The Year at a Glance

HIS EMINENCE CARDINAL GILROY

THE teaching-staff at the re-opening consisted of Brother Fergus (Principal), Brother Cloman (Vice-Principal), Brother Cassian, Brother De Sales, Brother Patrick (Sportsmaster), Brother Samuel, Brother Gilbert, Brother Athanasius, Mr. Hugh Connolly and Mr. Leonard Everingham. It remained unchanged throughout the year.

The effective roll reached 430; at the end of the year it was 414, of whom 202 were in Primary and 212 in Secondary. We have nine classes: Third Class to Leaving Certificate.

Results obtained in last year's public examinations were of good standard. 31 candidates presented for the Leaving Certificate, of whom 29 passed, 24 matriculated, seven won Commonwealth Scholarships, three obtained cadetships and one a University Bursary. Six members of the class returned to school to secure better passes in the L.C., while of the remaining 25, no fewer than 20 are pursuing more advanced courses of study at the University of Sydney, the University of Technology, the Ecclesi-

astical Seminary, Teachers' College or Military Academy.

For the Internal Intermediate 30 candidates were presented, of whom 29 were successful. One boy won an Intermediate Bursary and one a State Bursary.

Under the guidance of Brother Samuel and Brother Gilbert and the vigorous instruction of Sergeant-Major Irwin, the Cadet Corps sustained its reputation for precision and efficiency. At the Passing-out Parade on Rushcutters Bay Oval the Cadet Band was highly commended by Brigadier Hinton who reviewed the unit and presented the trophies.

In the Metropolitan Catholic Colleges Cricket Competition our teams won both the A-Grade and B-Grade premierships, and in addition, the Aggregate award. The Under-Fourteen Team were runners-up. In M.C.C. football our boys won the A-Grade premiership, B-Grade premiership, Eight-stone premiership, Six-stone premiership, the Brother Raymer Cup for the weight teams, and the Aggregate award, while Denis Ryan was awarded the Rugby League blazer for the best M.C.C. back of the season. In the Swimming and Athletics carnivals, our representatives put up some record individual performances, but they did not win any of the championships. In the realm of sport, the year has been the most outstanding in the school's long history.

At the end of each term the senior boys held a dance in St. Canice's Hall at Elizabeth Bay. The value of such functions in the social training of the students will be evident to all.

After their Mid-year Examination, the Fourth and Fifth Years made a short retreat at the Sacred Heart Monastery, Kensington. The Retreat-Master was Reverend Father E. Kelly, M.S.C., the Superior of the Monastery and an Old Boy of our own school.

On the last Sunday in July a large number of boys from our Fifth Class, Sixth Class, First Year and Second Year received the Sacrament of Confirmation in St. Mary's

Cathedral at the hands of His Eminence Cardinal Gilroy. An Old Boy of the school, Patrick McAuliffe, was raised to the priesthood at this year's ordinations in St. Mary's

Reverend Brother Justinian, an Assistant General of the Order, paid us a two-days' visit in September.

The school has received valuable assistance during the year from three organisations: The Parents and Friends, the Ladies' Auxiliary and the Old Boys' Union. All three have identified themselves with the school and made its interests their own. We are grateful to them.

The work of Catholic schools is at base a spiritual work. No one helps us more in the carrying out of this work than the

Priest. Rev. Father Cyril Hatton, the chaplain to the school, has given us generously of his time and interest. When not prevented by urgent and unforeseen calls from other people in the parish, he has given a weekly instruction to each of the three senior classes. We are deeply appreciative of his interest in all that we do, of his devotedness to our spiritual welfare, of his wise counsel in times of perplexity and doubt. We offer our thanks likewise for their spiritual ministrations to Reverend Fathers Roberts, Marley and Muldoon, and above all to Right Reverend Monsignor Wallace, the Parish Priest of Darlinghurst, who has been a good friend to both past and present pupils when they called upon him.

Bishop Toohey Succeeds to the See of Maitland

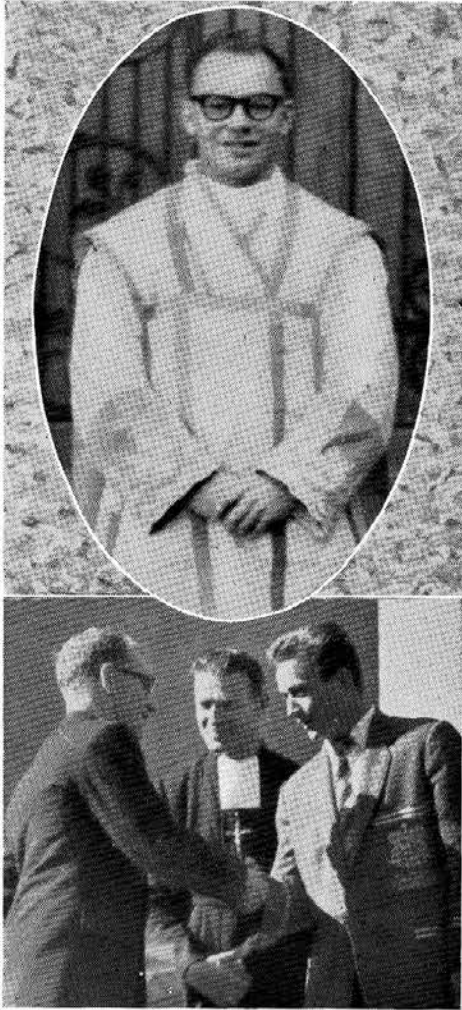

land. He is the first ex-student of the school to govern a diocese.

