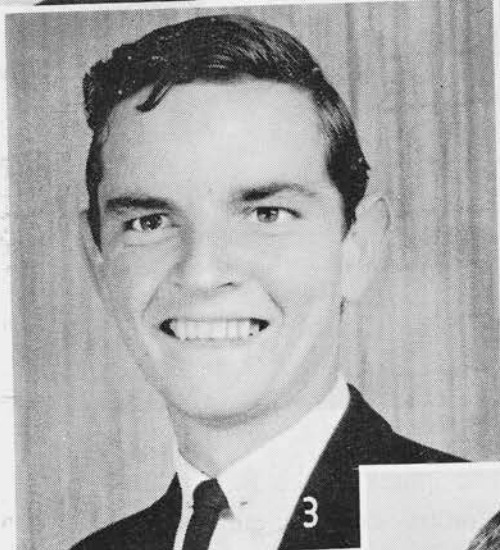

The ladies of the Parents and Friends' Association entertained the guests to a tasty buffet lunch after the presentation ceremony.

Class Rally for Father John Murray.

Father Murray, was entertained by a small group of his classmates from the 1958 Leaving Class at the Catholic Club in July. Present in the group were Father Terry Quinn, Father Kevin Fitzpatrick, Brother Placidus Butler, Max Quinnell, Peter McMurray, Paul Cahill, Colin Woods and Michael Laffan. Former teachers of this class, Brother Demetrius and Brother Cloman, were also present at the function. A very pleasant evening was appreciated by all. Thanks go to the organiser, Max Quinnell.

Our School Chaplain

We consider ourselves very fortunate in having had Rev. Father K. A. Bayada as School Chaplain during the year.

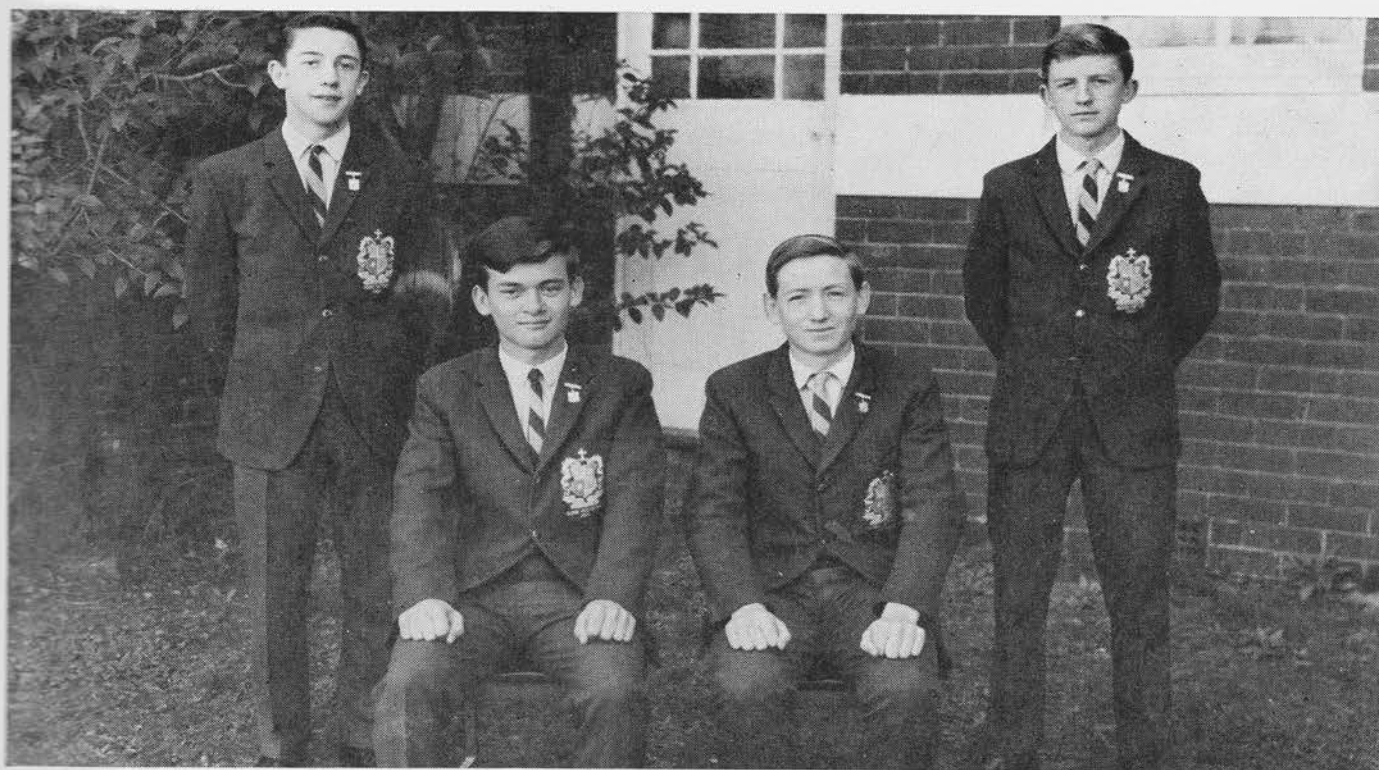

After a term as curate at Belmont, Father Bayada must be finding life much more strenuous in the Sacred Heart Parish, Darlinghurst, to which he was appointed at the beginning of 1966. Even so, he has been particularly interested in the activities of the School, and above all in the spiritual

welfare of the boys. Each week he has devoted a considerable amount of time to counselling and to the hearing of Confessions. The boys find him a man easy to approach and appreciate his deep interest in them.

