A gathering of very special men occurred in March.

A group of LC 1949 came together again to celebrate their 68th year since leaving Marist Brothers Darlinghurst and it was apparent the unbridled humour, the quick wit and the intensity of philosophical discussion has not even been dulled over the years. Incredible! There was an Academy Award-winning movie entitled "The Magnificent Seven" and these seven gentlemen can surely and justly lay claim to that title: Jim Travis, Don Ferguson, Bill Halcro, John McCauley, Bruno D'Adam, John Tozer and Karam Ramrakha.

Next year will be the 50th anniversary of the closing of the school. A rehearsal will be held this year ahead of this momentous occasion led by the Class of 1967, who will be celebrating half a century since they walked out of the gates of Darlo for the last time as students. Class pictures and the Blue & Blue are available at mbhsdarlinghurst.org/b&b_archives/1967.htm Seats are already booking fast for the reunion.

Details are available on the website at mbhsdarlinghurst.org/Lunch-default.htm

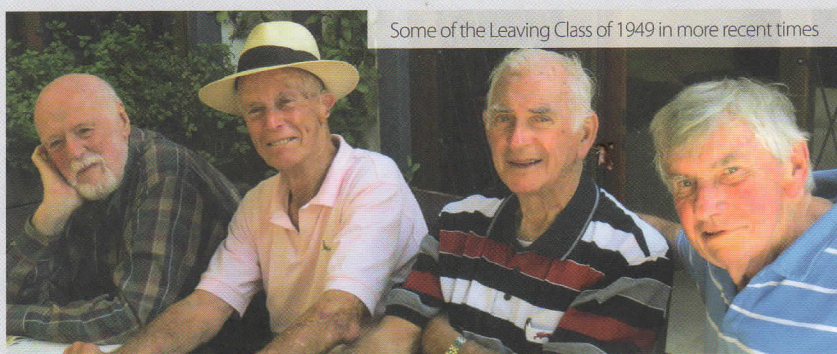

The Mass preceding the reunion luncheon on 11 July shall be celebrated by Fr Paul Chandler, himself a student of the 1967 LC class. As usual, the Mass will be at St Patrick's Church, Church Hill, commencing at 10.30am. Please be advised, the luncheon shall NOT be at Rugby Lane as the site is being redeveloped, but instead will be at the Harrington Restaurant in Quay West, 98 Gloucester Street, The Rocks, commencing at 12.30pm. The MBHS Darlinghurst Old Boys' Union Secretary, Bill Halcro, has all the details for those who wish to make reservations. Email is darlo@6mins.com