John Toohey came up to Darlinghurst at the beginning of 1918 to commence his secondary studies, and he remained for three years. In 1921 he went to St. Columba's College, Springwood, to study for the priesthood, to which he was ordained in 1927. When His Eminence became Coadjutor Archbishop of Sydney in 1937, he chose Father Toohey as his secretary. Made Papal Chamberlain in 1941 and a Domestic Prelate four years later, he was consecrated Coadjutor Bishop of Maitland on April 4, 1948, and resided at St. Mary's Presbytery, Newcastle. On the death of Dr. Gleeson this year, he became the fifth Bishop of Maitland.

The See was established in 1848. Its occupants would seem to have enjoyed notable longevity. We pray that His Lordship will share that distinction and that his labours in the Hunter Valley will be crowned with the manifold blessings of Heaven.

WE offer our sincere congratulations to the Most Reverend John Toohey, D.D., on his accession to the See of Mait-

Ordination of Father P. McAuliffe

Fr. P. McAuliffe receiving presentation from Stan Browne.

FOUR members of our 1947 Intermediate Class entered the Priesthood or the Religious Life. Kevin McGuire and Noel Dennis became Marist Brothers under the names of Brothers Brendan and Arnold respectively.

Father Patrick Murphy, S.V.D. in Rome

Reverend Father Patrick Murphy, S.V.D., spent a few days in Sydney last year on his way from Marburg to Rome, where he has been sent by his Superiors to pursue post-graduate studies at the Gregorian University with a view to taking a doctorate in Theology. Although his stay in Sydney was very short, he found time to call on the Brothers at Darlinghurst and say Mass in their chapel.

The scholastic year in Europe extends

ly. Paul Finnane entered the Friars Minor and is to be ordained next year. Patrick McAuliffe went to St. Columba's College, Springwood, at the beginning of 1948 to commence his studies for the Diocesan Clergy. Having completed his Leaving Certificate and the first year of Philosophy there, he proceeded in 1951 to St. Patrick's College, Manly, where he continued his ecclesiastical studies. On Saturday, July 21, he was among those ordained to the priesthood in St. Mary's Cathedral by His Eminence Cardinal Gilroy.

Father McAuliffe is the eldest son of Mr. and Mrs. J. McAuliffe of 44 Tramway Street, Rosebery. He came to M.B.H.S.D. from the St. Patrick's, Church Hill, at the beginning of 1945, for he was even then thinking of the priesthood and wished to include Latin among his subjects of study.

On Friday, July 27, he said Mass at the Sacred Heart Church, Darlinghurst, in the presence of the boys from his old school. After Mass he came with Rev. Father Hatton and Rev. Father Marley to visit the school and address the assembled students.

Stan Browne made a presentation on behalf of the boys. Father McAuliffe thanked the boys for their kind thought, recalled some incidents from his time at the school and told them of the means he had taken to ascertain his vocation and follow it. He asked that the school be given the remainder of the day off.

from the beginning of September to the middle of June. Father Murphy has completed one year of his course, obtaining the Licentiate in Theology "cum laude." After a holiday in Switzerland, he resumed work in September last and is now well into his second and final year. He is immensely fond of Rome and University life there. He studies at the Gregorian, and lives with the members of his own Order at the Collegio del Verbo Divino.