We thank Father Bayada for his zeal and the assistance he has given, and trust we can look forward to his continuing as Chaplain throughout 1967.

BROTHER PETER AND BROTHER BONAVENTURE

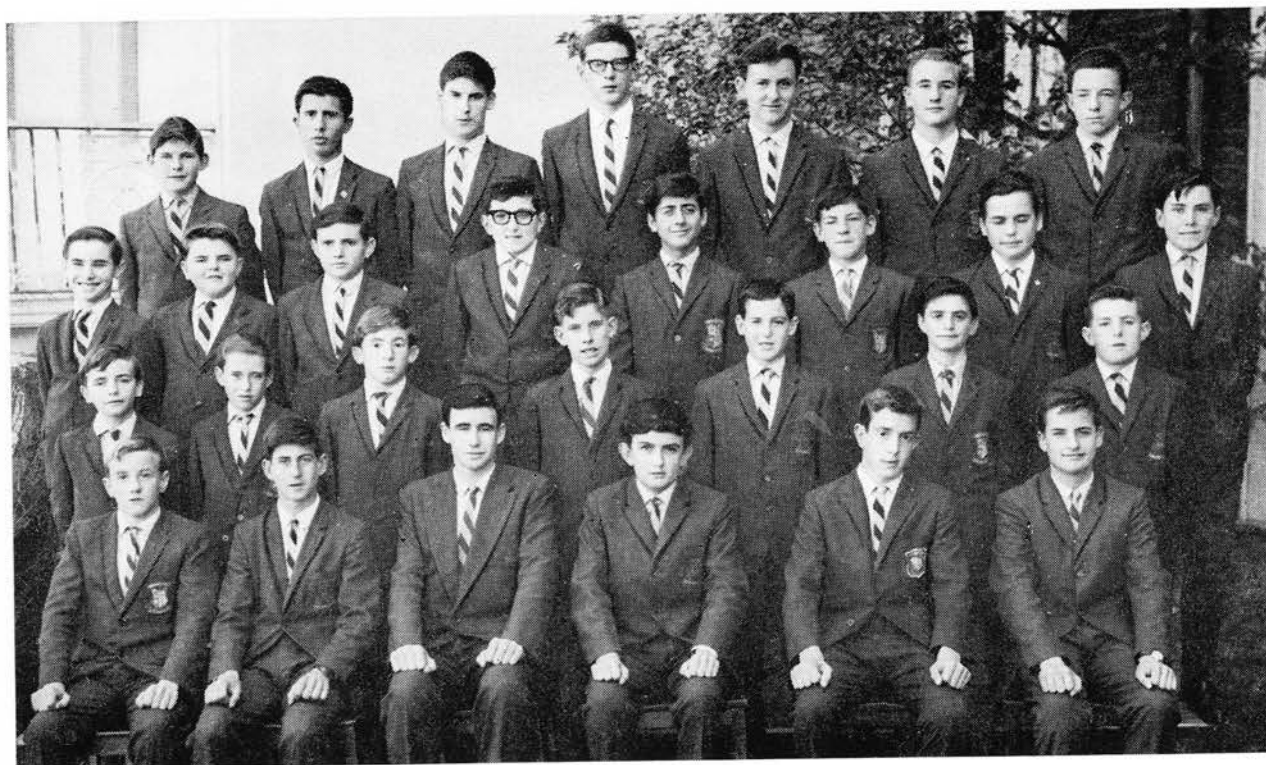

At the end of 1965 Brother Peter was transferred to Marist Brothers' High School, Penshurst, and Brother Bonaventure to Marist Brothers' High School, Lismore. Both Brothers were particularly popular at Darlinghurst and a large number of Parents and Friends were present at the School in early January to farewell these two men. Brother Peter has continued his interest in the School and continues to be a Vice-President of the Old Boys' Union. Brother Bonaventure looked after our footballers during their trip to Lismore in August. To both these men we offer sincere thanks for their work at Darlinghurst and best wishes for the future.

VOCATIONS RECRUITERS

It was our pleasure to welcome to the School during the year, Rev. Father F. Tosi, P.P., and Rev. Father F. Callanan, S.M., and Rev. Brother Salvius, F.M.S., to speak to the boys on the subject of vocations to the Priesthood and the Religious life. We thank them for their interest in the spiritual welfare of the boys, and trust that their work of recruiting will be amply rewarded with a large number of worthy Priests and Brothers.

During the course of its long history, this school has given to the Church eighty-two Priests and thirty-four Brothers. We feel that the present boys of our school are sufficiently generous to continue offering themselves for this great work.