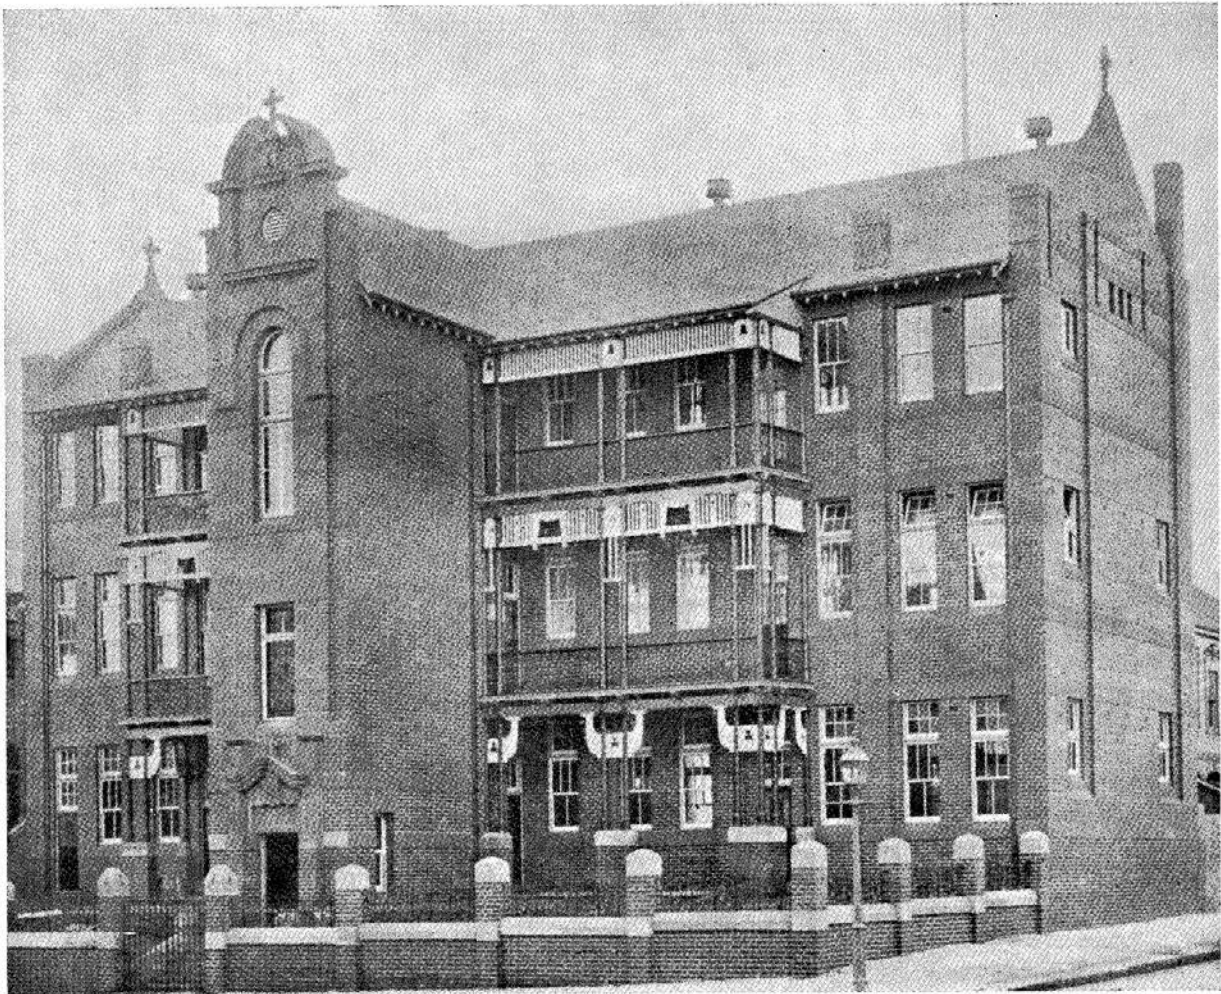

JOHN SHEEHY, a member of the 1955 Leaving Certificate Class, entered St. Columba's College, Springwood, at the beginning of this year, to commence his studies for the priesthood.

John was President of the Sodality, a Warrant Officer in the Cadets, a member of the B-Grade Football Team and a good leader in the school when leadership was wanted. We congratulate him on his choice of a way of life and wish him every success and blessing in the years of preparation that lie ahead. At Springwood, he joins ROBERT GRANT, who did the Intermediate here in '54 and went to the seminary at the beginning of '55. Both called to see us during their holidays; both seemed very happy at St. Columba's and very fond of seminary life.

We look forward to the ordination next year of PAUL FINNANE, who was dux of the school in 1949 and joined the Friars Minor in 1950.

SENIOR BOYS' RETREAT AT THE SACRED HEART MONASTERY KENSINGTON

On July 2 and 3 the Fourth Year and Fifth Year Classes made a retreat at the Sacred Heart Monastery, Kensington. The Retreat-Master was Reverend Father E. Kelly, the Superior of the Monastery and a loyal Old Boy of the High School. The day began with Mass at 9.30 and ended with Benediction of the Blessed Sacrament at three o'clock. The boys found the two days at Kensington not only of great spiritual advantage, but also pleasant in themselves. With the spacious grounds and well-trimmed lawns, the beautiful chapel and the kindness of the priests, it could hardly have been otherwise. We are grateful to Father Kelly and his priests for the help they gave us during those days of retreat at the Monastery.

Visit of Brother Justinian, Assistant General

THE Superior General of the Marist Brothers is helped in the government of the Order by ten men called Assistant Generals. Each Assistant General is responsible for a group of Provinces. Brother Justinian was elected by the General Council of the Order in 1951 to take charge of the Provinces of Great Britain and Ireland, South Africa, Australia and New Zealand. He came to Australia with the Reverend Brother Superior General late in 1952, and in May, 1953, he visited the school at Darlinghurst.

Brother Assistant visited Darlinghurst again in September of this year. As his time was short, the schoolboys saw little of him. In spite of the shortness of time, he very graciously attended the meeting of the Parents and Friends being held in the school, and gave an informal and most interesting talk on State-Aid to Catholic Schools in the British Commonwealth of Nations.

The parents were so taken with Brother's address on the finance question that they asked him to come again if at all possible. Having visited the schools in the Solomon Islands, Rabaul and Queensland, he was back in Sydney for Dundas Day on November 4, and again he honoured our P. & F. by coming to the meeting of November 9. This time he provided the programme in

full, showing films on the Beatification of the Founder and on the work of the Order. His own whimsical commentaries added greatly to the interest and value of the films.

Champagnat College

Blessing of Foundation -Stone of Marist Brothers' Scholasticate.

On Sunday, November 4, His Eminence laid and blessed the foundation-stone of a new Teachers' College for the professional training of Marist Brothers. The new college, a large two-storey red-brick building in the beautiful Dundas Valley, is named in honour of the Founder of the Congregation — Blessed Marcellin Champagnat. It will accommodate 120 students from the Provinces of Sydney and Melbourne. The cost of construction will be £225,000. It will be ready for occupation before the end of 1957.

A choir of 1000 voices sang an ode of welcome to His Eminence, who addressed the gathering of about 5000 people. The appeal was made by Monsignor Thomas, Director of Catholic Missions, and realised £2,500. Brother Hilary, Provincial, was chairman of the gathering and Brother Justinian, Assistant General, spoke on behalf of the Marist Brothers, Mr. Eric Miller, Q.C., spoke for the Catholic laity, and Mr. Inspector Brown for the Department of Education.

Cadets

THE Cadet Corps found 1956 to be a very happy and successful year. Credit for this goes to Br. Samuel, O.C.; Br. Gilbert, 2I.C. and W.O.I S. Irwin, our instructor. Outstanding work was done by CU/O W. Akhurst, CU/O D. Ryan and W.O.II P. Langford, especially during the Annual Camp.

Anzac Day

Ceremonies of Remembrance were carried out by the Unit at St. Canice's Church, Elizabeth Bay and at the Sacred Heart Church, Darlinghurst. The dignified manner in which the guard of honour and the buglers carried out their duties was most impressive.

Specialists' Courses

Three cadets attended these courses at Glenfield during the May holidays.

Cdt. P. Swan—bugle.

Cpl. M. Merrin and Cdt. J. Hahn—3-inch mortar.

Annual Camp

The Annual Camp was held at Singleton in the September holidays. It was an outstanding success and our thanks go to Captain G. Smith, O.C. of C Block, and his staff who provided the amenities. All cadets enjoyed this camp very much. The most popular events were the Field Day and Obstacle course while the Night Attack proved to be "a night to remember".

Ceremonial Parade

The Annual Passing-Out Parade was held at Rushcutters Bay Oval on Friday, October 19, at 8 p.m. Brigadier F. Hinton, M.C., E.D., inspected the unit and took the salute. He was accompanied by Captain G. Smith. The Brigadier was pleased with the display and was most impressed with the band. He presented trophies to the following:

1. Brigadier Hinton Trophy for the most efficient cadet: W.O.II P. Langford.
2. Most consistent-in attention to duty: Sgt. B. Trembath.
3. Best Platoon Commander: CU/O D. Ryan.
4. Best Platoon Sergeant: Sgt. J. Lysowycz.
5. Band Trophy: Drum-Major B. Wyndham.
6. Best Marksman, .303: CU/O W. Akhurst.
7. Best Marksman, .22: Cdt. J. Hahn.
8. Best Junior Marksman, .22: Cdt. D. Kennedy.

After the parade the unit gave a demonstration of the use of the 3-inch mortar and the Vickers M.G. A contest, "first-into-action", between the two crews using blank ammunition kept the spectators very interested. After the display the Ladies' Committee served a very tasty supper.

We are grateful to Captain Smith and Sergeant-Major Irwin for their unfailing interest in our unit, their understanding of its needs, their effective guidance and instruction. We are likewise grateful to Mr. S. Verey for his skilful training of our band and his readiness to help on every occasion that presents itself.

Thanks

In addition to those mentioned elsewhere in its pages, "Blue and Blue" expresses the thanks of the school and the Brothers to Rev. Dr. P. J. Ryan, M.S.C., and Rev. Fr. J. King, M.S.C., chaplains to the Community; to Mrs. Doerner and Mrs. Newman, Mrs. Boyd, Mrs. Robinson, Mrs. Gilbey and Mrs. Sanderson; Mr. E. Anderson, Mr. Jim Armstrong, Mr. C. Jaconelli; Mr. G. Boyd, Mr. M. Spies, Mr. G. Fallon, Mr. S. Maguire, Mr. A. Powell; Mr. J. Pye; Mr. K. Laffan; Mr. Claude Renaud; Mr. L. McCole, Mr. G. McCarthy, Mr. J. Nash, Mr. Brian Tapply.

We thank the Committees of the Parents and Friends, the Ladies' Auxiliary and the Old Boys' Union; the Nuns at St. Vincent's Hospital with the doctors and nurses; Doctor John O'Neill and his colleagues, and all who have helped us during the year.

Our swimming team did not have sufficient all-round strength to carry off any of the divisional trophies, but there were some outstanding individual performances. In the Under 15 Division, P. Silipo won the 50 Metres Freestyle, Butterfly, and Backstroke, and as the latter two were new events, he is the record holder in both. N. Griffin won the 50 Metres Under 12 in the brilliant time of 33.9 secs., breaking the record set by Olympian J. Hayres.

Football

M.C.C. Football Trophies.

THE 1956 football season was a most successful one for the Darlinghurst teams. In the M.C.C. Competition our teams were undefeated premiers in the A Grade, Eight Stone and Six Stone divisions and joint-premiers in the B Grade. As a result we won both the Aggregate Trophy and the Brother Raymer Trophy (for weight teams). Congratulations to Randwick and Strathfield (B Grade Joint Premiers); Randwick and Lewisham (C Grade Joint Premiers) and to Ashfield (Seven Stone Premiers).

Darlinghurst dominated the secondary section of the Eastern Suburbs District Knock-Out Competition, by winning six of the competitions. St. Anne's, Bondi Beach, won the six stone, the only other secondary division.

The House Competition matches were played with their usual vigour. The Greens won the competition. At the end of the season the inter-House Knock-Out Competition was held and resulted in a great win for the Blues.

SCENES FROM FOOTBALL DANCE

TOP LEFT: Brian Staunton presents Trophy to Dominic Alfano, A Grade Captain.

Senior Boys' End of Term Dances

At the end of each term the Leaving Certificate and Fourth Year boys held a dance in St. Canice's Hall, Elizabeth Bay. Paul Langford was the Organising Secretary, and he was helped by a small committee. The Parents and Friends helped with the supper.

Most of the senior boys took lessons from Miss Ivy Paton and Mr. Charles Froulop, the professional dancing champions of Australia, who conduct a school of dancing in Oxford Street. Miss Paton and Mr. Froulop very kindly came to our May dance, gave an exhibition of dancing at its best, and remained for the whole of the evening. All of the boys thus had the opportunity of dancing with Miss Paton and all of the girls with Mr. Froulop. (The Progressive

Barn Dance is as popular with students as it is with older dancers.)

The September dance was made the occasion for presenting the football awards to the premiership teams — A-Grade, B-Grade, Eight-stone and Six-stone (the Sixes "in absentia"). The presentations were made by an Old Boy Rugby League star, Brian Staunton, captain of Balmain. The captains of the successful teams came forward to receive the official trophies, while each player was given a mounted picture of his team.

We thank Mr. George Boyd, Mr. Tom Akhurst, the ladies of the Committee and all who helped to make the end-of-term dances successful and enjoyable.

Parents and Friends' Association

THE Executive of the P. & F. elected at the last meeting of 1955 was as follows:

- President:** Mr. E. McKenna.
- Vice-Presidents:** Mr. & Mrs. T. Akhurst.
- Secretary:** Mrs. F. Reed.
- Treasurer:** Mr. N. Kelaher.