The weekly meetings of the Sodality and special meetings of its executive proved beneficial in sustaining the zeal of the Sodality members and in promoting a deeper personal devotion to Our Lady. Where possible, individual Sodalists undertook to attend Mass on Saturday mornings and major feast days of Our Lady, several boys combining in the one group on occasion for this purpose. Devotion to Our Lady was fostered by the maintenance of altars within the School, the recitation of the Rosary in the chapel during recreation time in October, the organisation of an Art Competition featuring Our Lady, and the sale of Rosary beads.

In a more general way, the Sodality supported worthwhile causes such as "Project Compassion" and the Missions through

fund-raising schemes and the sale of stamps. Individual members prepared some very attractive posters on occasions to advertise these ventures.

While it is relatively easy to assess effectiveness when it is a question of how much was raised to help the Missions or how many sets of Rosary beads were distributed through the School, it is admittedly much harder to evaluate the degree to which the Sodality has achieved its essential aim, that of enriching and sustaining the spiritual life of each of its members. All in all, the Sodality appears to have been highly successful throughout 1966 in pursuit of this important goal.

Public Speaking

Interest in Public Speaking was sustained throughout the year by the provision of a weekly lesson in almost all classes from Fifth Class through to Fourth Form, as well as by participation in Oratory Competitions and in some very successful debates arranged with teams from other schools. Mr. T. Gawne, in particular, provided much valuable guidance, founded on his own experience as an active member of "Rostrum." Of their own initiative, and fired mainly by the enthusiasm of Jeffrey Kildea, a group of boys from various classes organised a Public Speaking Club early in First Term.

We are grateful to the Sisters of Mercy at Holy Cross College, Woollahra, the Brigidine Sisters of Randwick, and the Marist Brothers at North Shore for the debates that they contested with us and are happy to report a very equable sharing of honours.

In the Senior division of the Oratory Competition organised for Catholic Schools by Mr. W. Shiel, B.Ec., of M.B.H.S., Parramatta, we were ably represented by Jeffrey Kildea and Brian Buckley. Gregory Bull and Peter Doyle acquitted themselves well as our Junior representatives. Jeffrey Kildea competed also in the Competition arranged by the Junior Chamber of Commerce — the division in which Jeffrey was entered was won by Peter Christie of Trinity Grammar School, to whom Jeffrey was runner-up in last year's "Lions' Youth of the Year Quest."

Once again, the Lions' Club of Kings Cross (under whose auspices Jeffrey reached the final in 1965) offered our boys the opportunity of representing the district in this year's quest. Following a preliminary competition within the School, six finalists

were selected: Paul Chandler, David Hare, David Jones, Timothy Martin, John Phillips and Michael Potter. At a very enjoyable function held at the Chevron Hotel on July 29th, all six delivered prepared speeches and were then interviewed by a panel of distinguished personages. Careful scrutiny of the wide range of desirable qualifications led the panel eventually to choosing Timothy Martin to represent the Kings Cross Lions' Club in the Division 201 B Area Final. For his success at this initial stage, Timothy gained a trip to the Snowy Mountains along with forty other boys from all parts of Australia. In addition, each of the six participating at the Chevron received a very fine pen surmounted with the Lions' Club emblem as a memento of the evening.

The panel of five adjudicating the Division 201 B Area Final on October 19th, had the unenviable task of selecting one boy from the ten representing different Lions' Clubs, a task made no less easy by the high calibre of their speeches and the imposing academic, sporting, and other qualifications of each. Our congratulations go to Peter Dunne of Mt. St. Marys, Waverley, who was adjudged the winner of this section of the Quest. While Timothy and the other Darlinghurst boys who entered the Quest were not successful in reaching the Grand Final, it is obvious that all benefitted greatly from their experience.

For this especially are we grateful to the Lions' Club of Kings Cross; we thank the Club also for its continuing interest in the welfare of the School and for the very fine book which it has donated to the School in recognition of our participation in the Quest.

Retreats

All boys in Third, Fourth and Fifth Forms were afforded the opportunity of making a short retreat in Third Term, at the Sacred Heart Fathers' Monastery, Kensington. Each of the classes was taken individually so that the small number of boys involved on the day set aside for their class were thus enabled to enter more fully and personally into the spirit of the Retreat.

Father F. Fletcher, M. S. C., gave a very inspiring two day Retreat to the boys of Fifth Form. They appreciated Father's

interest in them and in the problems of youth and especially enjoyed his discussions with them.

The Retreats for Third and Fourth Forms were preached by an Old Boy of the school, Fr. E. Kelly, M.S.C. Father gave the classes the benefit of his wide experience and all the boys and brothers present appreciated Father's work.

Our thanks go to Very Rev. Father T. M. Kerrins, M.S.C., for making the resources of the Sacred Heart Monastery available to us.

School Dance

Fifth Form and Fourth Form boys had a very pleasant evening at the Paddington Town Hall on the night of Friday, August 19th, the occasion of the School Dance. Under the care of M.C. Tom Akhurst, a full evening was enjoyed by all. The Ladies'

Committee provided a generous supper and all boys thoroughly enjoyed themselves. Our thanks go to Sister M. Reparata and the girls of St. Vincent's College, Potts Point, for accepting our invitation to be present at the dance.