At the end of the first term Mr. Kelaher, because of pressure of work and indifferent health, resigned from the Committee. At the next meeting Mr. Akhurst was asked to undertake the responsibilities of the treasurership, while Mrs. J. Murphy was elected to the vacant position of Vice-president. This Committee then held office until the end of the year.

The Association met at the school on the second Friday of each month. At the first meeting of the year it set itself the objective of raising a thousand pounds to pay for repairs and maintainance on the buildings, to provide equipment and amenities. A series of functions was planned and in due course held, with the results indicated below.

American Tea on February 23. Net income	£8
Ashgrove Art Union, drawn on March 21	£155
Annual Ball held at Paddington T.H. on April 18 ..	£45
Boys' Night at end of first term	£190
American Tea held on May 31	£10
Cooking Demonstration at Bondi Junction on July 17	£10
Guessing Competition, completed July 31	£240
Boys' Night at end of second term	£102
Annual Fete, held on Friday, October 26	£320
Total	£1080

The Association thus achieved its objective and passed it. Committee and members are to be congratulated on the achievement. The school is grateful to them.

As a result of their work it has been possible to do in and around the school many things that would otherwise have been out of the question. The front of the school and the woodwork on the Darley Street building have been painted. Plans are in hand for the completion of the painting early in December. The cricket nets in the playground were extended. Sports and science equipment were purchased. Some amenities were bought for the residence. The amounts involved were as follows.

Painting	£300
Cricket Nets	£100
Sports equipment	£100
Science apparatus	£100
Amenities for residence	£100
School furniture and repairs	£100
Plumbing	£110
Total	£910

The Ladies' Auxiliary

THE membership of the Ladies' Auxiliary included Mrs. Fleming (President), Mrs. Heathwood, Mrs. Hartcher, Mrs. Downs, Mrs. Dignam (Treasurer), Mrs. McMaugh, Mrs. Moroney, Mrs. Staunton, Mrs. Thornton, Mrs. Halcro and Mrs. Mulvogue. Several of the mothers from the Parents and Friends' Association assisted them in their work for the school. The Auxiliary ran a very successful American Tea in the first term; they joined in similar gatherings organised by the P. & F.; they assisted with

the lunch at the boys' Annual Athletics Carnival on Rushcutters Bay Oval; at the Annual Fete they prepared the lunches for the school-boys and conducted a very attractive Fancy Stall.

Using the funds they had raised last year and some of what they raised this year, they installed in the kitchen of the Brothers' Residence a new stove, a new refrigerator and a mixmaster.

We are deeply grateful to these good ladies for their generous and sustained interest in the school and its work.

Death of Monsignor Giles

The late Monsignor Giles.

VERY Reverend Monsignor Joseph Giles, D.D., Ph.D., Parish Priest of Croydon and Director of the Fatima Apostolate, died in Lewisham Hospital on June 26 of this year at the age of 52. He was a former pupil of our own school and one of the best-known priests in the Archdiocese.

Born in Fremantle, W.A., in 1904, Joseph Giles received his early education from the Sisters of Mercy at Broken Hill and the Marist Brothers at Kogarah. He came into our Second Year Class at Darlinghurst in 1919, where he had as class-mates John Toohey (now the Bishop of Maitland) and John Mulheren (now a priest in the Diocese of Wollongong). He passed the Intermediate in 1920 and the Leaving Certificate in 1922, and commenced his ecclesiastical studies at St. Columba's Seminary, Springwood, in 1923. The following year he was sent to Propaganda College, Rome, where he had a distinguished scholastic career, gaining doctorates in both Philosophy and Theology. He was ordained in the chapel of the Propaganda in December, 1929.

From 1930 until 1939 Dr. Giles was Secretary to the Apostolic Delegation. In 1937 he was made a Privy Chamberlain by His Holiness Pope Pius XI, and early in 1940 he was appointed Priest-in-charge of St. Michael's parish at Mittagong — a position he held for eight years. From 1948 to 1954 he was Parish Priest of Tempe, and for the last two years of his life, Parish Priest of Croydon.

Death of Brother Oswin

In St. Vincent's Hospital, on Thursday, November 22, Brother Oswin died. Solemn Requiem Mass for the repose of his soul was celebrated at St. Joseph's College, Hunter's Hill, on the following Saturday morning at half past nine, and the funeral left after Mass for the Field of Mars. Rev. Dr. Duffy, the College Chaplain, sang the Mass and officiated at the graveside.

It was while umpiring a football match in the Darlinghurst Colour Competition in 1951 that Brother Oswin had a serious heart attack. He never recovered his health. Much of his time he was forced to spend in hospital, and when not in hospital, he cared for the sick in the infirmary at St. Joseph's College. He was kindness personified. He never spared himself when others were in need of help. Those who knew his own serious condition marvelled that he

could remain on his feet and find the energy to serve others.

No matter how sick he was, no matter how acute his pain, he never complained. When people visited him in hospital, he always spoke of their interests, never of himself. He offered his illness and his life for those who were active in the work in which he could no longer be active.

Born in 1913, he joined the Brothers in 1928 when he was a boarder at St. Patrick's College, Sale, and made his first vows in 1932. He taught at North Sydney, Lismore, Cairns and Darlinghurst. He was Director of St. Augustine's College, Cairns. Intensely loyal to his Congregation and always cheerful, Brother Oswin was a man of wide talent and refined tastes and exercised a strong influence for good on all with whom he was associated in life. R.I.P.

THE LATE DR. JOHN WITTON FLYNN

The late Dr. John W. Flynn.

SOME readers of the "Blue and Blue" will remember the 1935 issue, which contained pictures of six brothers, the Flynn's, all Old Boys of the school and all doctors. All reached eminence in the medical profession. Dr. Frank later entered the

Missionaries of the Sacred Heart. Dr. John, the second eldest, died rather suddenly at his home in Bellevue Hill on December 6 last year.

John Witton Flynn passed the Senior Examination at M.B.H.S.D. in 1913 and went up to the University of Sydney, where he took an Arts degree.

During the First World War he enlisted as a private, went overseas and was appointed a lieutenant in the Thirtieth Battalion. He was twice wounded, was mentioned in despatches, rose to the rank of captain, and was awarded the Military Cross for conspicuous gallantry and skill.

Returning to Australia at the end of the war, John Flynn studied Medicine at the University of Sydney and did a post-graduate course in Dermatology in London. He took up practice as a skin-specialist in Macquarie Street. In the Second World War he served with the R.A.A.F. Throughout his medical career he was closely associated with Lewisham Hospital, which he regarded as his spiritual home. He was a distinguished doctor and a colourful personality. To his wife and daughter we offer our sincere sympathy. R.I.P.

ACCIDENTAL DEATH OF RICHARD STOYLES-O'GRADY

It is with regret that we record the death by road-accident of Richard Stoyles-O'Grady, who with his brother Percy was engaged in inter-state road transport. As he was driving through Gunning on November 4, the security-pin between cabin and trailer broke, and he was crushed against the steering wheel by the forward lurch of the trailer. Rushed by ambulance to Yass Hospital, he was anointed on arrival and

died a few minutes afterwards. He was 41.

Richard came into our Third Class in 1924 and passed the L.C. in '32. He played lock-forward in the First XIII for three seasons. Enlisting on the outbreak of war in '39, he was mentioned in despatches in the Middle East and again in New Guinea, and was awarded the American Silver Star. He did not marry. To his mother and his brother Percy we offer our sincere sympathy.

THE LATE FRANK McGRATH

Frank McGrath, an Old Boy of the School, who practised as a Chemist in North Sydney for many years died recently. Rev. Fr. Stone, S.J., a fellow Old Boy, officiated at the graveside. Many of Frank's fellow

students were present at the funeral; these included Same Ogg, Greg. Bondiotti, George McCarthy, Ted Goodwin and Jack O'Connor. Deepest sympathy is extended to his wife and children.

THE LATE CECIL HISSHION

On January 9, 1956, there occurred in St. Vincent's Hospital the death of Cecil Vincent Hission, Deputy Headmaster of Yanco Agricultural High School.

Son of the Chief Engineer of Woollahra Council, he came into our Second Year Class in 1931 and won a University Exhibition in his Leaving Certificate in 1934. Joining the Education Department the following year, he graduated from the University of Sydney as Bachelor of Science in Agriculture and spent his life teaching in country high schools.

At Quirindi, Nowra, Temora and Mul-

lumbimby he was Part-time Supervisor of Junior Farmers' Clubs.

As Deputy Headmaster of Yanco Agricultural High School, he assumed responsibility for the management and administration of a very large school farm under most difficult conditions.

In spite of difficulties from without, and in spite of his own seriously deteriorating health, he did remarkably effective work there. A heart condition brought his promising career to an end just before school resumed this year. He was only thirty-nine. To his wife and daughter we offer our sincerest sympathy. R.I.P.

THE LATE JOHN BLACKBURN

JOHN BLACKBURN was twenty when he died, yet it is difficult to think of him otherwise than as a schoolboy. He did his early schooling at St. Mark's Convent, Drummoine, his primary at the Christian Brothers, Burwood, and came to Darlinghurst for his secondary studies at the beginning of 1947. He passed his Intermediate in 1949 and was about to do his final examination in Fourth Year when he contracted poliomyelitis in an acute form. He spent more than three years in hospital: sometimes at Balmain, sometimes at the Coast. The last two and a half years he spent at home, where his parents and his sisters provided ideal

hospital conditions for him. He had a private iron lung and had to spend at least three hours of each day in it.

He sank into unconsciousness on the morning of Monday, August 27, received Extreme Unction from Reverend Father John Power, and died at half past six on the following morning.

John was the only son of Mr. and Mrs. Francis Blackburn of 5 Lyons Road, Drummoine. He was a fair student and a keen tennis-player, winning the junior and senior trophies at the school tournament in 1950.

Our sincere sympathy goes out to his parents and his sisters in their bereavement and great loss. R.I.P.

DEATH OF MRS. McKENNA

It was with great sorrow that we heard of the serious illness of the wife of our President early in the third term. Her condition improved but the improvement was not lasting. She was admitted to Lewisham Hospital for a major operation which at first seemed successful, but serious complications set in and four other equally serious operations were needed. Fortified with all the rites of the Church, clearly conscious of her position and perfectly resigned to the Will of God, she died peacefully at five o'clock on Monday afternoon, October 29.

Requiem Mass was celebrated in the

church of Our Lady of the Sacred Heart, Randwick, at nine o'clock on Wednesday morning, October 31, and was attended by a large gathering of friends of the family and members of the Parents and Friends' Association. After the Mass, the funeral took place at Botany Cemetery, where the prayers at the graveside were read by Rev. Father A. J. Breene, M.S.C., assisted by Rev. Father C. Murphy. The school was represented by the Principal.

To Mr. McKenna, Neil and Josephine we offer our sincerest sympathy. R.I.P.

THE first event of the year on the Old Boys' Union programme has long been the **Annual Communion Breakfast**, held shortly after the re-opening of school. Organisation must commence in the "old" year and remains in the hands of the retiring committee. It is the main spiritual function of the year, and hence has priority, not only in time, but also in importance. The date of the Breakfast this year was February 26—the last Sunday in the month. It was preceded by a simple little retreat which consisted of an instruction, confessions, private prayer in the Brothers' chapel, and Benediction of the Blessed Sacrament, on the two evenings before the 26th. Rev. Father Prentice, M.S.C., was the preacher.