As there were no players from last year's team continuing at school, there was great competition for positions among the many boys newly enrolled; hence, it was several weeks before the team was properly "settled down." Misfortune dogged us in the M.C.C. competition, as indicated by our losing three of the six games by the narrow margin of one, two and three points respectively. We take this opportunity of congratulating the Premiers, C.B.C., Lewisham.

In the Eastern Suburbs District Rugby Football League Knock-out Competition, however, we were successful, defeating Vacluse Boys' High School in the final (5-0).

A trip to Lismore at the end of the season was sponsored by the New South Wales Rugby League. We were the guests of the Brothers and boys of our High School at Lismore. After a half-time score of nil all, we were defeated (5-0) in the match against M.B.H.S., Lismore, played on the day of our arrival. We wish to thank the Brothers and boys for their wonderful hospitality in providing accommodation, a barbecue dance and a sight-seeing trip to the Gold Coast.

The team was ably captained by Tom McCarthy with Frank Jackson as vice-captain. "Best and Fairest" awards went to Graham Lock (best forward) and Paul Hills (best back).

 SEATED: S. Bowen and A. Nolasco.

B GRADE.

Were it not for their two drawn games, the hard play and determination of the "B" Grade — notably of the forwards — may well have carried them to Premiership honours. As it was, the team could claim the distinction of being the only one in the competition to defeat the Premiers, Marcellin College, Randwick. To them we offer our congratulations.

Michael Potter proved a very capable captain, ably supported by the vice-captain, Brian Buckley. Stephen Bowen was adjudged the "Best and Fairest Forward," and Joseph Both the "Best and Fairest Back."

UNDER 15's.

After a victory against Eastwood, the "Fifteens" were convincingly defeated in their second game against Randwick. This proved to be a blessing as it revealed several serious weaknesses.

In the first competition game, the tables were turned with Randwick being soundly defeated. However, only one other victory (over North Shore) figured in a run of defeats.

The "Best and Fairest Forward" was Jim Hasson, who played first-class football in every game. The "Best and Fairest Back," Danny Moscatelli, earned his award for his consistent play throughout the season.

v	Randwick	Won	16- 9
v	Kogarah	Drew	2- 2
v	North Shore	Lost	9- 5
v	Lewisham	Drew	13-13
v	Ashfield	Lost	7- 5
v	Marrickville	Won	16- 0

v	Randwick	Won	24-11
v	Kogarah	Lost	3- 2
v	North Shore	Won	9- 5
v	Lewisham	Lost	25- 6
v	Ashfield	Lost	10- 6
v	Marrickville	Lost	18- 0

UNDER 14's.

Undefeated in all games save one, the "Fourteens" exemplified the traditional Darlinghurst courage and determination, despite their being the smallest team in the competition and their having a large number of injuries.

The most exciting game of the season was that drawn with the Premiers, C.B.C., Lewisham. In the second half, with only twelve Darlinghurst players on the field, John Lynch (five-eighth and captain) beat many of the opposition to score brilliantly. Barry Smith's conversion of this try brought the score to seven all.

We narrowly missed a penalty goal, taken as the bell rang out; thus, victory in this game and the Premiership eluded us by one goal.

John Lynch was the obvious choice for the "Best and Fairest Back" award, while Barry Smith was selected as "Best and Fairest Forward."

v Randwick	Lost	8- 2
v Kogarah	Won	6- 4
v North Shore	Won	8- 5
v Lewisham	Drew	7- 7
v Ashfield	Won	4- 3
v Marrickville	Won	14- 3

FIRST XI.

Ably captained by Dennis Casey, the First XI played some very good cricket, which promises well for a more successful season next year. There were some very creditable individual performances, notably by Frank Jackson and Joseph Both, who were selected as "Best Bowler" and "Best Batsman" respectively.

Our thanks go to Mr. T. Hughes, for coaching this team.

FRONT ROW: M. Lock, P. Harkins, C. Laus, J. Behringer (Captain), J. Jepson, C. Langdon, T. Martin.

SECOND XI.

The Seconds met real misfortune in that they were beaten by only five runs on two occasions. Of the other two games, one was a resounding victory; the other a very obvious defeat. Michael Lock, with a total of 120 runs, was the "Best Batsman," while Paul Harkins had the best bowling figures of 12-87. Captain of the team was J. Behringer.

Results :

Darlinghurst, 134 (M. Lock, 32; P. Hills, 33) v. North Shore, 139 (J. Behringer, 5-24).

Darlinghurst, 55, v. Randwick, 60 (J. Hasson, 5-10).

Darlinghurst, 62 and 5-59 (J. Hasson, 25), v. Kogarah, 6-71 (P. Harkins, 6-36) and 7-91 (P. Harkins, 6-37).

UNDER 14 TEAM.

The M.C.C. Premiership eluded the team by only a few runs, the margin which gave first innings victories to Randwick and Kogarah. In the two other games, against North Shore and Lewisham, the team won quite convincingly. Most notable was their outright win over North Shore, with a margin of ten wickets. The outstanding performance of the season was Barry Smith's score of 110 in less than two hours in the game against Lewisham. Barry gained the award for the "Best Batsman," while Jan Lech was adjudged the "Best Bowler."

M.P.C.A. TEAMS.

One Under 16 and two Under 14 teams were entered in the Moore Park Cricket Juvenile Competition. The Under 16 team, captained by John Hasson, won the "O. R. Joass" Cup as Premiers in its division, while the Under 14 Team One was the runner-up in the other Juvenile division.

Athletics Carnivals

Throughout the season, interest in Athletics was very keen, with many boys competing in different carnivals and week-end meetings. Five new records were established in the Under 15 age group (G. Redman, 220 yds.-24.0 secs., 440 yds.-55.0 secs., 880 yds.-2 mins. 11.7 secs.; T. O'Callaghan, Hurdles-12.7 secs; D. Moscatelli, 100 yds.-10.8 secs.) In the Under 14 age group, Barry Smith broke two former records with his 2 mins 17.1 secs for the 880 yds. and 5 mins. 10.3 secs. for the mile.

Our Athletics Team performed creditably in the Marist Brothers' Schools Carnival, held at the Sydney Cricket Ground on Tuesday, September 27th. There were some notable performances likewise in the M.C.C. Carnival held the following week. Our main point scorers were:

F. Spano, 1st, Long Jump Senior.

T. O'Callaghan, 1st, Triple Jump, and 2nd, Hurdles Under 15.

G. Redman, 2nd, 440 yds. and 3rd, 880 yds. Under 15.

The cadet year started in February, when the young first year cadets received their first taste of army life. Numbering about thirty, they were a sorry sight on their first parade, with their mis-shapen slouch hats and cumbersome rifles. But gradually, urged on by the officers and NCO's, they improved and were able to practise their newly-learned skills at the annual camp with a high degree of efficiency.

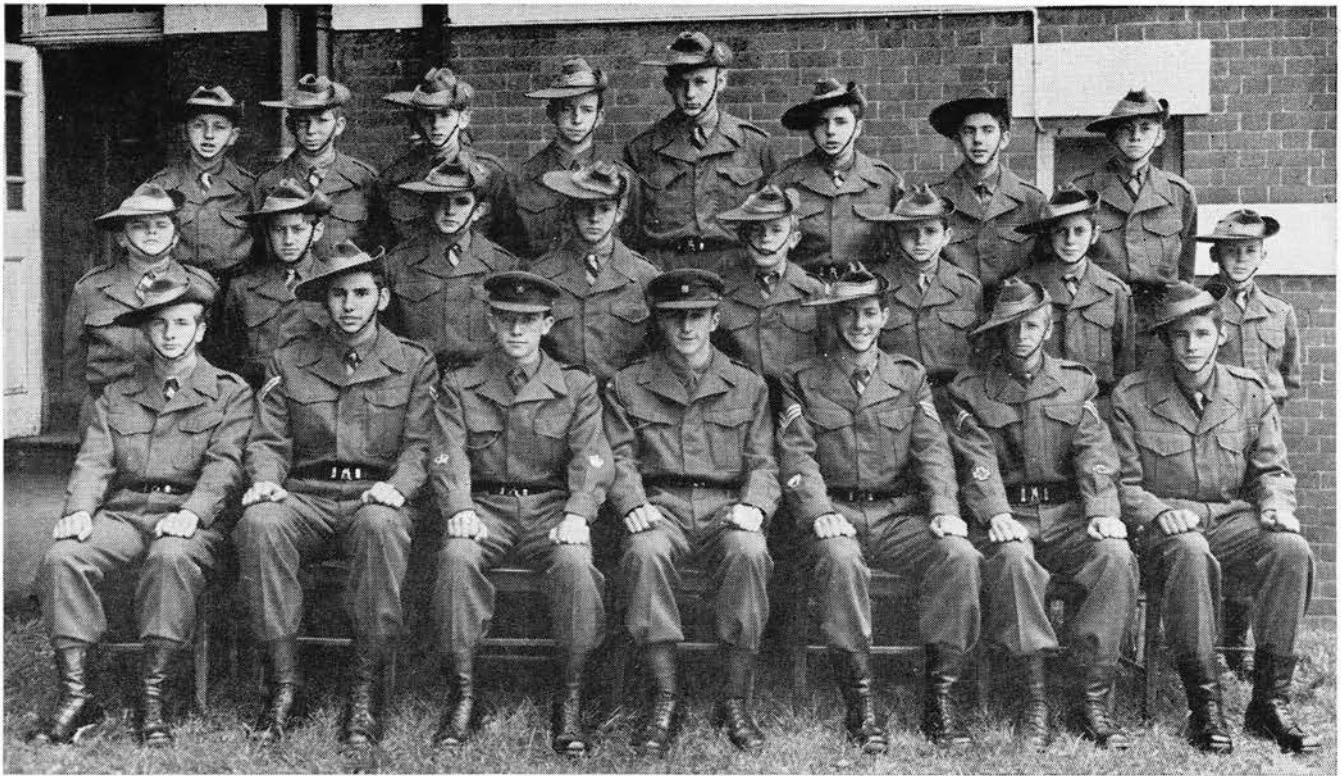

The second year cadets, on the other hand, continued their training with lessons on mapwork, weapons, and tactics. Although overshadowed in some areas by the younger cadets, they accredited themselves well.