By the courtesy of Monsignor Wallace, the Mass was celebrated by an Old Boy Priest, Father Vincent Marley, in the Sacred Heart Church, Darlinghurst, at eight o'clock. There were eighty Old Boys in attendance. After Mass they came down to the school for the Breakfast. Mr. C. Glass presided.

The **Annual General Meeting** followed the Communion Breakfast, and was held in the Second Year class-room under the presidency of Mr. C. Glass. The 1955 Executive hand in their portfolios and a new Executive was elected—the one listed above. Mr. Glass was returned by a strong majority to the presidential chair and with him several other officers resumed their duties. The advent of another heiress in the Anderson household had rendered it difficult for Mr. Ted Anderson to continue his work on com-

mittee and he was replaced in the Secretaryship by Mr. Morton Quoyle, whose efficient work in the organisation of the Old Boys' Dinner in November had impressed the electors. Bob Timmins was on the eve of departure for the U.S.A. and relinquished his position at the Treasury to the ever-youthful and effervescent George McCarthy. We are grateful to these men for undertaking the responsibilities of key positions, and to all who accepted office in spite of the already-sufficient demands on their time and energy.

The relevant notice of motion having already been given in writing, Rev. Brother Gerard, Mr. Tom Timmins and Senator John Armstrong were unanimously elected Permanent VicePresidents. A programme of functions for the year was drawn up. It was suggested by Mr. J. Dennis that the General Meeting be held at a different time from the Annual Communion Breakfast, and the suggestion was favourably received. If argument was needed, it was ready-to-hand in the fact that, though the members had assembled for a breakfast, it would be three o'clock before they rejoined their families for their Sunday dinner! Other items of interest were discussed before the meeting closed at 12.45 p.m.

The **Annual Ball** was run as usual in conjunction with the ex-students of Our Lady of the Sacred Heart College, Kensington, and was known this year as "The May Ball." It was held in the Trocadero on Tuesday, May 26. There were 580 people present. The debutantes were presented to

Right Rev. Monsignor E. McAuliffe, P.P., V.F., and to the Right Honourable the Lord Mayor of Sydney, and the Lady Mayoress. Among the debutantes was Miss Patricia Cusack, daughter of Mr. Sid Cusack, one of our staunch vice-presidents. With Monsignor McAuliffe was Rev. Father P. J. McMaugh, who is the Assistant Priest at Kensington and an ex-student of our own school. The May Ball was considered a social highlight of the year; the committee of O.B.U. wish to thank Mrs. Wheeler and her committee for their hard and efficient work in preparation for the ball; they played a major part in bringing it to the splendid success we witnessed.

The **Annual Football Match** was played at Lyne Park, Rose Bay, on Sunday, August 19, in the presence of a substantial gathering of Old Boys, present students, parents and friends. In the A Grade the Old Boys had the victory by 11 points to 9, while the B Grade match resulted in a nil-nil draw. The day was cold and a bleak wind swept the field, so the afternoon tea provided by the P. & F. Committee for all present, both players and spectators, was much appreciated.

The **Annual Cricket Match** against the school was played on Kensington Oval on Sunday, October 14, in fine, sunny weather and provided very interesting entertainment. The victory went to the schoolboys, in spite of the presence in our O.B.U. side of Jack Clarke, former Sheffield Shield bowler now with Paddington First Grade, and of another first-grader, opening batsman John Bolster. Again we have to thank the Committee of the P. & F. Association for providing dinner and afternoon tea for all, thus making the fixture an enjoyable picnic as well as a good day's sport.

The **Annual Golf Tournament** has been fixed for Sunday, December 16, and will be played as usual on St. Michael's. No one fails to enjoy himself on this day, even though he takes 90 . . . for the first hole.

Sports organiser has been Mr. **Sam Ogg**. He did a devoted and efficient job, often against the heavy odds inherent in distance apart, full programmes, family cares and the host of conflicting interests claiming the time of Old Boys and their friends. We

thank him for his generous work and congratulate him on the evident success that attended his efforts.

The **Annual Dinner** was held at Cahill's Restaurant, Elizabeth Street, on Thursday, October 4, and was attended by 75 Old Boys—the largest number recorded at this function for many years; certainly the largest since the outbreak of the Second World War. This record attendance and the excellent organisation that was evident in the function, were due in large measure to the work of our energetic Secretary, Morton Quoye. The Old Boys assembled at 6.45, and after informal meetings and introductions in the lounge, went to the dining room just after seven. The menu was excellent. All seemed in the mood to enjoy a get-together. Mr. Tom Timmins proposed the toast of the School and the Brothers. Brother Fergus in reply reviewed the position and the work of the school over the year, thanked the Old Boys for their support and recalled the suggestion made at the General Meeting to separate that function from the Communion Breakfast. After the dinner the Old Boys gathered in groups for a yarn and a laugh over a glass of ale. It was 10.30 before the party broke up. It had been a very enjoyable evening.

Ian Sommerville of the 1944 L.C. has sport in his blood; at school he was a sprinter of no mean ability, played A grade on the wing and later developed into a very elusive five-eighth and in addition, was an excellent cricketer. So it is not surprising he became a member of the Sporting staff of the Australian Broadcasting Commission, was recently promoted to the position of Manager of the Kempsey Branch.

Dr. John Tonkin is an Honorary at the Mater Hospital, North Sydney, and at St. Vincent's Hospital, Darlinghurst, having recently returned from England where he became a Fellow of the Royal College of Surgeons.