During the year, the unit took part in the Cadet Centenary Parade at the King's School and an Anzac Day Memorial Service

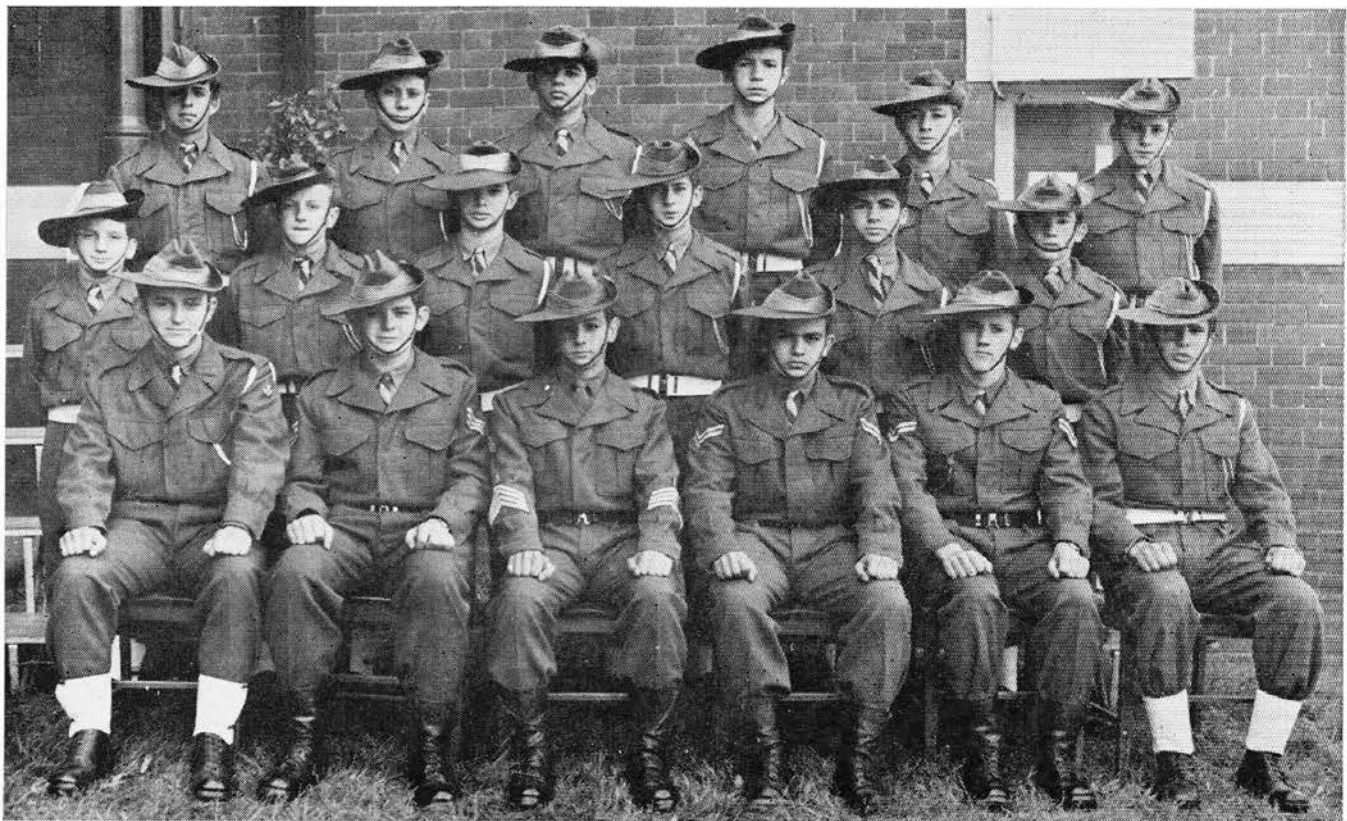

at Sacred Heart Church, Darlinghurst.

The unit as a whole went on a two-day bivouac at Campbelltown, while the annual camp at Singleton in August was, by popular opinion, one of the best that Darlinghurst has attended.

The thanks of the whole unit are due to our two officers, Brother Lionel and Brother Romuald. We are sure that, without their untiring efforts, the unit could not have functioned. Our thanks are also due to the Regular Army and CMF staff, especially Lt. Michael Forster (an ex-cadet of Darlinghurst), who aided us during the year. And we, the officers, would like to thank all the cadets, the sgts, cpls, and "digs" for making 1966 the best and last year of the Darlinghurst Cadet Unit.

Brother Ethelred Ferguson has been chosen by the superiors of the Marist Brothers to be novice master at the second novitiate of the Brothers in Fribourg, Switzerland.

Parents and Friends' Association

OFFICE-BEARERS, 1966.

President . . .	Mr. T. Akhurst.
Vice-Presidents .	Messrs E. Sozanski, S. Kildea.
Secretary . . .	Mrs. T. Akhurst.
Asst. Secretary .	Mrs. J. Langdon.
Treasurer . . .	Mr. J. Langdon.

This year has been rather quiet as far as fund-raising activities are concerned. It also brought forth the sad announcement of the eventual closing down of Marist Brothers' High School, Darlinghurst. A progressive reduction of classes has been the cause of the loss to the Parents and Friends' Association of some parents who were good members — a loss we regret very much. Due to the decision to close the school, it was felt that further fund-raising activities were redundant, so attention has been turned to social activities.

The 1965 Christmas social was very successful, and there have been two socials held this year. Unfortunately, the attendance was small, but those who attended made an enjoyable night of it. Our thanks and

appreciation go to Mr. Bryn Burris for his taped music at both functions.

The ladies of the Association have kept up their good work in conducting the annual Mother's Day Fete and assisting, in no small manner, at the function following the ordination of Father John Murray, the Old Boys' Union's Communion Breakfast, the school dance and the Football "Knockout" Competition.

Another Holden Circle and one games night in April have been conducted, the proceeds from which have gone towards discharging the loan raised by the Parents and Friends for previous renovations to the school and Brothers' Monastery.

The members of the Parents and Friends' Association extend heart-felt thanks and appreciation to Brother Cloman and his staff for their usual generous assistance and co-operation during the year and also for their splendid efforts in advancing the education of the pupils of the school. It is the wish and expectation of the Association that their efforts will be rewarded with good passes in the forthcoming examinations.

Thanks and Appreciation

The Brothers and boys of the School express their thanks for many services rendered to Right Rev. Monsignor T. O. Wallace, P.P.; Rev. Fathers K. Bayada and B. Charlton and the other Assistant Priests at Darlinghurst; Very Rev. Father J. M. Kerrins, M.S.C.; Rev. Father E. Kelly, M.S.C., Rev. Father F. Fletcher, M.S.C., and Rev. Father P. Reparata and staff of St. Vincent's College, Potts Point; Brother Patricius, Brothers and Parents' Committee of Marist Brothers' High School, Lismore; Parents

I. Mills, W/O II A. Bailey, Lt. M. Forster, Lt. D. Rawling, Dr. J. E. Alam; Eastern Suburbs Leagues Club, Sydney Rotary Club, Kings Cross Lions' Club, Moore Park Cricket Association; to donors of Prizes; to Holden Circle subscribers; to the officers of the Council of the City of Sydney, especially those at Paddington Town Hall, Moore Park, Rushcutters Bay and E. S. Marks Field. Thanks also to all our advertisers.

Annual Communion Breakfast.

Over eighty Old Boys of the High School assembled at the Sacred Heart Church, Darlinghurst, on 20th March for the Annual Communion Breakfast. After Mass most of them came up to the school, where the ladies of the P. and F. Association served a tasty breakfast.

Father Denis Sheridan, S.J., an Old Boy, said Mass and presided at the breakfast. He spoke on the Vatican Council and the way in which the laity will have to work for its implementation. Brother Cloman, Director, spoke on the need for Old Boys' Unions to become affiliated with the World Federation of Marist Old Boys. Brother also pointed out the difficulties facing Darlinghurst as Catholic Regional High Schools are set up in the outer suburbs.

After the breakfast the general meeting was held. Don McCallum was re-elected as president. Rowland Mackay continues as secretary and Michael Marshall is the new treasurer. Other office-bearers are listed at the head of this section of the "Blue and Blue."

Bursary Board.

The Board which administers the Old Boys' Bursaries is as follows:—

Messrs. J. P. Baggott, B. L. Quoye,
L. Smith, E. S. Ogg.

Old Boys Received into Marist Brothers.

On Saturday, 2nd July, His Eminence Cardinal N. T. Gilroy received four Darlinghurst Old Boys into the Marist Novitiate. The new novices are Brother Michael Evesson, Brother Andrew Moraghan, Brother Anthony Britton and Brother Raphael Garafano. Our congratulations go to all of these young men and to their proud parents.

Annual Dinner.

In proposing the toast "to the Alma Mater and the Brothers" at the annual dinner held at the Catholic Club on Thursday, 29th September, His Worship Alderman John Armstrong, Lord Mayor of Sydney, spoke gratefully of the work done by the Brothers over the years, and expressed his regret that circumstances were obliging the closure of the school in December, 1968.

Rev. Brother Cloman, in reply, thanked the Lord Mayor for his words of appreciation, and exhorted the Old Boys to maintain their characteristic spirit of loyalty and cohesion throughout the years to come, despite the closing of the school.

Rev. Brother Demetrius, representing Rev. Brother Othmar (Provincial), referred also in some detail to the impending closure. He outlined the reasons which have made such a step inevitable, in view of the radical changes brought about by the Wynham Scheme. He stressed the new emphasis on classes catering for individual differences and requiring the subdivision of each form into various groupings to permit the teaching of subjects at advanced, credit and ordinary levels. Brother pointed out that, apart from the need for many more rooms than the present buildings can accommodate, it is necessary to have a large secondary enrolment to enable the scheme to work satisfactorily. With the development of regional schools, it is becoming more and more impractical to maintain the high school.