Dr. John Quoye has also just returned from England with his wife and is practising in Macquarie Street. John, who did his L.C. in 1943, is the brother of our energetic Secretary.

Kevin Shirley resigned from the Auditor General's Department to set up on his own

The survey profession, in recent years, seems to have an irresistible attraction for Old Boys. Four members of the 1944 L.C. are in that profession: **Frank Hannagan** who is now at Woomera Rocket Range, **John Dennis** who is at the Registrar-General's Department, **Peter Davis** who is Assistant Engineer in the Shire of Coonamble, and **Des O'Connor** who is a Bachelor of Engineering, a lecturer at the University of Technology and an expert in the new field of Photogrammetry. **Ray Smith**, a former O.B.U. Secretary, is a Surveyor in the City Council, and **Jim Hammond** is now following that profession in the Registrar-General's Department.

Incidentally, the Survey Branch of the Registrar-General's Department seems to be a "little Darlo." The Chief Draftsman, **George Burrell**, is an Old Boy, while the staff includes **Mick Scannell**, **Tim O'Connor**, **Jack Burke** and **Harold Cranney**, as well as John Dennis and Jim Hammond mentioned above, and **George Cranney** and **Charlie Sheehan**, both now retired.

Ray Lindwall received many fine tributes on the recent tour of England. While it is pleasing to record that Ray is considered by many experts as one of the greatest fast bowlers of all time, it is even more pleasing to record that critics are unanimous that he is, in every sense of the word, one of the finest sportsmen in the history of cricket.

Brian Staunton is one of the best tacklers in Sydney football and has a deep knowledge of the game. As captain of Balmain he led into the grand-final one of the youngest and most inexperienced teams in football history. Like Lindwall in cricket, he is one of the keenest and most highly respected sportsmen in the code.

One of the driving forces in the Balmain club's great season was its secretary, **Mal Fallon**, who enhanced the Darlinghurst Old Boys' reputation for enthusiasm and sportsmanship.

Ron Thornton hit the headlines as five-eighth with the Canterbury-Bankstown first grade team. Thornton is an outstanding prospect.

Martin Jackson, who last year represented the State, did not have the best of luck this

season. Nevertheless, he played some fine games for Manly-Warringah.

In the ranks of Junior Cricket we find many Old Boys. In the N.S.W. Catholic Young Men's Cricket Association, **Jack Dennis** is a member of the Executive and this year has been appointed a Selector and the Association's Publicity Officer. In addition, he captains the Drummoyne "A" Grade team, which has as its colours Blue and Blue; and no wonder, as the team includes four other Old Boys: **Kevin Dennis**, who qualified for the Association averages last season, **Les Brennan**, who won the Association's cup awarded to the best wicket-keeper, **Bill Brennan** and **Max Butel**.

In the same competition **Les Woodley** plays for Mt. Carmel "A" Grade, while this season a new team, Maroubra Bay, has entered the "C" Grade Competition and this team is led and inspired by **Father Paul Cahill** of the 1944 L.C. Class.

Another priest of the 1944 L.C. Class, **Father Ron Harden**, is now attached to St. Mary's Cathedral staff, where, because of his great skill and academic qualifications in music, he has charge of the new Boys' Choir.

Pat Twohill, known in radio circles as John Sherwood, is one of the outstanding men in his profession. He is a "top personality" in radio and a prominent newsreel commentator, and will soon enter the field of Television. Even more pleasing is his splendid reputation as a family man and his obvious pride in his six children.

In the field of "Little Theatre", **Philip Hickie** has made a name for himself with his lighting effects and his designs of stage settings. He is with the Genesisians.

Bill Crocker of the 1943 L.C. Class is still in England under the "Teachers' Exchange" scheme and will not be back until next year. His brother **Tom Crocker** is in the Electrical Engineering section of the Railway and helps right things after our fairly regular train breakdowns.

Ted Anderson is still mixing pills and potions in his Bondi Pharmacy. **John Bryant** has a Pharmacy at Central Railway and young **Gerald Faehrmann** is studying hard,

when not playing golf, so that he, too, can have a Pharmacy of his own.

Jim Lynch, former Balmain first grade cricketer, has settled in his own home at Normanhurst and works for the Electricity Commission.

Neil Armstrong is still practising dentistry in London, while his brother, Pat, is the

very popular "mine host" at the Palisade Hotel, Millers Point.

The **Jackson brothers, John and Mark**, are both established legal men on the north side of the harbour, and making their presence felt in the same learned profession as **the two Whites** of the 1944 L.C. Class, John P. and John F.

BOY AND GIRL**

A Commonwealth Savings Bank pass-book is a must for every boy and girl. It will enable you to get the saving habit while you are at school—a habit that will help you to success and happiness now and in later life.

It is important not only that you learn how to earn money, but also that you learn how to save it. Otherwise you will end up each year no better off than when you started.

The Old School Bell

The bell that hung from the bluegum bough,
When the world was young, it hangs there now.
You can hear it spell the same old word,
That very same bell our grandfathers heard—
S-C-H and O-O-L,
That was the song of the old school bell.

But clear and strong from the same old bell
A different song you can hear as well,
A golden rule for the world, you'll find,
When the days of school are far behind—
The words ring true from the old school bell:
Whatever you do, you must do it well!

A Community Service which Links Six Generations of Sydneysiders

Thomas Dixon founded Sydney's first Catholic "undertaking" in 1836 . . . the year of the opening of old St. Mary's and 6 years before the Municipality of Sydney was formed. The firm of Thomas Dixon Pty. Ltd., faithful to the principles which it has honoured for 120 years, is to-day pledged to the same high standard of service to the Catholic community, under the management of the founder's great-grandsons, Henry Thomas and William John, the present directors.