Official guests at the dinner included Very Rev. Monsignor G. Madden, P.P., P.C.; Rev. Fr. T. O'Reilly, C.M.; Rev. Brother Norman and Mr. G. Davey, C.B.E. Mr. D. McCallum welcomed the guests and presided at the dinner.

FIRST NATIONAL CONVENTION OF MARIST EX-STUDENTS, CANBERRA, 1966.

Over the weekend of October 8-9, the First National Convention of Marist Brothers' Old Boys was held in Canberra. The President, Geoffrey Davey, is an Old Boy of Darlinghurst; the Secretary Bill Walsh is an Old Boy of Marcellin College; the rest of the Executive are representatives of all other Marist Schools.

Delegates from all States assembled in Canberra and on Saturday evening, October 8th, attended at the Theatre Centre and formally decided to join the World Federation of Marist Old Boys (L'Union Mondiale). Several hundred delegates were present. They heard Very Rev. Monsignor C. Duffy (Marist Old Boy of St. Joseph's College, Hunters Hill) tell of his experiences at the World Conventions in Montreal and that of Rio de Janeiro. Brother Othmar (Provincial of Sydney Province) and Brother Bertinus (Provincial of Melbourne Province) spoke of the great progress made by the Marist Order throughout the world. Unfortunately, Brother Hilary, Assistant to the Superior-General, was unable to attend due to illness but a message of congratulations from the Superior-General, Brother Charles Raphael, was read.

The meeting formally decided to join the World Union and to send delegates to the next World Convention of Old Boys to be held in Brussels, Belgium, in 1967.

Old Boys at Springwood.

At the present time three Darlinghurst Old Boys are training for the priesthood at St. Columba's College, Springwood. They are Noel Pye, John Andersen and William Moore.

Candidates for Religious Orders include JOHN WORTHINGTON who is studying for the priesthood with the Marist Fathers at Armidale and GUY HARTCHER who is studying for the priesthood with the Vincentian Fathers at Eastwood.

Honoured by Queen.

Outstanding Old Boy, Geoffrey Innes Davey, retired consulting engineer, was honoured in the Queen's Birthday Honours for services to engineering and the community: Order of the British Empire, C.B.E. (Commander).

Mr. Geoffrey Davey is executive commissioner of the Sydney Catholic Building and Finance Commission.

Over the years he has held the positions of Member of the Board of Management, St. Vincent's Hospital; Member of Board of Management, Mater Misericordiae Hospital; Member of the Board of Water Research Foundation of Australia; Member of the Advisory Committee of the National Capital Development Commission; Member of the Fluoridation Advisory Committee, N.S.W.; Chairman of Association of Consulting Engineers, Australia (N.S.W. Chapter).

Mr. W. L. Conroy has been appointed Director of the Department of Agriculture Stock and Fisheries of the Territory of Papua and New Guinea. He is based in Port Moresby. His appointment was announced by the Minister for Territories, The Honourable C. E. Barnes, in June, 1966. Laurie Conroy has been in the Territory of Papua and New Guinea since 1946. He holds a Bachelor of Science (Agriculture) degree from the University of Sydney and has had extensive experience in both the executive and operational sides of his department. He is also experienced in marketing and the trade negotiations for primary products from the Territory.

Among the many Old Boy doctors of Darlinghurst are two who hold very responsible positions, namely, Dr. Cyril Cummins, Director-General, Medical Service, and Dr. George Duncan, School Medical Service.

Study Tour by Q.C.

The Senior Crown Prosecutor, Mr. W. J. Knight, Q.C., left in August for overseas for research studies under a United Nations development programme scholarship.

He will visit Britain, Europe, Canada and the United States.

The Attorney-General, Mr. K. M. McCaw, said that the scholarship had been granted for the preservation of human rights in the prosecution of crime.

"As senior Crown Prosecutor, Mr. Knight is responsible for the prosecution in major trials and Crown appeals in New South Wales," he said.

"His researches will be of inestimable value to the State in reviewing our present criminal procedures with a view to their modernisation and improvement."

Bill Knight is one of our most loyal Old Boys.

"**BONG**" ensnared many delighted victims this year. "BONG" (Ball Organisation Nefarious Group) turned on a first-class Annual Ball at the Hotel Australia late in August. John R. McKell was recently elected a member of the Committee of Tattersall's Club. John plays bowls with Tattersall's club and is also a member of Double Bay Bowling Club. He is also a member of Sydney Turf Club, a provisional member of the Australian Jockey Club and a regular race goer.

Seen at the S.C.G. Members' Stand for the Rugby League Grand Final was Harold "Bob" O'Neill — one of the School's football stars of the 1945-6 period. Also in the Members' Enclosure was **John White** (L.C. 1944). John can often be seen "passing the plate" on Sundays at St. Mary's Church, Ridge Street, North Sydney.

John Pass, Secretary at Winns Ltd., now has five children. The arrival of the fifth child prevented John and his wife from attending the Annual Ball.

Studying at the Engineering College of the Post Master General's Department are: **B. Bevan; P. Dubois; J. Fitzgerald; D. Prendergast.**
